- The SOCIAL SECURITY SYSTEM now invites Bids for the above item. Delivery of the Goods is required within the period specified above. Bidders should have completed within five (5) years prior to the date of submission and receipt of bids, a contract similar to the Project. The description of an eligible Bidder is contained in the Bidding Documents, particularly, in Section II - Instruction to Bidders.
- 2. Bids received in excess of the ABC shall be automatically rejected at bid opening.
- Bidding will be conducted through open competitive bidding procedures using a non-discretionary
 pass/fail criterion as specified in the 2016 Revised Implementing Rules and Regulations (RIRR) of
 Republic Act 9184 (RA) 9184, otherwise known as the "Government Procurement Reform Act".

Bidding is restricted to Filipino citizens/sole proprietorships, partnerships, or organizations with at least sixty percent (60%) interest or outstanding capital stock belonging to citizens of the Philippines, and to citizens or organizations of a country the laws or regulations of which grant similar rights or privileges to Filipino citizens, pursuant to RA 5183.

48

- Interested bidders may obtain further information from the SSS and inspect the Bidding Documents at the address in the last item of the ITB from Monday to Friday, 8:00 a.m. to 5:00 p.m.
- A complete set of Bidding Documents may be acquired by interested bidders starting 18 January 2021 up to the scheduled submission & receipt of bids from the address stated in the last item of the ITB and upon payment of the applicable fee for the Bidding Documents in the amount specified above.

The mode of payment will be on a cash basis payable at the SSS Cash Department, Ground Floor, SSS Main Bldg., upon accomplishment of SSS Form R-6. The Bidding Documents shall be received personally by the prospective Bidder or his authorized representative.

It may also be **downloaded free of charge** from the website of the Philippine Government Electronic Procurement System (PhilGEPS) and the website of the SSS, provided that Bidders shall pay the applicable fee for the Bidding Documents not later than the submission of their bids.

6. The SSS will hold a Pre-Bid Conference on the date and time specified above at the Bidding Room, 2nd Floor, SSS Main Bldg., East Avenue, Diliman, Quezon City which shall be open to prospective bidders, but attendance shall not be mandatory. To ensure completeness and compliance of bids, bidders are advised to send their authorized technical and/or administrative representatives who will prepare the bid documents.

The Pre-Bid Conference will be conducted through online conference using Microsoft Teams. Kindly e-mail us on or before 27 January 2021, through e-mail address <u>bac@sss.gov.ph</u>, the following:

- a. Name of the representative and e-mail address; and
- b. Technical and administrative queries.
- Bids must be duly received by the BAC Secretariat at the Bidding Room, 2nd Floor, SSS Main Building, East Avenue, Diliman, Quezon City on the deadline specified above. All Bids must be accompanied by a bid security in any of the acceptable forms and in the amount stated in the ITB Clause 18.

Bid opening shall be on the date and time specified above at the Bidding Room, 2nd Floor, SSS Main Building, East Avenue, Diliman, Quezon City. Bids will be opened in the presence of the bidders' representatives who choose to attend at the address above. Late bids shall not be accepted.

- References to the dates and times shall be based on Philippine Standard time. Should any of the above dates fall on a holiday, the deadline shall be extended to the same time of the immediately succeeding business day in Quezon City.
- 9. The SSS reserves the right to reject any and all bids, declare a failure of bidding, or not award the contract at any time prior to contract award in accordance with Section 41 of RA 9184 and its IRR, without thereby incurring any liability to the affected bidder or bidders.
- 10. The SSS assumes no obligation to compensate or indemnify parties for any expense or loss that they may incur as a result of their participation in the procurement process, nor does SSS guarantee that an award will be made as a result of this invitation. Furthermore, the SSS reserves the right to waive any defects or formality in the responses to the eligibility requirements and to this invitation and reserves the right to accept the proposal most advantageous to the agency.
- 11. For further information, please refer to:

THE CHAIRPERSON

BIDS & AWARDS COMMITTEE

ref.: itb-sss-goods-2021-012-SDI of Air-Conditioning System

Section II. Instructions to Bidders

A. General

1. Scope of Bid

- 1.1. The Procuring Entity named in the **BDS** invites bids for the supply and delivery of the Goods as described in Section VII. Technical Specifications.
- 1.2. The name, identification, and number of lots specific to this bidding are provided in the **<u>BDS</u>**. The contracting strategy and basis of evaluation of lots is described in **ITB** Clause 28.

2. Source of Funds

The Procuring Entity has a budget or has received funds from the Funding Source named in the <u>BDS</u>, and in the amount indicated in the <u>BDS</u>. It intends to apply part of the funds received for the Project, as defined in the <u>BDS</u>, to cover eligible payments under the contract.

3. Corrupt, Fraudulent, Collusive, and Coercive Practices

- 3.1. Unless otherwise specified in the <u>BDS</u>, the Procuring Entity as well as the bidders and suppliers shall observe the highest standard of ethics during the procurement and execution of the contract. In pursuance of this policy, the Procuring Entity:
 - (a) defines, for purposes of this provision, the terms set forth below as follows:
 - (i) "corrupt practice" means behavior on the part of officials in the public or private sectors by which they improperly and unlawfully enrich themselves, others, or induce others to do so, by misusing the position in which they are placed, and includes the offering, giving, receiving, or soliciting of anything of value to influence the action of any such official in the procurement process or in contract execution; entering, on behalf of the government, into any contract or transaction manifestly and grossly disadvantageous to the same, whether or not the public officer profited or will profit thereby, and similar acts as provided in RA 3019.
 - (ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring Entity, and includes collusive practices among Bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the Procuring Entity of the benefits of free and open competition.
 - (iii) "collusive practices" means a scheme or arrangement between two or more Bidders, with or without the knowledge of the Procuring Entity, designed to establish bid prices at artificial, non-competitive levels.
 - (iv) "coercive practices" means harming or threatening to harm, directly or indirectly, persons, or their property to influence their participation in a procurement process, or affect the execution of a contract;

48

- (v) "obstructive practice" is
 - (aa) deliberately destroying, falsifying, altering or concealing of evidence material to an administrative proceedings or investigation or making false statements to investigators in order to materially impede an administrative proceedings or investigation of the Procuring Entity or any foreign government/foreign or international financing institution into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the administrative proceedings or investigation or from pursuing such proceedings or investigation; or
 - (bb) acts intended to materially impede the exercise of the inspection and audit rights of the Procuring Entity or any foreign government/foreign or international financing institution herein.
- (b) will reject a proposal for award if it determines that the Bidder recommended for award has engaged in any of the practices mentioned in this Clause for purposes of competing for the contract.
- 3.2. Further, the Procuring Entity will seek to impose the maximum civil, administrative, and/or criminal penalties available under applicable laws on individuals and organizations deemed to be involved in any of the practices mentioned in **ITB** Clause 3.1(a).
- 3.3. Furthermore, the Funding Source and the Procuring Entity reserve the right to inspect and audit records and accounts of a bidder or supplier in the bidding for and performance of a contract themselves or through independent auditors as reflected in the **GCC** Clause 3.

4. Conflict of Interest

- 4.1. All Bidders found to have conflicting interests shall be disqualified to participate in the procurement at hand, without prejudice to the imposition of appropriate administrative, civil, and criminal sanctions. A Bidder may be considered to have conflicting interests with another Bidder in any of the events described in paragraphs (a) through (c) below and a general conflict of interest in any of the circumstances set out in paragraphs (d) through (g) below:
 - (a) A Bidder has controlling shareholders in common with another Bidder;
 - (b) A Bidder receives or has received any direct or indirect subsidy from any other Bidder;
 - (c) A Bidder has the same legal representative as that of another Bidder for purposes of this bid;
 - (d) A Bidder has a relationship, directly or through third parties, that puts them in a position to have access to information about or influence on the bid of another Bidder or influence the decisions of the Procuring Entity regarding this bidding process;
 - (e) A Bidder submits more than one bid in this bidding process. However, this does not limit the participation of subcontractors in more than one bid;

48

- (f) A Bidder who participated as a consultant in the preparation of the design or technical specifications of the Goods and related services that are the subject of the bid; or
- (g) A Bidder who lends, or temporarily seconds, its personnel to firms or organizations which are engaged in consulting services for the preparation related to procurement for or implementation of the project, if the personnel would be involved in any capacity on the same project.
- 4.2. In accordance with Section 47 of the IRR of RA 9184, all Bidding Documents shall be accompanied by a sworn affidavit of the Bidder that it is not related to the Head of the Procuring Entity (HoPE), members of the Bids and Awards Committee (BAC), members of the Technical Working Group (TWG), members of the BAC Secretariat, the head of the Project Management Office (PMO) or the end-user unit, and the project consultants, by consanguinity or affinity up to the third civil degree. On the part of the Bidder, this Clause shall apply to the following persons:
 - (a) If the Bidder is an individual or a sole proprietorship, to the Bidder himself;
 - (b) If the Bidder is a partnership, to all its officers and members;
 - (c) If the Bidder is a corporation, to all its officers, directors, and controlling stockholders;
 - (d) If the Bidder is a cooperative, to all its officers, directors, and controlling shareholders or members; and
 - (e) If the Bidder is a joint venture (JV), the provisions of items (a), (b), (c), or (d) of this Clause shall correspondingly apply to each of the members of the said JV, as may be appropriate.

Relationship of the nature described above or failure to comply with this Clause will result in the automatic disqualification of a Bidder.

5. Eligible Bidders

- 5.1. Unless otherwise provided in the **<u>BDS</u>**, the following persons shall be eligible to participate in this bidding:
 - (a) Duly licensed Filipino citizens/sole proprietorships;
 - (b) Partnerships duly organized under the laws of the Philippines and of which at least sixty percent (60%) of the interest belongs to citizens of the Philippines;
 - (c) Corporations duly organized under the laws of the Philippines, and of which at least sixty percent (60%) of the outstanding capital stock belongs to citizens of the Philippines;
 - (d) Cooperatives duly organized under the laws of the Philippines; and
 - (e) Persons/entities forming themselves into a Joint Venture (JV), *i.e.*, a group of two (2) or more persons/entities that intend to be jointly and severally responsible or liable for a particular contract: Provided, however, that Filipino ownership or interest of the JV concerned shall be at least sixty percent (60%).
- 5.2. Foreign bidders may be eligible to participate when any of the following circumstances exist, as specified in the **BDS**:

48

- (a) When a Treaty or International or Executive Agreement as provided in Section 4 of RA 9184 and its IRR allow foreign bidders to participate;
- (b) Citizens, corporations, or associations of a country, the laws or regulations of which grant reciprocal rights or privileges to citizens, corporations, or associations of the Philippines;
- (c) When the Goods sought to be procured are not available from local suppliers; or
- (d) When there is a need to prevent situations that defeat competition or restrain trade.
- 5.3. Government owned or –controlled corporations (GOCCs) may be eligible to participate only if they can establish that they (a) are legally and financially autonomous, (b) operate under commercial law, and (c) are not attached agencies of the Procuring Entity.
- 5.4. Unless otherwise provided in the **BDS**, the Bidder must have completed a Single Largest Completed Contract (SLCC) similar to the Project and the value of which, adjusted, if necessary, by the Bidder to current prices using the Philippine Statistics Authority (PSA) consumer price index, must be at least equivalent to a percentage of the ABC stated in the **BDS**.

For this purpose, contracts similar to the Project shall be those described in the **<u>BDS</u>**, and completed within the relevant period stated in the Invitation to Bid and **ITB** Clause 12.1(a)(ii).

5.5. The Bidder must submit a computation of its Net Financial Contracting Capacity (NFCC), which must be at least equal to the ABC to be bid, calculated as follows:

NFCC = [(Current assets minus current liabilities) (15)] minus the value of all outstanding or uncompleted portions of the projects under ongoing contracts, including awarded contracts yet to be started, coinciding with the contract to be bid.

The values of the domestic bidder's current assets and current liabilities shall be based on the latest Audited Financial Statements submitted to the BIR.

For purposes of computing the foreign bidders' NFCC, the value of the current assets and current liabilities shall be based on their audited financial statements prepared in accordance with international financial reporting standards.

If the prospective bidder opts to submit a committed Line of Credit, it must be at least equal to ten percent (10%) of the ABC to be bid. If issued by a foreign universal or commercial bank, it shall be confirmed or authenticated by a local universal or commercial bank.

6. Bidder's Responsibilities

- 6.1. The Bidder or its duly authorized representative shall submit a sworn statement in the form prescribed in Section VIII. Bidding Forms as required in **ITB** Clause 12.1(b)(iii).
- 6.2. The Bidder is responsible for the following:
 - (a) Having taken steps to carefully examine all of the Bidding Documents;

48

- (b) Having acknowledged all conditions, local or otherwise, affecting the implementation of the contract;
- (c) Having made an estimate of the facilities available and needed for the contract to be bid, if any;
- (d) Having complied with its responsibility to inquire or secure Supplemental/Bid Bulletin(s) as provided under **ITB** Clause 10.4.
- (e) Ensuring that it is not "blacklisted" or barred from bidding by the GOP or any of its agencies, offices, corporations, or LGUs, including foreign government/foreign or international financing institution whose blacklisting rules have been recognized by the GPPB;
- (f) Ensuring that each of the documents submitted in satisfaction of the bidding requirements is an authentic copy of the original, complete, and all statements and information provided therein are true and correct;
- (g) Authorizing the HoPE or its duly authorized representative/s to verify all the documents submitted;
- (h) Ensuring that the signatory is the duly authorized representative of the Bidder, and granted full power and authority to do, execute and perform any and all acts necessary and/or to represent the Bidder in the bidding, with the duly notarized Secretary's Certificate attesting to such fact, if the Bidder is a corporation, partnership, cooperative, or joint venture;
- (i) Complying with the disclosure provision under Section 47 of RA 9184 and its IRR in relation to other provisions of RA 3019;
- (j) Complying with existing labor laws and standards, in the case of procurement of services; Moreover, bidder undertakes to:
 - (i) Ensure the entitlement of workers to wages, hours of work, safety and health and other prevailing conditions of work as established by national laws, rules and regulations; or collective bargaining agreement; or arbitration award, if and when applicable.

In case there is a finding by the Procuring Entity or the DOLE of underpayment or non-payment of workers' wage and wage-related benefits, bidder agrees that the performance security or portion of the contract amount shall be withheld in favor of the complaining workers pursuant to appropriate provisions of Republic Act No. 9184 without prejudice to the institution of appropriate actions under the Labor Code, as amended, and other social legislations.

(ii) Comply with occupational safety and health standards and to correct deficiencies, if any.

