PROJECT: HIRING OF SERVICES FOR MASSIVE TERMITE AND PEST CONTROL

I. QUERIES/CLARIFICATIONS RAISED DURING THE PRE-BID CONFERENCE:

	Query/Clarifications	TWG/BAC Reply
1	Is there a need to submit the updated FDA and CPR certification for the chemicals that will be used?	Yes.
2	The bidder informed the TWG and BAC II that some chemicals are not yet approved, can they use any equivalent of the chemicals required?	Yes. Please refer to Section VII. Technical Specification, item no. 2.
3	Is it required to submit certification of training on the application of chemicals that require training?	Yes. This amends Section VII. Technical Specifications.
4	Can the bidder submit the manually filed AFS?	Yes, it is acceptable as long as it is stamped “received” by BIR.
5	On the Statement of On-going Government and Private contracts, is there a need to include supporting documents?	No. Form 5 of the Bidding Documents does not require submission of supporting documents for On-going government and private contracts.
6	On Section VI. Schedule of Requirements (Item II B - <i>Soil and concrete boring with spraying of termiticidal solution & E- Installation of In-Ground and In-Concrete Stations/ Termite Baiting and Monitoring Stations</i>) If the service provider already did item II B, there is no need for item E, is it acceptable if item E will be removed?	Please refer to revised Section VI. Schedule of Requirements (Annex B). Please refer to Section VII. Item 1 – Massive Termite Control Works.
7	Is a certification for site inspection required?	No, but prospective bidders can conduct site inspection.
8	Is the Bid Security refundable?	Yes, Bid Security shall be refunded upon request.
9	Until when the prospective bidder/s can pay the Bidding Documents?	The prospective bidders can pay before the schedule of submission and opening of Bids.

II. REPLY TO WRITTEN QUERIES:

	Query/Clarifications	TWG/BAC Reply
1	<p>Page 14 of the ITB 20.2/ Page 17 of the BDS 20.2 (#5 AND #6)</p> <p>“Tax returns must be filed through the Electronic Filing and Payments System”</p> <p>We are an EFPS filer, we have all our Tax returns filed thru EFPS except the Annual Income Tax Returns. The reason for this is that the BIR had not issue a form for Sole Proprietor a few years now and only corporations have ITR forms online.</p> <p>Due to this, may you allow our submission of our manually filed Income Tax Return?</p>	<p>Please refer to item I.4 above.</p>
2	<p>Page 29 of Technical Specifications</p> <p>“Statements of “comply” or “not comply” must be supported by evidence in a bidder’s bid and cross-reference to that evidence.”</p> <p>Should we just comply with the Technical Specification or attached documents per statement?</p>	<p>Bidder must indicate “comply” and attached supporting documents for its compliance.</p>
3	<p>Page 31 (#2) of Technical Specification</p> <p>“The provider must use the following Chemicals: Pytheroid (Permethrin, Cypermethrin for Chemical Rotation Program), Racumin, Fipronil, or any approved equivalent.</p> <p>Do we need to submit in our technical folder updated FDA - CPR’s of the Chemicals to be used or Expired FDA – CPR with updated renewal official receipts?</p>	<p>Please refer to item I.1 above.</p>

	Query/Clarifications	TWG/BAC Reply
4	<p>Page 31 (#3) of Technical Specification</p> <p>“Termite baiting and Monitoring Station (Sentricon, Exterra or approved equivalent)” Not all pest control companies are authorized to do baiting elimination.</p> <p>Will you require at least certifications that the company or any personnel are applicators of any baiting system to be added in the technical folder of our bid?</p>	<p>Yes. Please refer to item I.3 above.</p>
