3	When will be the property sticker placed?	During the inspection of goods (at the warehouse of the winning supplier) prior to the delivery to the branch offices
4	Is Authority to Notarize required attachment for notarized documents?	Yes.

ISSUES RAISED AFTER THE PRE-BID CONFERENCE

	Query/Clarifications	TWG Reply
1	Where is the Place of delivery of the items? Is it in the main office or it will be delivered in all the branches listed in the distribution list? If yes, where would be the inspection be conducted?	The place of delivery should be at all SSS branches listed in the distribution list. The inspection should be done at the winning bidder's designated warehouse or office.
2	To suggest and request two options with regards with the delivery of the barcode scanner to SSS branch offices in Visayas and Mindanao and other part of Luzon. NCR and other part of Luzon, we can cover for the delivery. The barcode scanner is set as a plug and play item so the end user will not have difficulty of using it. First suggestion, can we just deliver the items for your Visayas, Mindanao and other part of Luzon branches to your SSS located at NCR, and then you will be the one to distribute it to other branches. Second option, can we have it delivered to your Visayas, Mindanao and other part of Luzon branches via courier only, provided that it will incur additional charges on the shipment for we cannot deliver it to each and every SSS branches outside NCR with your approved budget.	The project is supply, delivery and deployment. Hence, all units must be delivered at all SSS branches listed in the distribution list after the inspection with no additional cost to SSS as stipulated in the Bidding document.