In case of imminent danger, injury or death of the worker, bidder undertakes to suspend contract implementation pending clearance to proceed from the DOLE Regional Office and to comply with Work Stoppage Order; and

(iii) Inform the workers of their conditions of work, labor clauses under the contract specifying wages, hours of work and other benefits under prevailing national laws, rules and regulations; or collective bargaining agreement; or arbitration award, if and when applicable, through posting in two (2) conspicuous places in the establishment's premises; and

48

(k) Ensuring that it did not give or pay, directly or indirectly, any commission, amount, fee, or any form of consideration, pecuniary or otherwise, to any person or official, personnel or representative of the government in relation to any procurement project or activity.

Failure to observe any of the above responsibilities shall be at the risk of the Bidder concerned.

- 6.3. The Bidder is expected to examine all instructions, forms, terms, and specifications in the Bidding Documents.
- 6.4. It shall be the sole responsibility of the Bidder to determine and to satisfy itself by such means as it considers necessary or desirable as to all matters pertaining to the contract to be bid, including: (a) the location and the nature of this Project; (b) climatic conditions; (c) transportation facilities; and (d) other factors that may affect the cost, duration, and execution or implementation of this Project.
- 6.5. The Procuring Entity shall not assume any responsibility regarding erroneous interpretations or conclusions by the prospective or eligible bidder out of the data furnished by the procuring entity. However, the Procuring Entity shall ensure that all information in the Bidding Documents, including bid/supplemental bid bulletin/s issued, are correct and consistent.
- 6.6. Before submitting their bids, the Bidder is deemed to have become familiar with all existing laws, decrees, ordinances, acts and regulations of the Philippines which may affect this Project in any way.
- 6.7. The Bidder shall bear all costs associated with the preparation and submission of his bid, and the Procuring Entity will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.
- 6.8. The Bidder should note that the Procuring Entity will accept bids only from those that have paid the applicable fee for the Bidding Documents at the office indicated in the Invitation to Bid.

7. Origin of Goods

Unless otherwise indicated in the <u>BDS</u>, there is no restriction on the origin of goods other than those prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, subject to **ITB** Clause 27.1.

8. Subcontracts

- 8.1. Unless otherwise specified in the <u>BDS</u>, the Bidder may subcontract portions of the Goods to an extent as may be approved by the Procuring Entity and stated in the <u>BDS</u>. However, subcontracting of any portion shall not relieve the Bidder from any liability or obligation that may arise from the contract for this Project.
- 8.2. Subcontractors must submit the documentary requirements under **ITB** Clause 12 and comply with the eligibility criteria specified in the **BDS**. In the event that any subcontractor is found by the Procuring Entity to be ineligible, the subcontracting of such portion of the Goods shall be disallowed.
- 8.3. The Bidder may identify the subcontractor to whom a portion of the Goods will be subcontracted at any stage of the bidding process or during contract implementation. If the Bidder opts to disclose the name of the subcontractor during bid submission, the Bidder shall include the required documents as part of the technical component of its bid.

48

B. Contents of Bidding Documents

9. Pre-Bid Conference

9.1. (a) If so specified in the **BDS**, a pre-bid conference shall be held at the venue and on the date indicated therein, to clarify and address the Bidders' questions on the technical and financial components of this Project.

(b) The pre-bid conference shall be held at least twelve (12) calendar days before the deadline for the submission and receipt of bids, but not earlier than seven (7) calendar days from the posting of the invitation to bid/bidding documents in the PhilGEPS website. If the Procuring Entity determines that, by reason of the method, nature, or complexity of the contract to be bid, or when international participation will be more advantageous to the GOP, a longer period for the preparation of bids is necessary, the pre-bid conference shall be held at least thirty (30) calendar days before the deadline for the submission and receipt of bids, as specified in the **BDS**.

- 9.2. Bidders are encouraged to attend the pre-bid conference to ensure that they fully understand the Procuring Entity's requirements. Non-attendance of the Bidder will in no way prejudice its bid; however, the Bidder is expected to know the changes and/or amendments to the Bidding Documents as recorded in the minutes of the pre-bid conference and the Supplemental/Bid Bulletin. The minutes of the pre-bid conference. The minutes shall be made available to prospective bidders not later than five (5) days upon written request.
- 9.3 Decisions of the BAC amending any provision of the bidding documents shall be issued in writing through a Supplemental/Bid Bulletin at least seven (7) calendar days before the deadline for the submission and receipt of bids.

10. Clarification and Amendment of Bidding Documents

- 10.1. Prospective bidders may request for clarification on and/or interpretation of any part of the Bidding Documents. Such request must be in writing and submitted to the Procuring Entity at the address indicated in the **BDS** at least ten (10) calendar days before the deadline set for the submission and receipt of Bids.
- 10.2. The BAC shall respond to the said request by issuing a Supplemental/Bid Bulletin, to be made available to all those who have properly secured the Bidding Documents, at least seven (7) calendar days before the deadline for the submission and receipt of Bids.
- 10.3. Supplemental/Bid Bulletins may also be issued upon the Procuring Entity's initiative for purposes of clarifying or modifying any provision of the Bidding Documents not later than seven (7) calendar days before the deadline for the submission and receipt of Bids. Any modification to the Bidding Documents shall be identified as an amendment.
- 10.4. Any Supplemental/Bid Bulletin issued by the BAC shall also be posted in the PhilGEPS and the website of the Procuring Entity concerned, if available, and at any conspicuous place in the premises of the Procuring Entity concerned. It shall be the responsibility of all Bidders who have properly secured the Bidding Documents to inquire and secure Supplemental/Bid Bulletins that may be issued by the BAC. However, Bidders who have submitted bids before the issuance of the Supplemental/Bid Bulletin must be informed and allowed to modify or withdraw their bids in accordance with **ITB** Clause 23.

48

C. Preparation of Bids

11. Language of Bids

The eligibility requirements or statements, the bids, and all other documents to be submitted to the BAC must be in English. If the eligibility requirements or statements, the bids, and all other documents submitted to the BAC are in foreign language other than English, it must be accompanied by a translation of the documents in English. The documents shall be translated by the relevant foreign government agency, the foreign government agency authorized to translate documents, or a registered translator in the foreign bidder's country; and shall be authenticated by the appropriate Philippine foreign service establishment/post or the equivalent office having jurisdiction over the foreign bidder's affairs in the Philippines.

However, for Contracting Parties to the Apostille Convention, the documents shall be authenticated through an apostille by the Competent Authority, except for countries identified by the Department of Foreign Affairs (DFA) that will still require legalization (red ribbon) by the relevant Embassy or Consulate.

A Contracting Party refers to a State that has joined the Apostille Convention, whether or not the Convention has entered into force for that State.

A Competent Authority refers to the authority designated by a Contracting Party that is competent to issue an apostille. A Contracting Party may designate one or more Competent Authorities and may designate Competent Authorities that are competent to issue an apostille for certain categories of public documents. Information about designated Competent Authorities may be found on the Apostille Section of the Hague Conference website under "Competent Authorities".

The English translation shall govern, for purposes of interpretation of the bid.

12. Documents Comprising the Bid: Eligibility and Technical Components

- 12.1. Unless otherwise indicated in the **<u>BDS</u>**, the first envelope shall contain the following eligibility and technical documents:
 - (a) Eligibility Documents –

Class "A" Documents:

- (i) PhilGEPS Certificate of Registration and Membership in accordance with Section 8.5.2 of the IRR. For procurement to be performed overseas, it shall be subject to the Guidelines to be issued by the GPPB.
- (ii) Statement of all its ongoing government and private contracts, including contracts awarded but not yet started, if any, whether similar or not similar in nature and complexity to the contract to be bid; and

Statement of the Bidder's SLCC similar to the contract to be bid, in accordance with ITB Clause 5.4, within the relevant period as provided in the **BDS**.

The two statements required shall indicate for each contract the following:

- (ii.1) name of the contract;
- (ii.2) date of the contract;

48

- (ii.3) contract duration;
- (ii.4) owner's name and address;
- (ii.5) kinds of Goods;
- (ii.6) For Statement of Ongoing Contracts amount of contract and value of outstanding contracts;
- (ii.7) For Statement of SLCC amount of completed contracts, adjusted by the Bidder to current prices using PSA's consumer price index, if necessary for the purpose of meeting the SLCC requirement;
- (ii.8) date of delivery; and
- (ii.9) end user's acceptance or official receipt(s) or sales invoice issued for the contract, if completed, which shall be attached to the statements.
- (iii) NFCC computation in accordance with ITB Clause 5.5 or a committed Line of Credit from a universal or commercial bank.

Class "B" Document:

- (iv) If applicable, the Joint Venture Agreement (JVA) in case the joint venture is already in existence, or duly notarized statements from all the potential joint venture partners in accordance with Section 23.1(b) of the IRR.
- (b) Technical Documents
 - (i) Bid security in accordance with **ITB** Clause 18. If the Bidder opts to submit the bid security in the form of:
 - (i.1) a bank draft/guarantee or an irrevocable letter of credit issued by a foreign bank, it shall be accompanied by a confirmation from a Universal or Commercial Bank; or
 - (i.2) a surety bond, it shall be accompanied by a certification by the Insurance Commission that the surety or insurance company is authorized to issue such instruments;
 - (ii) Conformity with technical specifications, as enumerated and specified in Sections VI and VII of the Bidding Documents; and
 - (iii) Sworn statement in accordance with Section 25.3 of the IRR of RA9184 and using the form prescribed in Section VIII. Bidding Forms.
 - (iv) For foreign bidders claiming eligibility by reason of their country's extension of reciprocal rights to Filipinos, a certification from the relevant government office of their country stating that Filipinos are allowed to participate in their government procurement activities for the same item or product.

13. Documents Comprising the Bid: Financial Component

13.1. The financial component of the bid shall contain the following:

48

- (a) Financial Bid Form, which includes bid prices and the applicable Price Schedules, in accordance with **ITB** Clauses 15.1 and 15.4;
- (b) If the Bidder claims preference as a Domestic Bidder, a certification from the DTI issued in accordance with **ITB** Clause 27, unless otherwise provided in the **BDS**; and
- (c) Any other document related to the financial component of the bid as stated in the **BDS**.
- 13.2. (a) Unless otherwise stated in the **BDS**, all bids that exceed the ABC shall not be accepted.
 - (b) Unless otherwise indicated in the <u>BDS</u>, for foreign-funded procurement, a ceiling may be applied to bid prices provided the following conditions are met:
 - (i) Bidding Documents are obtainable free of charge on a freely accessible website. If payment of Bidding Documents is required by the procuring entity, payment could be made upon the submission of bids.
 - (ii) The procuring entity has procedures in place to ensure that the ABC is based on recent estimates made by the responsible unit of the procuring entity and that the estimates reflect the quality, supervision and risk and inflationary factors, as well as prevailing market prices, associated with the types of works or goods to be procured.
 - (iii) The procuring entity has trained cost estimators on estimating prices and analyzing bid variances.
 - (iv) The procuring entity has established a system to monitor and report bid prices relative to ABC and engineer's/procuring entity's estimate.
 - (v) The procuring entity has established a monitoring and evaluation system for contract implementation to provide a feedback on actual total costs of goods and works.

14. Alternative Bids

14.1. Alternative Bids shall be rejected. For this purpose, alternative bid is an offer made by a Bidder in addition or as a substitute to its original bid which may be included as part of its original bid or submitted separately therewith for purposes of bidding.

A bid with options is considered an alternative bid regardless of whether said bid proposal is contained in a single envelope or submitted in two (2) or more separate bid envelopes.

14.2. Each Bidder shall submit only one Bid, either individually or as a partner in a JV. A Bidder who submits or participates in more than one bid (other than as a subcontractor if a subcontractor is permitted to participate in more than one bid) will cause all the proposals with the Bidder's participation to be disqualified. This shall be without prejudice to any applicable criminal, civil and administrative penalties that may be imposed upon the persons and entities concerned.

48

15. Bid Prices

- 15.1. The Bidder shall complete the appropriate Schedule of Prices included herein, stating the unit prices, total price per item, the total amount and the expected countries of origin of the Goods to be supplied under this Project.
- 15.2. The Bidder shall fill in rates and prices for all items of the Goods described in the Schedule of Prices. Bids not addressing or providing all of the required items in the Bidding Documents including, where applicable, Schedule of Prices, shall be considered non-responsive and, thus, automatically disqualified. In this regard, where a required item is provided, but no price is indicated, the same shall be considered as non-responsive, but specifying a zero (0) or a dash (-) for the said item would mean that it is being offered for free to the Government, except those required by law or regulations to be accomplished.
- 15.3. The terms Ex Works (EXW), Cost, Insurance and Freight (CIF), Cost and Insurance Paid to (CIP), Delivered Duty Paid (DDP), and other trade terms used to describe the obligations of the parties, shall be governed by the rules prescribed in the current edition of the International Commercial Terms (INCOTERMS) published by the International Chamber of Commerce, Paris.
- 15.4. Prices indicated on the Price Schedule shall be entered separately in the following manner:
 - (a) For Goods offered from within the Procuring Entity's country:
 - (i) The price of the Goods quoted EXW (ex works, ex factory, ex warehouse, ex showroom, or off-the-shelf, as applicable);
 - (ii) The cost of all customs duties and sales and other taxes already paid or payable;
 - (iii) The cost of transportation, insurance, and other costs incidental to delivery of the Goods to their final destination; and
 - (iv) The price of other (incidental) services, if any, listed in the **BDS**.
 - (b) For Goods offered from abroad:
 - (i) Unless otherwise stated in the <u>BDS</u>, the price of the Goods shall be quoted DDP with the place of destination in the Philippines as specified in the <u>BDS</u>. In quoting the price, the Bidder shall be free to use transportation through carriers registered in any eligible country. Similarly, the Bidder may obtain insurance services from any eligible source country.
 - (ii) The price of other (incidental) services, if any, listed in the **<u>BDS</u>**.
 - (c) For Services, based on the form which may be prescribed by the Procuring Entity, in accordance with existing laws, rules and regulations
- 15.5. Prices quoted by the Bidder shall be fixed during the Bidder's performance of the contract and not subject to variation or price escalation on any account. A bid submitted with an adjustable price quotation shall be treated as non-responsive and shall be rejected, pursuant to **ITB** Clause 24.

48

All bid prices for the given scope of work in the contract as awarded shall be considered as fixed prices, and therefore not subject to price escalation during contract implementation, except under extraordinary circumstances. Upon the recommendation of the Procuring Entity, price escalation may be allowed in extraordinary circumstances as may be determined by the National Economic and Development Authority in accordance with the Civil Code of the Philippines, and upon approval by the GPPB. Nevertheless, in cases where the cost of the awarded contract is affected by any applicable new laws, ordinances, regulations, or other acts of the GOP, promulgated after the date of bid opening, a contract price adjustment shall be made or appropriate relief shall be applied on a no loss-no gain basis.

16. Bid Currencies

- 16.1. Prices shall be quoted in the following currencies:
 - (a) For Goods that the Bidder will supply from within the Philippines, the prices shall be quoted in Philippine Pesos.
 - (b) For Goods that the Bidder will supply from outside the Philippines, the prices may be quoted in the currency(ies) stated in the **BDS**. However, for purposes of bid evaluation, bids denominated in foreign currencies shall be converted to Philippine currency based on the exchange rate as published in the *Bangko Sentral ng Pilipinas* (BSP) reference rate bulletin on the day of the bid opening.
- 16.2. If so allowed in accordance with **ITB** Clause 16.1, the Procuring Entity for purposes of bid evaluation and comparing the bid prices will convert the amounts in various currencies in which the bid price is expressed to Philippine Pesos at the foregoing exchange rates.
- 16.3. Unless otherwise specified in the <u>BDS</u>, payment of the contract price shall be made in Philippine Pesos.

17. Bid Validity

- 17.1. Bids shall remain valid for the period specified in the **BDS** which shall not exceed one hundred twenty (120) calendar days from the date of the opening of bids.
- 17.2. In exceptional circumstances, prior to the expiration of the bid validity period, the Procuring Entity may request Bidders to extend the period of validity of their bids. The request and the responses shall be made in writing. The bid security described in **ITB** Clause 18 should also be extended corresponding to the extension of the bid validity period at the least. A Bidder may refuse the request without forfeiting its bid security, but his bid shall no longer be considered for further evaluation and award. A Bidder granting the request shall not be required or permitted to modify its bid.

18. Bid Security

18.1. The Bidder shall submit a Bid Securing Declaration or any form of Bid Security in the amount stated in the **BDS**, which shall be not less than the percentage of the ABC in accordance with the following schedule:

48

Form of Bid Security	Amount of Bid Security (Not Less than the Percentage of the ABC)
 (a) Cash or cashier's/manager's check issued by a Universal or Commercial Bank. (b) Bank draft/guarantee or irrevocable letter of credit issued by a Universal or Commercial Bank: Provided, however, that it shall be confirmed or authenticated by a Universal or Commercial Bank, if issued by a foreign bank. 	Two percent (2%)
(c) Surety bond callable upon demand issued by a surety or insurance company duly certified by the Insurance Commission as authorized to issue such security.	Five percent (5%)

The Bid Securing Declaration mentioned above is an undertaking which states, among others, that the Bidder shall enter into contract with the procuring entity and furnish the performance security required under ITB Clause 33.2, within ten (10) calendar days from receipt of the Notice of Award, and commits to pay the corresponding amount as fine, and be suspended for a period of time from being qualified to participate in any government procurement activity in the event it violates any of the conditions stated therein as provided in the guidelines issued by the GPPB.

- 18.2. The bid security should be valid for the period specified in the <u>BDS</u>. Any bid not accompanied by an acceptable bid security shall be rejected by the Procuring Entity as non-responsive.
- 18.3. No bid securities shall be returned to Bidders after the opening of bids and before contract signing, except to those that failed or declared as post-disqualified, upon submission of a written waiver of their right to file a request for reconsideration and/or protest, or upon the lapse of the reglementary period to file a request for reconsideration or protest. Without prejudice on its forfeiture, bid securities shall be returned only after the Bidder with the Lowest Calculated Responsive Bid (LCRB) has signed the contract and furnished the performance security, but in no case later than the expiration of the bid security validity period indicated in ITB Clause 18.2.
- 18.4. Upon signing and execution of the contract pursuant to **ITB** Clause 32, and the posting of the performance security pursuant to **ITB** Clause 33, the successful Bidder's bid security will be discharged, but in no case later than the bid security validity period as indicated in the **ITB** Clause 18.2.
- 18.5. The bid security may be forfeited:
 - (a) if a Bidder:
 - (i) withdraws its bid during the period of bid validity specified in **ITB** Clause 17;
 - (ii) does not accept the correction of errors pursuant to **ITB** Clause 28.3(b);

48

- (iii) has a finding against the veracity of any of the documents submitted as stated in **ITB** Clause 29.2;
- (iv) submission of eligibility requirements containing false information or falsified documents;
- (v) submission of bids that contain false information or falsified documents, or the concealment of such information in the bids in order to influence the outcome of eligibility screening or any other stage of the public bidding;
- (vi) allowing the use of one's name, or using the name of another for purposes of public bidding;
- (vii) withdrawal of a bid, or refusal to accept an award, or enter into contract with the Government without justifiable cause, after the Bidder had been adjudged as having submitted the LCRB;
- (viii) refusal or failure to post the required performance security within the prescribed time;
- (ix) refusal to clarify or validate in writing its bid during postqualification within a period of seven (7) calendar days from receipt of the request for clarification;
- (x) any documented attempt by a Bidder to unduly influence the outcome of the bidding in his favor;
- (xi) failure of the potential joint venture partners to enter into the joint venture after the bid is declared successful; or
- (xii) all other acts that tend to defeat the purpose of the competitive bidding, such as habitually withdrawing from bidding, submitting late Bids or patently insufficient bid, for at least three (3) times within a year, except for valid reasons.
- (b) if the successful Bidder:
 - (i) fails to sign the contract in accordance with **ITB** Clause 32; or
 - (ii) fails to furnish performance security in accordance with **ITB** Clause 33.

19. Format and Signing of Bids

- 19.1. Bidders shall submit their bids through their duly authorized representative using the appropriate forms provided in Section VII. Bidding Forms on or before the deadline specified in the **ITB** Clauses 21 in two (2) separate sealed bid envelopes, and which shall be submitted simultaneously. The first shall contain the technical component of the bid, including the eligibility requirements under **ITB** Clause 12.1, and the second shall contain the financial component of the bid. This shall also be observed for each lot in the case of lot procurement
- 19.2. Forms as mentioned in **ITB** Clause 19.1 must be completed without any alterations to their format, and no substitute form shall be accepted. All blank spaces shall be filled in with the information requested.

48

- 19.3. The Bidder shall prepare and submit an original of the first and second envelopes as described in **ITB** Clauses 12 and 13. In addition, the Bidder shall submit copies of the first and second envelopes. In the event of any discrepancy between the original and the copies, the original shall prevail.
- 19.4. Each and every page of the Bid Form, including the Schedule of Prices, under Section VIII. Bidding Forms hereof, shall be signed by the duly authorized representative/s of the Bidder. Failure to do so shall be a ground for the rejection of the bid.
- 19.5. Any interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by the duly authorized representative/s of the Bidder.

20. Sealing and Marking of Bids

- 20.1. Bidders shall enclose their original eligibility and technical documents described in **ITB** Clause 12 in one sealed envelope marked "ORIGINAL TECHNICAL COMPONENT", and the original of their financial component in another sealed envelope marked "ORIGINAL FINANCIAL COMPONENT", sealing them all in an outer envelope marked "ORIGINAL BID".
- 20.2. Each copy of the first and second envelopes shall be similarly sealed duly marking the inner envelopes as "COPY NO. _____ TECHNICAL COMPONENT" and "COPY NO. _____ FINANCIAL COMPONENT" and the outer envelope as "COPY NO. _____", respectively. These envelopes containing the original and the copies shall then be enclosed in one single envelope.
- 20.3. The original and the number of copies of the Bid as indicated in the **BDS** shall be typed or written in ink and shall be signed by the Bidder or its duly authorized representative/s.
- 20.4. All envelopes shall:
 - (a) contain the name of the contract to be bid in capital letters;
 - (b) bear the name and address of the Bidder in capital letters;
 - (c) be addressed to the Procuring Entity's BAC in accordance with **ITB** Clause 21;
 - (d) bear the specific identification of this bidding process indicated in the **ITB** Clause 1.2; and
 - (e) bear a warning "DO NOT OPEN BEFORE..." the date and time for the opening of bids, in accordance with **ITB** Clause 21.
- 20.5. Bid envelopes that are not properly sealed and marked, as required in the bidding documents, shall not be rejected, but the Bidder or its duly authorized representative shall acknowledge such condition of the bid as submitted. The BAC or the Procuring Entity shall assume no responsibility for the misplacement of the contents of the improperly sealed or marked bid, or for its premature opening.

48

D. Submission and Opening of Bids

21. Deadline for Submission of Bids

Bids must be received by the Procuring Entity's BAC at the address and on or before the date and time indicated in the **BDS**. In case the deadline for submission of bids fall on a non-working day duly declared by the president, governor or mayor or other government official authorized to make such declaration, the deadline shall be the next working day.

22. Late Bids

Any bid submitted after the deadline for submission and receipt of bids prescribed by the Procuring Entity, pursuant to **ITB** Clause 21, shall be declared "Late" and shall not be accepted by the Procuring Entity. The BAC shall record in the minutes of bid submission and opening, the Bidder's name, its representative and the time the late bid was submitted.

23. Modification and Withdrawal of Bids

- 23.1. The Bidder may modify its bid after it has been submitted; provided that the modification is received by the Procuring Entity prior to the deadline prescribed for submission and receipt of bids. The Bidder shall not be allowed to retrieve its original bid, but shall be allowed to submit another bid equally sealed and properly identified in accordance with ITB Clause 20, linked to its original bid marked as "TECHNICAL MODIFICATION" or "FINANCIAL MODIFICATION" and stamped "received" by the BAC. Bid modifications received after the applicable deadline shall not be considered and shall be returned to the Bidder unopened.
- 23.2 A Bidder may, through a Letter of Withdrawal, withdraw its bid after it has been submitted, for valid and justifiable reason; provided that the Letter of Withdrawal is received by the Procuring Entity prior to the deadline prescribed for submission and receipt of bids. The Letter of Withdrawal must be executed by the duly authorized representative of the Bidder identified in the Omnibus Sworn Statement, a copy of which should be attached to the letter.
- 23.3. Bids requested to be withdrawn in accordance with **ITB** Clause 23.1 shall be returned unopened to the Bidders. A Bidder, who has acquired the bidding documents, may also express its intention not to participate in the bidding through a letter which should reach and be stamped by the BAC before the deadline for submission and receipt of bids. A Bidder that withdraws its bid shall not be permitted to submit another bid, directly or indirectly, for the same contract.
- 23.4. No bid may be modified after the deadline for submission of bids. No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the Bidder on the Financial Bid Form. Withdrawal of a bid during this interval shall result in the forfeiture of the Bidder's bid security, pursuant to **ITB** Clause 18.5, and the imposition of administrative, civil and criminal sanctions as prescribed by RA 9184 and its IRR.

24. Opening and Preliminary Examination of Bids

24.1. The BAC shall open the bids in public, immediately after the deadline for the submission and receipt of bids, as specified in the **BDS**. In case the Bids cannot be opened as scheduled due to justifiable reasons, the BAC shall take custody of the Bids submitted and reschedule the opening of Bids on the next working day or at the soonest possible time through the issuance of a Notice of Postponement to be posted in the PhilGEPS website and the website of the Procuring Entity concerned.

48

- 24.2. Unless otherwise specified in the **BDS**, the BAC shall open the first bid envelopes and determine each Bidder's compliance with the documents prescribed in **ITB** Clause 12, using a non-discretionary "pass/fail" criterion. If a Bidder submits the required document, it shall be rated "passed" for that particular requirement. In this regard, bids that fail to include any requirement or are incomplete or patently insufficient shall be considered as "failed". Otherwise, the BAC shall rate the said first bid envelope as "passed".
- 24.3. Unless otherwise specified in the **BDS**, immediately after determining compliance with the requirements in the first envelope, the BAC shall forthwith open the second bid envelope of each remaining eligible bidder whose first bid envelope was rated "passed". The second envelope of each complying bidder shall be opened within the same day. In case one or more of the requirements in the second envelope of a particular bid is missing, incomplete or patently insufficient, and/or if the submitted total bid price exceeds the ABC unless otherwise provided in **ITB** Clause 13.2, the BAC shall rate the bid concerned as "failed". Only bids that are determined to contain all the bid requirements for both components shall be rated "passed" and shall immediately be considered for evaluation and comparison.
- 24.4. Letters of Withdrawal shall be read out and recorded during bid opening, and the envelope containing the corresponding withdrawn bid shall be returned to the Bidder unopened.
- 24.5. All members of the BAC who are present during bid opening shall initial every page of the original copies of all bids received and opened.
- 24.6. In the case of an eligible foreign bidder as described in **ITB** Clause 5, the following Class "A" Documents may be substituted with the appropriate equivalent documents, if any, issued by the country of the foreign Bidder concerned, which shall likewise be uploaded and maintained in the PhilGEPS in accordance with Section 8.5.2 of the IRR:
 - (a) Registration certificate from the Securities and Exchange Commission (SEC), Department of Trade and Industry (DTI) for sole proprietorship, or CDA for cooperatives;
 - (b) Mayor's/Business permit issued by the local government where the principal place of business of the bidder is located; and
 - (c) Audited Financial Statements showing, among others, the prospective bidder's total and current assets and liabilities stamped "received" by the Bureau of Internal Revenue or its duly accredited and authorized institutions, for the preceding calendar year which should not be earlier than two years from the date of bid submission.
- 24.7. Each partner of a joint venture agreement shall likewise submit the requirements in **ITB** Clause 12.1(a)(i). Submission of documents required under **ITB** Clauses 12.1(a)(ii) to 12.1(a)(iii) by any of the joint venture partners constitutes compliance.
- 24.8. The Procuring Entity shall prepare the minutes of the proceedings of the bid opening that shall include, as a minimum: (a) names of Bidders, their bid price (per lot, if applicable, and/or including discount, if any), bid security, findings of preliminary examination, and whether there is a withdrawal or modification; and (b) attendance sheet. The BAC members shall sign the abstract of bids as read.

48

- 24.9. The bidders or their duly authorized representatives may attend the opening of bids. The BAC shall ensure the integrity, security, and confidentiality of all submitted bids. The Abstract of Bids as read and the minutes of the bid opening shall be made available to the public upon written request and payment of a specified fee to recover cost of materials.
- 24.10. To ensure transparency and accurate representation of the bid submission, the BAC Secretariat shall notify in writing all bidders whose bids it has received through its PhilGEPS-registered physical address or official e-mail address. The notice shall be issued within seven (7) calendar days from the date of the bid opening.

E. Evaluation and Comparison of Bids

25. Process to be Confidential

- 25.1. Members of the BAC, including its staff and personnel, as well as its Secretariat and TWG, are prohibited from making or accepting any kind of communication with any bidder regarding the evaluation of their bids until the issuance of the Notice of Award, unless otherwise allowed in the case of **ITB** Clause 26.
- 25.2. Any effort by a bidder to influence the Procuring Entity in the Procuring Entity's decision in respect of bid evaluation, bid comparison or contract award will result in the rejection of the Bidder's bid.

26. Clarification of Bids

To assist in the evaluation, comparison, and post-qualification of the bids, the Procuring Entity may ask in writing any Bidder for a clarification of its bid. All responses to requests for clarification shall be in writing. Any clarification submitted by a Bidder in respect to its bid and that is not in response to a request by the Procuring Entity shall not be considered.

27. Domestic Preference

- 27.1. Unless otherwise stated in the **<u>BDS</u>**, the Procuring Entity will grant a margin of preference for the purpose of comparison of bids in accordance with the following:
 - (a) The preference shall be applied when the lowest Foreign Bid is lower than the lowest bid offered by a Domestic Bidder.
 - (b) For evaluation purposes, the lowest Foreign Bid shall be increased by fifteen percent (15%).
 - (c) In the event that the lowest bid offered by a Domestic Bidder does not exceed the lowest Foreign Bid as increased, then the Procuring Entity shall award the contract to the Domestic Bidder at the amount of the lowest Foreign Bid.
 - (d) If the Domestic Bidder refuses to accept the award of contract at the amount of the Foreign Bid within two (2) calendar days from receipt of written advice from the BAC, the Procuring Entity shall award to the bidder offering the Foreign Bid, subject to post-qualification and submission of all the documentary requirements under these Bidding Documents.

48

27.2. A Bidder may be granted preference as a Domestic Bidder subject to the certification from the DTI that the Bidder is offering unmanufactured articles, materials or supplies of the growth or production of the Philippines, or manufactured articles, materials, or supplies manufactured or to be manufactured in the Philippines substantially from articles, materials, or supplies of the growth, production, or manufacture, as the case may be, of the Philippines.

28. Detailed Evaluation and Comparison of Bids

- 28.1. The Procuring Entity will undertake the detailed evaluation and comparison of bids which have passed the opening and preliminary examination of bids, pursuant to **ITB** Clause 24, in order to determine the Lowest Calculated Bid.
- 28.2. The Lowest Calculated Bid shall be determined in two steps:
 - (a) The detailed evaluation of the financial component of the bids, to establish the correct calculated prices of the bids; and
 - (b) The ranking of the total bid prices as so calculated from the lowest to the highest. The bid with the lowest price shall be identified as the Lowest Calculated Bid.
- 28.3. The Procuring Entity's BAC shall immediately conduct a detailed evaluation of all bids rated "passed," using non-discretionary pass/fail criteria. The BAC shall consider the following in the evaluation of bids:
 - (a) <u>Completeness of the bid.</u> Unless the <u>BDS</u> allows partial bids, bids not addressing or providing all of the required items in the Schedule of Requirements including, where applicable, Schedule of Prices, shall be considered non-responsive and, thus, automatically disqualified. In this regard, where a required item is provided, but no price is indicated, the same shall be considered as non-responsive, but specifying a zero (0) or a dash (-) for the said item would mean that it is being offered for free to the Procuring Entity, except those required by law or regulations to be provided for; and
 - (b) <u>Arithmetical corrections.</u> Consider computational errors and omissions to enable proper comparison of all eligible bids. It may also consider bid modifications. Any adjustment shall be calculated in monetary terms to determine the calculated prices.
- 28.4. Based on the detailed evaluation of bids, those that comply with the abovementioned requirements shall be ranked in the ascending order of their total calculated bid prices, as evaluated and corrected for computational errors, discounts and other modifications, to identify the Lowest Calculated Bid. Total calculated bid prices, as evaluated and corrected for computational errors, discounts and other modifications, which exceed the ABC shall not be considered, unless otherwise indicated in the <u>BDS</u>.
- 28.5. The Procuring Entity's evaluation of bids shall be based on the bid price quoted in the Bid Form, which includes the Schedule of Prices.
- 28.6. Bids shall be evaluated on an equal footing to ensure fair competition. For this purpose, all bidders shall be required to include in their bids the cost of all taxes, such as, but not limited to, value added tax (VAT), income tax, local taxes, and other fiscal levies and duties which shall be itemized in the bid form and reflected in the detailed estimates. Such bids, including said taxes, shall be the basis for bid evaluation and comparison.

48

28.7. If so indicated pursuant to **ITB** Clause 1.2, Bids are being invited for individual lots or for any combination thereof, provided that all Bids and combinations of Bids shall be received by the same deadline and opened and evaluated simultaneously so as to determine the Bid or combination of Bids offering the lowest calculated cost to the Procuring Entity. Bid prices quoted shall correspond to all items specified for each lot and to all quantities specified for each item of a lot. Bid Security as required by **ITB** Clause 18 shall be submitted for each contract (lot) separately. The basis for evaluation of lots is specified in BDS Clause 28.3.

29. Post-Qualification

- 29.1. The BAC shall determine to its satisfaction whether the Bidder that is evaluated as having submitted the Lowest Calculated Bid complies with and is responsive to all the requirements and conditions specified in **ITB** Clauses 5, 12, and 13.
- 29.2. Within a non-extendible period of five (5) calendar days from receipt by the bidder of the notice from the BAC that it submitted the Lowest Calculated Bid, the Bidder shall submit its latest income and business tax returns filed and paid through the BIR Electronic Filing and Payment System (eFPS) and other appropriate licenses and permits required by law and stated in the <u>BDS</u>.

Failure to submit any of the post-qualification requirements on time, or a finding against the veracity thereof, shall disqualify the bidder for award. Provided in the event that a finding against the veracity of any of the documents submitted is made, it shall cause the forfeiture of the bid security in accordance with Section 69 of the IRR of RA 9184.

- 29.3. The determination shall be based upon an examination of the documentary evidence of the Bidder's qualifications submitted pursuant to **ITB** Clauses 12 and 13, as well as other information as the Procuring Entity deems necessary and appropriate, using a non-discretionary "pass/fail" criterion, which shall be completed within a period of twelve (12) calendar days.
- 29.4. If the BAC determines that the Bidder with the Lowest Calculated Bid passes all the criteria for post-qualification, it shall declare the said bid as the LCRB, and recommend to the HoPE the award of contract to the said Bidder at its submitted price or its calculated bid price, whichever is lower.
- 29.5. A negative determination shall result in rejection of the Bidder's Bid, in which event the Procuring Entity shall proceed to the next Lowest Calculated Bid with a fresh period to make a similar determination of that Bidder's capabilities to perform satisfactorily. If the second Bidder, however, fails the post qualification, the procedure for post qualification shall be repeated for the Bidder with the next Lowest Calculated Bid, and so on until the LCRB is determined for recommendation for contract award.
- 29.6. Within a period not exceeding fifteen (15) calendar days from the determination by the BAC of the LCRB and the recommendation to award the contract, the HoPE or his duly authorized representative shall approve or disapprove the said recommendation.
- 29.7. In the event of disapproval, which shall be based on valid, reasonable, and justifiable grounds as provided for under Section 41 of the IRR of RA 9184, the HoPE shall notify the BAC and the Bidder in writing of such decision and the grounds for it. When applicable, the BAC shall conduct a post-qualification of the Bidder with the next Lowest Calculated Bid. A request for reconsideration may be filed by the bidder with the HoPE in accordance with Section 37.1.3 of the IRR of RA 9184.

48

30. Reservation Clause

- 30.1. Notwithstanding the eligibility or post-qualification of a Bidder, the Procuring Entity concerned reserves the right to review its qualifications at any stage of the procurement process if it has reasonable grounds to believe that a misrepresentation has been made by the said Bidder, or that there has been a change in the Bidder's capability to undertake the project from the time it submitted its eligibility requirements. Should such review uncover any misrepresentation made in the eligibility and bidding requirements, statements or documents, or any changes in the situation of the Bidder which will affect its capability to undertake the project so that it fails the preset eligibility or bid evaluation criteria, the Procuring Entity shall consider the said Bidder as ineligible and shall disqualify it from submitting a bid or from obtaining an award or contract.
- 30.2. Based on the following grounds, the Procuring Entity reserves the right to reject any and all bids, declare a Failure of Bidding at any time prior to the contract award, or not to award the contract, without thereby incurring any liability, and make no assurance that a contract shall be entered into as a result of the bidding:
 - (a) If there is *prima facie* evidence of collusion between appropriate public officers or employees of the Procuring Entity, or between the BAC and any of the Bidders, or if the collusion is between or among the bidders themselves, or between a Bidder and a third party, including any act which restricts, suppresses or nullifies or tends to restrict, suppress or nullify competition;
 - (b) If the Procuring Entity's BAC is found to have failed in following the prescribed bidding procedures; or
 - (c) For any justifiable and reasonable ground where the award of the contract will not redound to the benefit of the GOP as follows:
 - (i) If the physical and economic conditions have significantly changed so as to render the project no longer economically, financially or technically feasible as determined by the HoPE;
 - (ii) If the project is no longer necessary as determined by the HoPE; and
 - (iii) If the source of funds for the project has been withheld or reduced through no fault of the Procuring Entity.
- 30.3. In addition, the Procuring Entity may likewise declare a failure of bidding when:
 - (a) No bids are received;
 - (b) All prospective Bidders are declared ineligible;
 - (c) All bids fail to comply with all the bid requirements or fail post-qualification; or
 - (d) The bidder with the LCRB refuses, without justifiable cause to accept the award of contract, and no award is made in accordance with Section 40 of the IRR of RA 9184.

48

F. Award of Contract

31. Contract Award

- 31.1. Subject to **ITB** Clause 29, the HoPE or its duly authorized representative shall award the contract to the Bidder whose bid has been determined to be the LCRB.
- 31.2. Prior to the expiration of the period of bid validity, the Procuring Entity shall notify the successful Bidder in writing that its bid has been accepted, through a Notice of Award duly received by the Bidder or its representative personally or sent by registered mail or electronically, receipt of which must be confirmed in writing within two (2) days by the Bidder with the LCRB and submitted personally or sent by registered mail or electronically to the Procuring Entity.
- 31.3. Notwithstanding the issuance of the Notice of Award, award of contract shall be subject to the following conditions:
 - (a) Submission of valid JVA, if applicable, within ten (10) calendar days from receipt of the Notice of Award;
 - (b) Posting of the performance security in accordance with **ITB** Clause 33;
 - (c) Signing of the contract as provided in **ITB** Clause 32; and
 - (d) Approval by higher authority, if required, as provided in Section 37.3 of the IRR of RA 9184.
- 31.4. At the time of contract award, the Procuring Entity shall not increase or decrease the quantity of goods originally specified in Section VI, Schedule of Requirements

32. Signing of the Contract

- 32.1. At the same time as the Procuring Entity notifies the successful Bidder that its bid has been accepted, the Procuring Entity shall send the Contract Form to the Bidder, which contract has been provided in the Bidding Documents, incorporating therein all agreements between the parties.
- 32.2. Within ten (10) calendar days from receipt of the Notice of Award, the successful Bidder shall post the required performance security, sign and date the contract and return it to the Procuring Entity.
- 32.3. The Procuring Entity shall enter into contract with the successful Bidder within the same ten (10) calendar day period provided that all the documentary requirements are complied with.
- 32.4. The following documents shall form part of the contract:
 - (a) Contract Agreement;
 - (b) Bidding Documents;
 - (c) Winning bidder's bid, including the Technical and Financial Proposals, and all other documents/statements submitted (*e.g.*, bidder's response to request for clarifications on the bid), including corrections to the bid, if any, resulting from the Procuring Entity's bid evaluation;
 - (d) Performance Security;
 - (e) Notice of Award of Contract; and

48

(f) Other contract documents that may be required by existing laws and/or specified in the **BDS**.

33. Performance Security

- 33.1. To guarantee the faithful performance by the winning Bidder of its obligations under the contract, it shall post a performance security within a maximum period of ten (10) calendar days from the receipt of the Notice of Award from the Procuring Entity and in no case later than the signing of the contract.
- 33.2. The Performance Security shall be denominated in Philippine Pesos and posted in favor of the Procuring Entity in an amount not less than the percentage of the total contract price in accordance with the following schedule:

	Amount of Performance Security
Form of Performance Security	(Not less than the Percentage of the
	Total Contract Price)
(a) Cash or cashier's/manager's	
check issued by a Universal or	
Commercial Bank.	
(b) Bank draft/guarantee or	
irrevocable letter of credit issued	
by a Universal or Commercial	Five percent (5%)
Bank: Provided, however, that it	
shall be confirmed or	
authenticated by a Universal or	
Commercial Bank, if issued by a	
foreign bank.	
(c) Surety bond callable upon	
demand issued by a surety or	
insurance company duly	Thirty percent $(200/)$
certified by the Insurance	Thirty percent (30%)
Commission as authorized to	
issue such security.	

33.3. Failure of the successful Bidder to comply with the above-mentioned requirement shall constitute sufficient ground for the annulment of the award and forfeiture of the bid security, in which event the Procuring Entity shall have a fresh period to initiate and complete the post qualification of the second Lowest Calculated Bid. The procedure shall be repeated until the LCRB is identified and selected for recommendation of contract award. However if no Bidder passed post-qualification, the BAC shall declare the bidding a failure and conduct a re-bidding with re-advertisement, if necessary.

34. Notice to Proceed

Within seven (7) calendar days from the date of approval of the contract by the appropriate government approving authority, the Procuring Entity shall issue the Notice to Proceed (NTP) together with a copy or copies of the approved contract to the successful Bidder. All notices called for by the terms of the contract shall be effective only at the time of receipt thereof by the successful Bidder.

35. Protest Mechanism

Decisions of the procuring entity at any stage of the procurement process may be questioned in accordance with Section 55 of the IRR of RA 9184.

48

Section IV. General Conditions of Contract

1. Definitions

- 1.1. In this Contract, the following terms shall be interpreted as indicated:
 - (a) "The Contract" means the agreement entered into between the Procuring Entity and the Supplier, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
 - (b) "The Contract Price" means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations.
 - (c) "The Goods" means all of the supplies, equipment, machinery, spare parts, other materials and/or general support services which the Supplier is required to provide to the Procuring Entity under the Contract.
 - (d) "The Services" means those services ancillary to the supply of the Goods, such as transportation and insurance, and any other incidental services, such as installation, commissioning, provision of technical assistance, training, and other such obligations of the Supplier covered under the Contract.
 - (e) "GCC" means the General Conditions of Contract contained in this Section.
 - (f) "SCC" means the Special Conditions of Contract.
 - (g) "The Procuring Entity" means the organization purchasing the Goods, as named in the <u>SCC</u>.
 - (h) "The Procuring Entity's country" is the Philippines.
 - (i) "The Supplier" means the individual contractor, manufacturer distributor, or firm supplying/manufacturing the Goods and Services under this Contract and named in the <u>SCC</u>.
 - (j) The "Funding Source" means the organization named in the <u>SCC</u>.
 - (k) "The Project Site," where applicable, means the place or places named in the <u>SCC</u>.
 - (l) "Day" means calendar day.
 - (m) The "Effective Date" of the contract will be the date of signing the contract, however the Supplier shall commence performance of its obligations only upon receipt of the Notice to Proceed and copy of the approved contract.
 - (n) "Verified Report" refers to the report submitted by the Implementing Unit to the HoPE setting forth its findings as to the existence of grounds or causes for termination and explicitly stating its recommendation for the issuance of a Notice to Terminate.

2. Corrupt, Fraudulent, Collusive, and Coercive Practices

2.1. Unless otherwise provided in the <u>SCC</u>, the Procuring Entity as well as the bidders, contractors, or suppliers shall observe the highest standard of ethics during the procurement and execution of this Contract. In pursuance of this policy, the Procuring Entity:

48

- (a) defines, for the purposes of this provision, the terms set forth below as follows:
 - (i) "corrupt practice" means behavior on the part of officials in the public or private sectors by which they improperly and unlawfully enrich themselves, others, or induce others to do so, by misusing the position in which they are placed, and it includes the offering, giving, receiving, or soliciting of anything of value to influence the action of any such official in the procurement process or in contract execution; entering, on behalf of the Government, into any contract or transaction manifestly and grossly disadvantageous to the same, whether or not the public officer profited or will profit thereby, and similar acts as provided in Republic Act 3019.
 - (ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring Entity, and includes collusive practices among Bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the Procuring Entity of the benefits of free and open competition.
 - (iii) "collusive practices" means a scheme or arrangement between two or more Bidders, with or without the knowledge of the Procuring Entity, designed to establish bid prices at artificial, non-competitive levels.
 - (iv) "coercive practices" means harming or threatening to harm, directly or indirectly, persons, or their property to influence their participation in a procurement process, or affect the execution of a contract;
 - (v) "obstructive practice" is
 - (aa) deliberately destroying, falsifying, altering or concealing of evidence material to an administrative proceedings or investigation or making false statements to investigators in order to materially impede an administrative proceedings or investigation of the Procuring Entity or any foreign government/foreign or international financing institution into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the administrative proceedings or investigation or from pursuing such proceedings or investigation; or
 - (bb) acts intended to materially impede the exercise of the inspection and audit rights of the Procuring Entity or any foreign government/foreign or international financing institution herein
- (b) will reject a proposal for award if it determines that the Bidder recommended for award has engaged in any of the practices mentioned in this Clause for purposes of competing for the contract.
- 2.2. Further the Funding Source, Borrower or Procuring Entity, as appropriate, will seek to impose the maximum civil, administrative and/or criminal penalties available under the applicable law on individuals and organizations deemed to be involved with any of the practices mentioned in GCC Clause 2.1(a).

48

3. Inspection and Audit by the Funding Source

The Supplier shall permit the Funding Source to inspect the Supplier's accounts and records relating to the performance of the Supplier and to have them audited by auditors appointed by the Funding Source, if so required by the Funding Source.

4. Governing Law and Language

- 4.1. This Contract shall be interpreted in accordance with the laws of the Republic of the Philippines.
- 4.2. This Contract has been executed in the English language, which shall be the binding and controlling language for all matters relating to the meaning or interpretation of this Contract. All correspondence and other documents pertaining to this Contract exchanged by the parties shall be written in English.

5. Notices

- 5.1. Any notice, request, or consent required or permitted to be given or made pursuant to this Contract shall be in writing. Any such notice, request, or consent shall be deemed to have been given or made when received by the concerned party, either in person or through an authorized representative of the Party to whom the communication is addressed, or when sent by registered mail, telex, telegram, or facsimile to such Party at the address specified in the <u>SCC</u>, which shall be effective when delivered and duly received or on the notice's effective date, whichever is later.
- 5.2. A Party may change its address for notice hereunder by giving the other Party notice of such change pursuant to the provisions listed in the <u>SCC</u> for GCC Clause 5.1.

6. Scope of Contract

- 6.1. The Goods and Related Services to be provided shall be as specified in Section VI, Schedule of Requirements.
- 6.2. This Contract shall include all such items, although not specifically mentioned, that can be reasonably inferred as being required for its completion as if such items were expressly mentioned herein. Any additional requirements for the completion of this Contract shall be provided in the <u>SCC</u>.

7. Subcontracting

- 7.1. Subcontracting of any portion of the Goods, if allowed in the **BDS**, does not relieve the Supplier of any liability or obligation under this Contract. The Supplier will be responsible for the acts, defaults, and negligence of any subcontractor, its agents, servants or workmen as fully as if these were the Supplier's own acts, defaults, or negligence, or those of its agents, servants or workmen.
- 7.2. If subcontracting is allowed, the Supplier may identify its subcontractor during contract implementation. Subcontractors disclosed and identified during the bidding may be changed during the implementation of this Contract. In either case, subcontractors must submit the documentary requirements under **ITB** Clause 12 and comply with the eligibility criteria specified in the **BDS.** In the event that any subcontractor is found by the Procuring Entity to be ineligible, the subcontracting of such portion of the Goods shall be disallowed.

48

8. Procuring Entity's Responsibilities

- 8.1. Whenever the performance of the obligations in this Contract requires that the Supplier obtain permits, approvals, import, and other licenses from local public authorities, the Procuring Entity shall, if so needed by the Supplier, make its best effort to assist the Supplier in complying with such requirements in a timely and expeditious manner.
- 8.2. The Procuring Entity shall pay all costs involved in the performance of its responsibilities in accordance with GCC Clause 6.

9. Prices

- 9.1. For the given scope of work in this Contract as awarded, all bid prices are considered fixed prices, and therefore not subject to price escalation during contract implementation, except under extraordinary circumstances and upon prior approval of the GPPB in accordance with Section 61 of R.A. 9184 and its IRR or except as provided in this Clause.
- 9.2. Prices charged by the Supplier for Goods delivered and/or services performed under this Contract shall not vary from the prices quoted by the Supplier in its bid, with the exception of any change in price resulting from a Change Order issued in accordance with GCC Clause 29.

10. Payment

- 10.1. Payments shall be made only upon a certification by the HoPE to the effect that the Goods have been rendered or delivered in accordance with the terms of this Contract and have been duly inspected and accepted. Except with the prior approval of the President no payment shall be made for services not yet rendered or for supplies and materials not yet delivered under this Contract. At least one percent (1%) but shall not exceed five percent (5%) of the amount of each payment shall be retained by the Procuring Entity to cover the Supplier's warranty obligations under this Contract as described in GCC Clause 17.
- 10.2. The Supplier's request(s) for payment shall be made to the Procuring Entity in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and/or Services performed, and by documents submitted pursuant to the <u>SCC</u> provision for GCC Clause 6.2, and upon fulfilment of other obligations stipulated in this Contract.
- 10.3. Pursuant to GCC Clause 10.2, payments shall be made promptly by the Procuring Entity, but in no case later than sixty (60) days after submission of an invoice or claim by the Supplier. Payments shall be in accordance with the schedule stated in the <u>SCC</u>.
- 10.4. Unless otherwise provided in the <u>SCC</u>, the currency in which payment is made to the Supplier under this Contract shall be in Philippine Pesos.
- 10.5. Unless otherwise provided in the <u>SCC</u>, payments using Letter of Credit (LC), in accordance with the Guidelines issued by the GPPB, is allowed. For this purpose, the amount of provisional sum is indicated in the <u>SCC</u>. All charges for the opening of the LC and/or incidental expenses thereto shall be for the account of the Supplier.

48

11. Advance Payment and Terms of Payment

- 11.1. Advance payment shall be made only after prior approval of the President, and shall not exceed fifteen percent (15%) of the Contract amount, unless otherwise directed by the President or in cases allowed under Annex "D" of RA 9184.
- 11.2. All progress payments shall first be charged against the advance payment until the latter has been fully exhausted.
- 11.3. For Goods supplied from abroad, unless otherwise indicated in the <u>SCC</u>, the terms of payment shall be as follows:
 - (a) On Contract Signature: Fifteen Percent (15%) of the Contract Price shall be paid within sixty (60) days from signing of the Contract and upon submission of a claim and a bank guarantee for the equivalent amount valid until the Goods are delivered and in the form provided in Section VIII. Bidding Forms.
 - (b) On Delivery: Sixty-five percent (65%) of the Contract Price shall be paid to the Supplier within sixty (60) days after the date of receipt of the Goods and upon submission of the documents (i) through (vi) specified in the <u>SCC</u> provision on Delivery and Documents.
 - (c) On Acceptance: The remaining twenty percent (20%) of the Contract Price shall be paid to the Supplier within sixty (60) days after the date of submission of the acceptance and inspection certificate for the respective delivery issued by the Procuring Entity's authorized representative. In the event that no inspection or acceptance certificate is issued by the Procuring Entity's authorized representative within forty five (45) days of the date shown on the delivery receipt, the Supplier shall have the right to claim payment of the remaining twenty percent (20%) subject to the Procuring Entity's own verification of the reason(s) for the failure to issue documents (vii) and (viii) as described in the <u>SCC</u> provision on Delivery and Documents.

12. Taxes and Duties

The Supplier, whether local or foreign, shall be entirely responsible for all the necessary taxes, stamp duties, license fees, and other such levies imposed for the completion of this Contract.

13. Performance Security

- 13.1. Within ten (10) calendar days from receipt of the Notice of Award from the Procuring Entity but in no case later than the signing of the contract by both parties, the successful Bidder shall furnish the performance security in any the forms prescribed in the **ITB** Clause 33.2.
- 13.2. The performance security posted in favor of the Procuring Entity shall be forfeited in the event it is established that the winning bidder is in default in any of its obligations under the contract.
- 13.3. The performance security shall remain valid until issuance by the Procuring Entity of the Certificate of Final Acceptance.
- 13.4. The performance security may be released by the Procuring Entity and returned to the Supplier after the issuance of the Certificate of Final Acceptance subject to the following conditions:

48

- (a) There are no pending claims against the Supplier or the surety company filed by the Procuring Entity;
- (b) The Supplier has no pending claims for labor and materials filed against it; and
- (c) Other terms specified in the <u>SCC</u>.
- 13.5. In case of a reduction of the contract value, the Procuring Entity shall allow a proportional reduction in the original performance security, provided that any such reduction is more than ten percent (10%) and that the aggregate of such reductions is not more than fifty percent (50%) of the original performance security.

14. Use of Contract Documents and Information

- 14.1. The Supplier shall not, except for purposes of performing the obligations in this Contract, without the Procuring Entity's prior written consent, disclose this Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Procuring Entity. Any such disclosure shall be made in confidence and shall extend only as far as may be necessary for purposes of such performance.
- 14.2. Any document, other than this Contract itself, enumerated in GCC Clause 14.1 shall remain the property of the Procuring Entity and shall be returned (all copies) to the Procuring Entity on completion of the Supplier's performance under this Contract if so required by the Procuring Entity.

15. Standards

The Goods provided under this Contract shall conform to the standards mentioned in the Section VII Technical Specifications and, when no applicable standard is mentioned, to the authoritative standards appropriate to the Goods' country of origin. Such standards shall be the latest issued by the institution concerned.

16. Inspection and Tests

- 16.1. The Procuring Entity or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Contract specifications at no extra cost to the Procuring Entity. The <u>SCC</u> and Section VII. Technical Specifications shall specify what inspections and/or tests the Procuring Entity requires and where they are to be conducted. The Procuring Entity shall notify the Supplier in writing, in a timely manner, of the identity of any representatives retained for these purposes.
- 16.2. If applicable, the inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at point of delivery, and/or at the goods' final destination. If conducted on the premises of the Supplier or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Procuring Entity. The Supplier shall provide the Procuring Entity with results of such inspections and tests.
- 16.3. The Procuring Entity or its designated representative shall be entitled to attend the tests and/or inspections referred to in this Clause provided that the Procuring Entity shall bear all of its own costs and expenses incurred in connection with such attendance including, but not limited to, all traveling and board and lodging expenses.

48

- 16.4. The Procuring Entity may reject any Goods or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. The Supplier shall either rectify or replace such rejected Goods or parts thereof or make alterations necessary to meet the specifications at no cost to the Procuring Entity, and shall repeat the test and/or inspection, at no cost to the Procuring Entity, upon giving a notice pursuant to **GCC** Clause 5.
- 16.5. The Supplier agrees that neither the execution of a test and/or inspection of the Goods or any part thereof, nor the attendance by the Procuring Entity or its representative, shall release the Supplier from any warranties or other obligations under this Contract.

17. Warranty

- 17.1. The Supplier warrants that the Goods supplied under the Contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials, except when the technical specifications required by the Procuring Entity provides otherwise.
- 17.2. The Supplier further warrants that all Goods supplied under this Contract shall have no defect, arising from design, materials, or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination.
- 17.3. In order to assure that manufacturing defects shall be corrected by the Supplier, a warranty shall be required from the Supplier for a minimum period specified in the <u>SCC</u>.

The obligation for the warranty shall be covered by, at the Supplier's option, either retention money in an amount equivalent to at least one percent (1%) but shall not exceed five percent (5%) of every progress payment, or a special bank guarantee equivalent to at least one percent (1%) but shall not exceed five percent (5%) of the total Contract Price or other such amount if so specified in the <u>SCC</u>. The said amounts shall only be released after the lapse of the warranty period specified in the <u>SCC</u>: provided, however, that the Supplies delivered are free from patent and latent defects and all the conditions imposed under this Contract have been fully met.

- 17.4. The Procuring Entity shall promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall, within the period specified in the <u>SCC</u> and with all reasonable speed, repair or replace the defective Goods or parts thereof, without cost to the Procuring Entity.
- 17.5. If the Supplier, having been notified, fails to remedy the defect(s) within the period specified in **GCC** Clause 17.4, the Procuring Entity may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Procuring Entity may have against the Supplier under the Contract and under the applicable law.

18. Delays in the Supplier's Performance

18.1. Delivery of the Goods and/or performance of Services shall be made by the Supplier in accordance with the time schedule prescribed by the Procuring Entity in Section VI, Schedule of Requirements.

48

- 18.2. If at any time during the performance of this Contract, the Supplier or its Subcontractor(s) should encounter conditions impeding timely delivery of the Goods and/or performance of Services, the Supplier shall promptly notify the Procuring Entity in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, and upon causes provided for under GCC Clause 22, the Procuring Entity shall evaluate the situation and may extend the Supplier's time for performance, in which case the extension shall be ratified by the parties by amendment of Contract.
- 18.3. Except as provided under GCC Clause 22, a delay by the Supplier in the performance of its obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 19, unless an extension of time is agreed upon pursuant to GCC Clause 29 without the application of liquidated damages.

19. Liquidated Damages

Subject to **GCC** Clauses 18 and 22, if the Supplier fails to satisfactorily deliver any or all of the Goods and/or to perform the Services within the period(s) specified in this Contract inclusive of duly granted time extensions if any, the Procuring Entity shall, without prejudice to its other remedies under this Contract and under the applicable law, deduct from the Contract Price, as liquidated damages, the applicable rate of one tenth (1/10) of one (1) percent of the cost of the unperformed portion for every day of delay until actual delivery or performance. Once the amount of liquidated damages reaches ten percent (10%), the Procuring Entity may rescind or terminate the Contract pursuant to **GCC** Clause 23, without prejudice to other courses of action and remedies open to it.

20. Settlement of Disputes

- 20.1. If any dispute or difference of any kind whatsoever shall arise between the Procuring Entity and the Supplier in connection with or arising out of this Contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.
- 20.2. If after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Procuring Entity or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given.
- 20.3. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be settled by arbitration. Arbitration may be commenced prior to or after delivery of the Goods under this Contract.
- 20.4. In the case of a dispute between the Procuring Entity and the Supplier, the dispute shall be resolved in accordance with Republic Act 9285 ("R.A. 9285"), otherwise known as the "Alternative Dispute Resolution Act of 2004."
- 20.5. Notwithstanding any reference to arbitration herein, the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and the Procuring Entity shall pay the Supplier any monies due the Supplier.

21. Liability of the Supplier

21.1. The Supplier's liability under this Contract shall be as provided by the laws of the Republic of the Philippines, subject to additional provisions, if any, set forth in the <u>SCC</u>.

48

21.2. Except in cases of criminal negligence or willful misconduct, and in the case of infringement of patent rights, if applicable, the aggregate liability of the Supplier to the Procuring Entity shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

22. Force Majeure

- 22.1. The Supplier shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that the Supplier's delay in performance or other failure to perform its obligations under the Contract is the result of a *force majeure*.
- 22.2. For purposes of this Contract the terms "force majeure" and "fortuitous event" may be used interchangeably. In this regard, a fortuitous event or force majeure shall be interpreted to mean an event which the Supplier could not have foreseen, or which though foreseen, was inevitable. It shall not include ordinary unfavorable weather conditions; and any other cause the effects of which could have been avoided with the exercise of reasonable diligence by the Supplier. Such events may include, but not limited to, acts of the Procuring Entity in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
- 22.3. If a *force majeure* situation arises, the Supplier shall promptly notify the Procuring Entity in writing of such condition and the cause thereof. Unless otherwise directed by the Procuring Entity in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the *force majeure*.

23. Termination for Default

- 23.1. The Procuring Entity may rescind or terminate a contract for default, without prejudice to other courses of action and remedies available under the circumstances when, outside of force majeure, the Supplier fails to deliver or perform any or all of the Goods within the period(s) specified in the contract, or within any extension thereof granted by the Procuring Entity pursuant to a request made by the Supplier prior to the delay, and such failure amounts to at least ten percent (10%) of the contract price;
- 23.2. The Procuring Entity may terminate the contract when, as a result of force majeure, the Supplier is unable to deliver or perform any or all of the Goods, amounting to at least ten percent (10%) of the contract price, for a period of not less than sixty (60) calendar days after receipt of the notice from the Procuring Entity stating that the circumstance of force majeure is deemed to have ceased;
- 23.3. The Procuring Entity shall terminate the contract when the Supplier fails to perform any other obligation under the Contract.
- 23.4. In the event the Procuring Entity terminates this Contract in whole or in part, for any of the reasons provided under GCC Clauses 23 to 26, the Procuring Entity may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Procuring Entity for any excess costs for such similar Goods or Services. However, the Supplier shall continue performance of this Contract to the extent not terminated.

23.5. In case the delay in the delivery of the Goods and/or performance of the Services exceeds a time duration equivalent to ten percent (10%) of the specified contract time plus any time extension duly granted to the Supplier, the Procuring Entity may terminate this Contract, forfeit the Supplier's performance security and award the same to a qualified Supplier.

24. Termination for Insolvency

The Procuring Entity shall terminate this Contract if the Supplier is declared bankrupt or insolvent as determined with finality by a court of competent jurisdiction. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Procuring Entity and/or the Supplier.

25. Termination for Convenience

- 25.1. The Procuring Entity may terminate this Contract, in whole or in part, at any time for its convenience. The HoPE may terminate a contract for the convenience of the Government if he has determined the existence of conditions that make Project Implementation economically, financially or technically impractical and/or unnecessary, such as, but not limited to, fortuitous event(s) or changes in law and national government policies.
- 25.2. The Goods that have been delivered and/or performed or are ready for delivery or performance within thirty (30) calendar days after the Supplier's receipt of Notice to Terminate shall be accepted by the Procuring Entity at the contract terms and prices. For Goods not yet performed and/or ready for delivery, the Procuring Entity may elect:
 - (a) to have any portion delivered and/or performed and paid at the contract terms and prices; and/or
 - (b) to cancel the remainder and pay to the Supplier an agreed amount for partially completed and/or performed goods and for materials and parts previously procured by the Supplier.
- 25.3. If the Supplier suffers loss in its initial performance of the terminated contract, such as purchase of raw materials for goods specially manufactured for the Procuring Entity which cannot be sold in open market, it shall be allowed to recover partially from this Contract, on a *quantum meruit* basis. Before recovery may be made, the fact of loss must be established under oath by the Supplier to the satisfaction of the Procuring Entity before recovery may be made.

26. Termination for Unlawful Acts

- 26.1. The Procuring Entity may terminate this Contract in case it is determined *prima facie* that the Supplier has engaged, before or during the implementation of this Contract, in unlawful deeds and behaviors relative to contract acquisition and implementation. Unlawful acts include, but are not limited to, the following:
 - (a) Corrupt, fraudulent, and coercive practices as defined in **ITB** Clause 3.1(a);
 - (b) Drawing up or using forged documents;
 - (c) Using adulterated materials, means or methods, or engaging in production contrary to rules of science or the trade; and
 - (d) Any other act analogous to the foregoing.

48

27. Procedures for Termination of Contracts

- 27.1. The following provisions shall govern the procedures for termination of this Contract:
 - (a) Upon receipt of a written report of acts or causes which may constitute ground(s) for termination as aforementioned, or upon its own initiative, the Implementing Unit shall, within a period of seven (7) calendar days, verify the existence of such ground(s) and cause the execution of a Verified Report, with all relevant evidence attached;
 - (b) Upon recommendation by the Implementing Unit, the HoPE shall terminate this Contract only by a written notice to the Supplier conveying the termination of this Contract. The notice shall state:
 - that this Contract is being terminated for any of the ground(s) aforementioned, and a statement of the acts that constitute the ground(s) constituting the same;
 - (ii) the extent of termination, whether in whole or in part;
 - (iii) an instruction to the Supplier to show cause as to why this Contract should not be terminated; and
 - (iv) special instructions of the Procuring Entity, if any.
 - (c) The Notice to Terminate shall be accompanied by a copy of the Verified Report;
 - (d) Within a period of seven (7) calendar days from receipt of the Notice of Termination, the Supplier shall submit to the HoPE a verified position paper stating why this Contract should not be terminated.

If the Supplier fails to show cause after the lapse of the seven (7) day period, either by inaction or by default, the HoPE shall issue an order terminating this Contract;

- (e) The Procuring Entity may, at any time before receipt of the Supplier's verified position paper described in item (d) above withdraw the Notice to Terminate if it is determined that certain items or works subject of the notice had been completed, delivered, or performed before the Supplier's receipt of the notice;
- (f) Within a non-extendible period of ten (10) calendar days from receipt of the verified position paper, the HoPE shall decide whether or not to terminate this Contract. It shall serve a written notice to the Supplier of its decision and, unless otherwise provided, this Contract is deemed terminated from receipt of the Supplier of the notice of decision. The termination shall only be based on the ground(s) stated in the Notice to Terminate;
- (g) The HoPE may create a Contract Termination Review Committee (CTRC) to assist him in the discharge of this function. All decisions recommended by the CTRC shall be subject to the approval of the HoPE; and
- (h) The Supplier must serve a written notice to the Procuring Entity of its intention to terminate the contract at least thirty (30) calendar days before its intended termination. The Contract is deemed terminated if it is not resumed in thirty (30) calendar days after the receipt of such notice by the Procuring Entity.

48

28. Assignment of Rights

The Supplier shall not assign his rights or obligations under this Contract, in whole or in part, except with the Procuring Entity's prior written consent.

29. Contract Amendment

Subject to applicable laws, no variation in or modification of the terms of this Contract shall be made except by written amendment signed by the parties.

30. Application

These General Conditions shall apply to the extent that they are not superseded by provisions of other parts of this Contract.

48

	-	reposes of this Clause the Procuring Entity's Representative at the Project <i>EFMD's Designated Project–in-Charge</i> .								
	Incide	ental Services –								
		upplier is required to provide all of the following services, including onal services, if any, specified in Section VI, Schedule of Requirements:								

(a)	performance or supervision of on-site assembly and/or start-up of the supplied Goods;
(b)	furnishing of tools required for assembly and/or maintenance of the supplied Goods;
(c)	furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied Goods;
(d)	performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and
Suppli	Contract price for the Goods shall include the prices charged by the er for incidental services and shall not exceed the prevailing rates charged er parties by the Supplier for similar services.
Spare	Parts –
	applier is required to provide all of the following materials, notifications, formation pertaining to spare parts manufactured or distributed by the er:
(a)	such spare parts as the Procuring Entity may elect to purchase from the Supplier, provided that this election shall not relieve the Supplier of any warranty obligations under this Contract; and
(b)	in the event of termination of production of the spare parts:
	i. advance notification to the Procuring Entity of the pending termination, in sufficient time to permit the Procuring Entity to procure needed requirements; and
	ii. following such termination, furnishing at no cost to the Procuring Entity, the blueprints, drawings, and specifications of the spare parts, if requested.
-	pare parts required are listed in Section VI, Schedule of Requirements and st thereof are included in the Contract Price
consu	upplier shall carry sufficient inventories to assure ex-stock supply of mable spares for the Goods for a period of <i>thirty (30) calendar days</i> and <i>applicable warranty period as stipulated in the GCC 17.3</i> .
	spare parts and components shall be supplied as promptly as possible, but case within two (2) months of placing the order.
Packa	ging –
their of indicat without temper case s remote	applier shall provide such packaging of the Goods as is required to prevent damage or deterioration during transit to their final destination, as ted in this Contract. The packaging shall be sufficient to withstand, at limitation, rough handling during transit and exposure to extreme ratures, salt and precipitation during transit, and open storage. Packaging ize and weights shall take into consideration, where appropriate, the eness of the GOODS' final destination and the absence of heavy handling es at all points in transit.

The packaging, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified below, and in any subsequent instructions ordered by the Procuring Entity.

The outer packaging must be clearly marked on at least four (4) sides as follows:

Name of the Procuring Entity

Name of the Supplier

Contract Description

Final Destination

Gross weight

Any special lifting instructions

Any special handling instructions

Any relevant HAZCHEM classifications

A packaging list identifying the contents and quantities of the package is to be placed on an accessible point of the outer packaging if practical. If not practical the packaging list is to be placed inside the outer packaging but outside the secondary packaging.

Insurance –

The Goods supplied under this Contract shall be fully insured by the Supplier in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery. The Goods remain at the risk and title of the Supplier until their final acceptance by the Procuring Entity.

Transportation -

Where the Supplier is required under Contract to deliver the Goods CIF, CIP or DDP, transport of the Goods to the port of destination or such other named place of destination in the Philippines, as shall be specified in this Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.

Where the Supplier is required under this Contract to transport the Goods to a specified place of destination within the Philippines, defined as the Project Site, transport to such place of destination in the Philippines, including insurance and storage, as shall be specified in this Contract, shall be arranged by the Supplier, and related costs shall be included in the Contract Price.

Where the Supplier is required under Contract to deliver the Goods CIF, CIP or DDP, Goods are to be transported on carriers of Philippine registry. In the event that no carrier of Philippine registry is available, Goods may be shipped by a carrier which is not of Philippine registry provided that the Supplier obtains and presents to the Procuring Entity certification to this effect from the nearest Philippine registry are available but their schedule delays the Supplier in its performance of this Contract the period from when the Goods were first ready for shipment and the actual date of shipment the period of delay will be considered *force majeure* in accordance with GCC Clause 22.

48

	1
	The Procuring Entity accepts no liability for the damage of Goods during transit other than those prescribed by INCOTERMS for DDP Deliveries. In the case of Goods supplied from within the Philippines or supplied by domestic Suppliers risk and title will not be deemed to have passed to the Procuring Entity until their receipt and final acceptance at the final destination.
	Patent Rights –
	The Supplier shall indemnify the Procuring Entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof.
	Compliance with SS Law –
	The Winning Supplier shall report all its employees to SSS for coverage and their contribution, as well as, all amortization for salary/education/calamity and other SSS loans shall be updated. Failure to comply during contract award or implementation shall be a ground for cancellation/termination of the contract.
10.1	The terms of payment shall be as follows:
	Payment shall be made upon 100% completion of the supply, delivery and installation of Equipment per lot as certified by the Procuring Entity's Representative.
	Full payment shall be upon:
	1. 100% delivery and completion;
	2. Testing and inspection of the units;
	 Submission of complete documents (Delivery Receipts, Sales Invoice, As-built plans (if necessary or required by the project – in – charge), Operation Manuals, Brochures, and start-up test results and other documents required in the project; and
	4. Issuance of Certificate of Completion and Acceptance by the implementing unit.
10.3	The payment shall be subject to retention of Witholding Tax and other applicable taxes in accordance with existing Laws and BIR Rules and Regulations, to be remitted directly to the BIR by the SSS.
10.4	Not applicable.
10.5	Payment using LC is not allowed.
11.3	Maintain the GCC Clause.
13.4(c)	No further instructions.
16.1	None.
0	Warranty Period for all brand new air-conditioning units is five (5) years for compressor and one (1) year for other parts and services. QUARTERLY service and maintenance shall be undertaken by the winning bidder within the warranty period.
17.4	Correction of defects in the warranty period shall be done <u>within three (3)</u> <u>days</u> after notification of defect was first communicated (verbally or in writing) by SSS to the Supplier.

21.1	1.	consent of the other, disclose or make available to any person, make public, or use directly or indirectly, except for the performance and implementation of the works, any confidential information, acquired from an information holder in connection with the performance of this Contract, unless: (i) the information is known to the disclosing party, as evidenced by its written records, prior to obtaining the same from the information holder and is not otherwise subject to disclosure restrictions on the disclosing party, (ii) the information is disclosed to the disclosing party by a third party who did not receive the same, directly or indirectly, from an information holder, and who has no obligation of secrecy with respect thereto, or (iii) required to be disclosed by law.
		The obligation of confidentiality by both parties, as provided herein, shall survive the termination of the contract.
	2.	MERGER AND CONSOLIDATION. In case of merger, consolidation or change of ownership of the Winning Bidder with other company, it is the responsibility of the surviving company/consolidated company/acquiring entity to inform SSS of the change in corporate structure/ownership. Failure to do so shall translate in such company assuming all liabilities of the acquired/merged company under the contract.
	3.	FORCE MAJEURE. Neither party shall be liable for any delay or failure to perform its obligations pursuant to the Contract if such delay is due to force majeure.
		Force Majeure shall mean events beyond the control of and affecting either party which cannot be foreseen or if foreseeable cannot be either prevented nor avoided despite the exercise of due diligence.
	4.	NON-ASSIGNMENT. Neither party may assign the Contract in whole or in part without the consent of the other party.
		The Winning Bidder shall not subcontract in whole or in part the project and deliverables subject of the Contract without the written consent of SSS.
	5.	WAIVER. Failure by either party to insist upon the other strict performance of any of the terms and conditions hereof shall not be deemed a relinquishment or waiver of any subsequent breach or default of the terms and conditions hereof, which can only be deemed made if expressed in writing and signed by its duly authorized representative. No such waiver shall be construed as modification of any of the provisions of the Agreement or as a waiver of any past or future default or breach hereof, except as expressly stated in such waiver.
	6.	CUMULATIVE REMEDIES. Any and all remedies granted to the parties under the applicable laws and the Contract shall be deemed cumulative and may therefore, at the sole option and discretion, be availed of by the aggrieved party simultaneously, successively, or independently.
	7.	NO EMPLOYER-EMPLOYEE RELATIONSHIP. It is expressly and manifestly understood and agreed upon that the employees of Winning Bidder assigned to perform the project are not employees of SSS. Neither is there an employer-employee relationship between SSS and Winning Bidder.

The Contract does not create an employer-employee relationship between SSS and the Winning Bidder including its personnel; that the services rendered by the personnel assigned by Winning Bidder to SSS in the performance of its obligation under the contract do not represent government service and will not be credited as such; that its personnel assigned to SSS are not entitled to benefits enjoyed by SSS' officials and employees such as Personal Economic Relief Allowance (PERA), Representation and Transportation Allowance (RATA), ACA, etc.; that these personnel are not related within the third degree of consanguinity or affinity to the contracting officer and appointing authority of SSS; that they have not been previously dismissed from the government service by reason of an administrative case; that they have not reached the compulsory retirement age of sixty-five (65); and that they possess the education, experience and skills required to perform the job. The Winning Bidder hereby acknowledges that no authority has been given by SSS to hire any person as an employee of the latter. Any instruction given by SSS or any of its personnel to Winning Bidder's employees are to be construed merely as a measure taken by the former to ensure and enhance the quality of project performed hereunder. Winning Bidder shall, at all times, exercise supervision and control over its employees in the performance of its obligations under the contract.

- 8. PARTNERSHIP. Nothing in the contract shall constitute a partnership between the parties. No party or its agents or employees shall be deemed to be the agent, employee or representative of any other party.
- 9. COMPLIANCE WITH SS LAW. The Winning Bidder shall report all its employees to SSS for coverage and their contributions, as well as, all amortizations for salary/education/calamity and other SSS loans shall be updated.

Should Winning Bidder fail to comply with its obligations under the provisions of the SS Law and Employees' Compensation Act, SSS shall have the authority to deduct any unpaid SS and EC contributions, salary, educational, emergency and/or calamity loan amortizations, employer's liability for damages, including interests and penalties from Winning Bidder's receivables under this Agreement.

Further, prescription does not run against SSS for its failure to demand SS contributions or payments from Winning Bidder. Moreover, Winning Bidder shall forever hold in trust SS contributions or payments of its employees until the same is fully remitted to SSS.

10. COMPLIANCE WITH LABOR LAWS. The Winning Bidder, as employer of the personnel assigned to undertake the project, shall comply with all its obligations under existing laws and their implementing rules and regulations on the payment of minimum wage, overtime pay, and other labor-related benefits as well as remittances or payment of the appropriate amount or contributions/payment (SSS, EC, Pag-IBIG, PhilHealth and taxes) with concerned government agencies/offices. It is agreed further that prior to the release of any payment by SSS to Winning Bidder, its President, or its duly authorized representative, shall submit a sworn statement that all monies due to all its employees assigned to the project as well as benefits by law and other related labor legislation have been paid by Winning Bidder and that he/she assumed full responsibility thereof.

48

11. COMPLIANCE WITH TAX LAWS. The Winning Bidder shall, in compliance with tax laws, pay the applicable taxes in full and on time and shall regularly present to SSS within the duration of the Contract, tax clearance from the Bureau of Internal Revenue (BIR) as well as copy of its income and business tax returns duly stamped by the BIR and duly validated with the tax payments made thereon. Failure by Winning Bidder to comply with the foregoing shall entitle SSS to suspend payment of the Contract Price.
12. SETTLEMENT OF DISPUTES. All actions and controversies that may arise from the Contract involving but not limited to demands for specific performance of the obligations as specified herein and/or in the interpretation of any provisions or clauses contained herein, shall, in the first instance, be settled within thirty (30) calendar days through amicable means, such as, but not limited to mutual discussion. Should the dispute remain unresolved by the end of the aforementioned period, the dispute shall be settled in accordance with applicable provisions of Republic Act No. 9285, otherwise known as the Alternative Dispute Resolution Act of 2004.
13. GOVERNING LAW. The contract shall be governed by and interpreted according to the laws of the Republic of the Philippines.
14. AMENDMENTS. The contract may be amended only in writing and executed by the parties or their duly authorized representatives.
15. SEPARABILITY. If any one or more of the provisions contained in the contract or any document executed in connection herewith shall be invalid, illegal or unenforceable in any respect under any applicable law, then: (i) the validity, legality and enforceability of the remaining provisions contained herein or therein shall not in any way be affected or impaired and shall remain in full force and effect; and (ii) the invalid, illegal or unenforceable provision shall be replaced by the parties immediately with a term or provision that is valid, legal and enforceable and that comes closest to expressing the intention of such invalid illegal or unenforceable term of provision.
16. VENUE OF ACTION. Any suit or proceeding arising out of relating to the contract shall be instituted in the appropriate court in Quezon City, parties hereto waiving any other venue.
17. BINDING EFFECT. The contract shall be binding upon the parties hereto, their assignee/s and successor/s-in-interest.
18. NON-PUBLICITY. No press release in oral, written or electronic form shall be issued covering this transaction without prior written approval of SSS. Inclusion in any reference lit shall also be undertaken only upon prior written approval of SSS.

Section VI. Schedule of Requirements

The delivery schedule expressed as weeks/months stipulates hereafter a delivery date which is the date of delivery to the project sites.

<u>LOT 1</u> : Supply, Delivery and Installation of Twenty - Nine (29) Air-Conditioning Units for Luzon South 1 & South 2, Luzon Bicol Divisions and Branches

Items	Descriptions	Qty	Unit	Delivery (Days)
	7.5TR Floor Mounted Split-type	3		
	5TR/6HP Floor Mounted Inverter Split-type (can offer unit with capacity of 5TR or 6HP)	7		
1	3TR/4HP Floor Mounted Inverter Split-type (can offer unit with capacity of 3TR or 4HP)	9	lot	45 days
	2.5HP Wall Mounted Inverter Split-type	5		
	2HP Wall Mounted Inverter Split-type	1		
	2HP Window Type Inverter RAC	4		
2	Mechanical Works – Supply & Installation of copper tubes, refrigerant, drainage pipes, supports & hangers. Fabrication of Steel frames & other related works.	1	lot	21 days
3	Electrical Works – Supply & Installation of power supply for the A/C units & other related works;	1	lot	15 days
4	Testing and Commissioning;	1	lot	6 days
5	Submission of As-Built Plans & turn-over of required documents and certification for final acceptance.	1	lot	3 days
				90 Calendar Days

Location : Luzon South 1 & South 2, Luzon Bicol Divisions and Branches

NOTES:

- The total number of days to complete the project shall not exceed 90 calendar days from receipt of approved Job Order (JO) and Notice to Proceed (NTP).
- Above schedule of requirement per item of work maybe revised based on the contractor's proprietary design and approach, however, total number of calendar days shall not exceed 90 calendar days as stated earlier.

Section VII. Technical Specifications

Bidders must state in the Statement of Compliance below either "Comply" or "Not Comply" against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of "Comply" or "Not Comply" must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidders statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the provisions of **ITB** Clause 3.1(a)(ii) and/or **GCC** Clause 2.1(a)(ii).

<u>LOT 1</u> : Supply, Delivery and Installation of Twenty - Nine (29) Air-Conditioning Units for Luzon South 1 & South 2, Luzon Bicol Divisions and Branches

ITEM NO.	SPECIFICATION	STATEMENT OF COMPLIANCE
A. Mechanical Works and Ed	quipment	
	l be done in accordance with the Standal specification and workmanship execution.	dard Manufacturer's
1. Mechanical Equipment		
a) 7.5TR Floor Mounted Split-type	Floor Mounted, Split Type AC Minimum Cooling Capacity: 90000 BTU/Hr Refrigerant: R – 410a Power Consumption: 7.50 – 8.00 kW Electrical Data: 230V, Three Phase, 60Hz Can accommodate 40 meters piping length Compressor Warranty: Five (5) years	
 b) 5TR/6HP Floor Mounted Inverter Split-type (can offer unit with capacity of 5TR or 6HP) 	Floor Mounted, Inverter, Split Type AC Rated Cooling Capacity: 14.0kW (21200 – 52900 BTU/Hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 5.6 - 5.8 kW Electrical Data: 230V, 1 or 3 Phase, 60Hz Max Sound Pressure Level (Low): 48 dB(A) COP (EER): 2.4 (15.4 – 11.3 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
c) 3TR/4HP Floor Mounted Inverter Split-type (can offer unit with capacity of 3TR or 4HP)	Floor Mounted, Inverter, Split Type AC Rated Cooling Capacity: 10.0kW (17100 – 38200 BTU/Hr) (36000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 3.4 - 3.5 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 46 dB(A) COP (EER): 2.7 (19.3 – 11.03 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	

48

d) 2.5HP Wall Mounted Inverter Split-type	Wall Mounted, Inverter, Split Type AC Rated Cooling Capacity: 6.0kW (6500 – 23900 BTU/Hr) (22000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 1.5 - 1.6 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 32 dB(A) COP (EER): 3.8 (19.3 – 11.03 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
e) 2HP Wall Mounted Inverter Split-type	Wall Mounted, Inverter, Split Type AC Rated Cooling Capacity: 5.0kW (5800 – 20500 BTU/Hr) (18000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 1.20 – 1.40 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 31 dB(A) COP (EER): 4.0 (13.0 – 10.5 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
f) 2HP Window Type Inverter RAC	Window Type, Inverter Room AC, with wireless remote control / soft panel Cooling Capacity: 7600 - 20000 kJ/hr (18000 BTU/hr minimum) Refrigerant: R – 410a or R – 32 Power Consumption: 1.50 – 1.60 kW Max Sound Pressure Level (Low): 53 dB(A) EER: 10.7 – 12.4 kJ/h-watt Electrical Data: 220V, single phase, 60Hz Compressor Warranty: Five (5) years	
2. Pipes and Fittings		
Refer to manufacturer's recommendations for pipes and fittings size requirement	Hard-drawn Copper Tube for all Split-type air-conditioning system	
3. Pipe Insulation		
Rubber Insulation to all suction and discharge lines	25mmØ Thick	
4. Piping accessories and consumable materials		
a. Insulation Tape b. Contact cement c. Welding works	White tape size 4" Rugby Oxy-acetylene and Silfus Rod	
5. Drainage System		
PVC pipe and fittings	1" diameter (minimum), shall be provided with clean-out for maintenance purposes	
6. Mounting Platform,		
Hangers and Supports	Angle her 2^{22} w 2^{22} = $1/0^{22}$ third	
a. Mounting Platform b. Hangers and Supports	Angle bar, 2" x 2" x 1/8" thick Shall be installed 6feet apart (minimum)	

B. Electrical Works		
1. Conduits & Fittings		
a. 1/2inØ, 3/4inØ	PVC Conduit for wiring connections from FCU to ACCU	
b. 1/2inØ, 3/4inØ	Liquid Tight Flexible Conduit, for wiring connections from ACCU wiring port to ECB	
2. Boxes/Gutters with cover	Steel Sheet Gage No. 16	
3. Wires/ Cables		
a. 2.0mm ² , 3.5mm ² , 5.5mm ² , 8.0mm ² , 14.0mm ² b. Royal Cord, 4-core, #14	THHN/ THWN stranded wire PVC insulated, nylon jacketed, Moisture and Heat Resistant, 600V, 90°C max. operating temperature, Lead-free	
4. Circuit Breakers/ Panel		
a. Enclosed Circuit Breaker	For 7.5TR: 60A, 3P, 230V, 60Hz, 20kAIC, Bolt-on, Industrial type, Surface Mounted, NEMA3R Enclosure For 5TR/6HP: 50A, 2P or 3P, 230V, 60Hz, 20kAIC, Bolt-on, Industrial type, Surface Mounted, NEMA3R Enclosure	
	 For 3TR/4HP: 40A, 2P, 230V, 60Hz, 20kAIC, Bolt-on, Industrial type, Surface Mounted, NEMA3R Enclosure For 2.5HP and 2HP: 30A, 2P, 230V, 60Hz, 20kAIC, Bolt-on, Industrial type, Surface Mounted, NEMA3R Enclosure 	
b. Circuit Breakers (refer to existing DP)	For 3TR/4HP: 40A, 2P, 230V, 60Hz, 10kAIC, Bolt-on type For 2.5HP and 2HP: 30A, 2P, 230V, 60Hz, 10kAIC, Bolt-on type	

GENERAL CONDITIONS

The work to be done consists of "Supply, Delivery and Installation of Twenty - Nine (29) Air-Conditioning Units for Luzon South 1 & South 2, Luzon Bicol Divisions and Branches" complete in all details, of the Electrical and Mechanical Works, at the subject premises, and all work and materials incidental to the proper completion of the mechanical work. All works shall be in accordance with the governing Codes and Regulations and with the Specifications, except where the same shall conflict with such Codes, etc., which shall then govern. The requirements in regard to materials and workmanship specify the required standards for the furnishing of all labor, materials, and appliances necessary for the complete installation of the work specified herein and indicated on the drawings. These specifications are intended to provide a broad outline of the required services, but are not limited to include all details of design and construction.

In case of deviation of the given design specification and modifications and correction shall be at the look out of the contractor to make the necessary adjustment such that the desired cooling requirement can be delivered in order to attain the sufficient provision of air-conditioning system to cool the area and satisfy the operation.

48

A. MECHANICAL

- 1. All Indoor and Outdoor Units and its refrigerant and electrical lines shall be installed in accordance with the manufacturer's recommendations.
- 2. All refrigerant line installations shall be properly welded and secured against leaks and shall be also provided with insulators, appropriate rigid supports to secure the equipment against movement that may cause any from damages to its supporting components/ parts and equipment itself.
- 3. All necessary accessories shall be provided to system installations to ensure safe and proper operation of the equipment.
- 4. All suction and discharge lines shall be insulated with Rubber Insulation Size 25mm minimum thickness.
- 5. Provision of Rubber Insulation with polyethylene tape for all piping lines.
- 6. Connect Air-conditioning Unit drains to the nearest floor drain with 25mm dia. minimum size or install new floor drain line connections, if necessary.
- 7. Provision of Rubber Insulation pad to the mounting of the equipment/ unit to minimize and eliminate vibrations.
- 8. See to it that the piping layout is free from any rub-through or chaffing.

B. ELECTRICAL

- 1. All electrical materials shall be approved type and application.
- 2. All electrical materials shall be in accordance with the plan and specification and in compliance in accordance with the latest edition of the Philippine Electrical Code (PEC) and applicable Local Codes/ Regulations/ Laws.
- 3. All roughing-in layout shall be PVC Conduit.
- 4. Roughing-in layout above ceiling shall be concealed with PVC.
- 5. All electrical pipe-fittings and insulation shall be provided with appropriate lock nut and bushing and appropriate supports with standards intervals.
- 6. Feeder and sub-feeder wiring shall be provided with adequate wire marker. Panels shall be provided with directory.
- 7. Testing, commissioning and proper documentations shall be made prior to turn-over of the completed project.

SCOPE OF WORK

A. MECHANICAL

- 1. All works shall be properly coordinated with the EFMD or with SSS Representative/s.
- 2. Any works and materials specification changes shall be discussed prior to the approval of EFMD or SSS Representative/s.
- 3. Dismantling of all air-conditioning units to be replaced and hauling to the designated areas of authorized SSS Representatives.
- 4. Supply, delivery and installation of **three (3)** 7.5TR Floor Mounted Split-type AC unit at the following areas in Luzon Bicol Division at Naga Building and Naga Branch:
 - Administrative and General Accounting Section
 - Luzon Bicol Legal Department
 - MSS Seating and PACD Area
- 5. Supply, delivery and installation of **Seven (7)** 5TR Floor Mounted Split-type Inverter AC at the following locations:
 - e Center at Ground Floor of Naga Branch
 - ID Capture Area at Ground Floor of Calamba Branch
 - MSS at Second Floor of Lucena Branch
 - PE Center Hallway at Ground Floor of Lucena Branch
 - Tellering Section at Ground Floor of Lucena Branch
 - Info Kiosk at Ground Floor of Lucena Branch
 - MSS and PACD at Ground Floor of Lucena Branch

48

- 6. Supply, delivery and installation of **Nine (9)** 3TR Floor Mounted Split-type Inverter AC at the following locations:
 - PACD Area at Ground Floor of Legazpi Branch
 - Tellering Section at Second Floor of Legazpi Branch
 - Luzon South 1 Legal Department at San Pablo Building
 - AMS at Second Floor of Calamba Branch
 - MSS at Ground Floor of Infanta Branch
 - MSS at Ground Floor of Lucena Branch
 - ABH Area at Ground Floor of Lucena Branch
 - AMS at Second Floor of Lucena Branch
 - MSS at Second Floor of Lucena Branch
- 7. Supply, delivery and installation of **Five (5)** 2.5HP Wall Mounted Split-type Inverter AC at the following locations:
 - Office of the PC Head, San Pablo at San Pablo Building
 - San Pablo PC Conference Room at San Pablo Building
 - Office of the Branch Head at Calamba Branch
 - PE Center at Ground Floor of Lucena Branch
 - Office of the Division Head, Luzon South 2 Division
- 8. Supply, delivery and installation of **One (1)** 2HP Wall Mounted Split-type Inverter AC at Office of the Division Head, Luzon South 1 in San Pablo Building.
- 9. Supply, delivery and installation of **Four** (4) 2HP Window-type Room AC at the following locations:
 - Records Room of OVP, Luzon South 1 at San Pablo Building
 - UPS Room of Calamba Branch
 - Tellering Section Lobby of Iriga Branch
 - Labo Service Office of Daet Branch
- 10. The ACCU and FCU shall be properly installed on a steel pedestal/platform base complete with vibration isolating medium like neoprene rubber pad.
- 11. Supply and installation of brand new refrigerant pipes, rubber insulation, suitable valves and fittings, rigid supports and other standard accessories essential to the piping system.
- 12. Thoroughly flush and purge the system using refrigerant flushing agents appropriate for the desired application. Leak testing the refrigerant piping system as recommended by the manufacturer.
- 13. The refrigerant system must be applied with pressure (-) 30mm Hg before charging it with refrigerant per manufacturer's instruction.
- 14. Final charging of the refrigerant must be applied to the system up to 250psig at high side and 60psig at low side or as manufacturer's recommendation.
- 15. Pipe runs shall be supported with rigid supports every two (2) meter interval (minimum) with appropriate brackets, rubber bushing and hangers, suitable for the installation and anchored with U-bolt fittings.
- 16. Replacement of exposed drain lines from the Fan Coil Units and shall be tapped to the existing drain lines. De-clogging shall be done to eliminate foreign objects in the existing drain lines. For brand new units, drain lines to be installed shall be embedded and shall be with independent discharge headers dedicated for air-con drain only. Brand new drain lines may be tapped to the nearest rain drainage system. All drain system shall be equipped with appropriate clean-out and fittings, rigidly anchored with independent hangers and supports.
- 17. Supply and installation of other essential, miscellaneous and incidental materials to complete the project.
- 18. All areas affected during implementation of the project by chipping, dismantling works and other related activities shall be restored to original aesthetic condition at the owner's satisfaction and to the sole account of the contractor.
- 19. Tools, testing equipment and instruction manuals and reference materials shall be provided prior to the proper Testing and Commissioning of the completed system. Test result shall be submitted to the Building Owner Representative.

48

- 20. The supplier shall be responsible for repairs, periodic maintenance including semi annual cleaning and servicing, check up of the supplied A/C units for the entire duration of the warranty period.
- 21. Preparation and submission of Delivery Receipts, Sales Invoice, Original JO/ PO, Asbuilt plans (if necessary or required by the project in charge), Operation Manuals, Brochures, and the start-up test result and other documents required in the project.

B. <u>ELECTRICAL</u>

- 1. All works shall be properly coordinated with EFMD or SSS representative/s.
- 2. Supply and installation of the new feeder line from Air-Cooled Condensing Units (ACCU) to Air-con Power Panel for proposed units and from Enclosed Circuit Breakers (ECB) to ACCU for replacement units.
- 3. Supply and installation of wiring and roughing-ins for power circuits and corresponding field wiring and controls from indoor to outdoor units including its controller switch for all units.
- 4. Supply and installation of brand new ECB's and circuit breakers (CB) for the following:
 - ECB for three (3) 7.5TR AC units
 - ECB for seven (7) 6HP/5TR AC units
 - Nine (9) ECB's and three (3) CB's for 4HP/3TR AC units
 - Five (5) ECB's and two (2) CB's for 2.5HP AC units
 - ECB for one (1) 2HP AC unit
- 5. Use Liquid Tight Flexible conduit with appropriate wiring, fittings and supports from ECB towards the ACCU terminal/tapping lines.
- 6. Electrical panels/enclosures, conduits, boxes shall be designed according to its intended design/purpose and application with appropriate supports and fittings and shall be rigidly secured using appropriate materials. Panel directory shall be properly labeled.
- 7. All areas affected during implementation of the project by chipping, dismantling works and other related activities shall be restored to original condition at the owner's satisfaction and to the sole account of the contractor.
- 8. Perform megger testing of new and old lines to ensure safety against grounding or fault condition and submit test results. Implement rectification or troubleshooting if lines are found faulty.
- 9. All dismantled equipment, materials, refrigerant piping and conduit layout, wiring and other essential accessories shall be properly turn-over to the owner for proper safe keeping or disposition

VISIT TO SITE

The Contractor is required to conduct the site inspection in order for them/him to familiar with the existing local conditions and include all necessary incidental works and materials that will be needed on the completion of the project. The proposal shall include all necessary considerations that may affect in the execution of all works. Subsequent claim(s) on the ground of inadequate or insufficient information shall not be entertained.

- 1. All permits required for this work shall be obtained by and at the expense of the Contractor. The Contractor shall furnish the SSS the certificates of inspection and approval from the proper government authorities after the completion of the work. The Contractor shall prepare all as-built plans and all other paperwork required by the approving authorities.
- 2. After the completion of the project, the contractor shall issue a certification that all the installed electrical facilities are safe to operate. Said document must be duly signed by a registered electrical engineer as mandated by the office of the building official.

48

COORDINATION

The Contractor shall coordinate in every work with all other Contractors to whose apparatus he shall connect part of his work, and also provide in his work connections and facilities for the connection of their work. The Contractor is hereby called upon to prepare such drawings of details of his equipment, location of sleeves, inserts and supports as may be required for the assistance, and the coordination of his work with that of the existing installation. Upon demand, he shall furnish these drawings in adequate numbers for the information to all parties concerned, and shall coordinate the preparation of these drawings by consultation with other trades involved, before submitting them. The approval of such drawings will not relieve Contractor in any way from the responsibility of proper location and coordinating his work with the EMD representative.

MINOR MODIFICATIONS

The plans are diagrammatic and do not necessarily show all fittings, etc., necessary to fit the building conditions. The locations of equipment/apparatus and appliances shown on them are approximate. The Contractor shall be responsible for the proper location in order to made them fit with electrical details and instruction from the SSS at the site.

WORKMANSHIP

The work through shall be executed in the best and most thorough manner under the direction of and to the satisfaction of the Engineers, who will jointly interpret the meaning of the drawings and specifications and shall have the power to reject any work and materials in their judgments, are not in full accordance therewith.

The Contractor shall have on file, for ready access and reference, a set of drawings indicating all work as actually installed incorporating in same all changes and additions. Open the termination of the Contract, he shall prepare set of tracings indication therein the electrical work as actually and finally installed. These drawings shall be turned over to the SSS.

STANDARD OF MATERIALS

- a) All materials shall be new and shall conform with the standards of Underwriter's Laboratories, Inc., ASA, IEEE, NEMA, IPCEA and ASTM in every case where such a standard has been established for the particular type of materials in question.
- b) All materials on all system shall comply with the specifications, unless specifically exempted and all materials where not specified shall be of the best of their respective kind.
- c) Samples of any materials shall be submitted for approval as required by the Owner's Representative.

PROTECTION

Contractor shall effectual protect his own work from damage during and, as may be necessary after the installation; and he shall likewise protect adjoining existing installation from damage resulting from installation of this new electrical work.

CLEANING UP

The Contractor shall remove all dirt, debris, rubbish and waste materials caused by him in the process of his work. He shall also remove all tools, temporary power installation, scaffolding and surplus materials after completion and acceptance of his work.

48

LOT 2 : Supply, Delivery and Installation of Forty - Six (46) Air-Conditioning Units for Luzon Central 1 & Central 2, Luzon North Divisions and Branches

	ITEM NO.	SPECIFICATION	STATEMENT OF COMPLIANCE
A. M	echanical Works and Equ	nipment	
	echanical Works shall be d aterial specification and wo	one in accordance with the Standard Manufactur orkmanship execution.	er's recommendation for
1. Mee	chanical Equipment		
a)	5TR/6HP Floor Mounted Inverter Split- type (can offer unit with capacity of 5TR or 6HP)	Floor Mounted, Inverter, Split Type AC Rated Cooling Capacity: 14.0kW (21200 – 52900 BTU/Hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 5.6 - 5.8 kW Electrical Data: 230V, 1 or 3 Phase, 60Hz Max Sound Pressure Level (Low): 48 dB(A) COP (EER): 2.4 (15.4 – 11.3 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
b)	3TR/4HP Floor Mounted Inverter Split- type (can offer unit with capacity of 3TR or 4HP)	Floor Mounted, Inverter, Split Type AC Rated Cooling Capacity: 10.0kW (17100 – 38200 BTU/Hr) (36000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 3.4 - 3.5 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 46 dB(A) COP (EER): 2.7 (19.3 – 1103 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
c)	3HP/2.5TR Wall Mounted Inverter Split- type (can offer unit with capacity of 2.5TR or 3HP)	Wall Mounted, Inverter, Split Type AC Rated Cooling Capacity: 7.1kW (7200 – 25600 BTU/Hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 2.3 – 2.4 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 33 dB(A) COP (EER): 3.5 (15.3 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
d)	2.5HP Wall Mounted Inverter Split-type	Wall Mounted, Inverter, Split Type AC Rated Cooling Capacity: 6.0kW (6500 – 23900 BTU/Hr) (22000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 1.5 - 1.6 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 32 dB(A) COP (EER): 3.8 (19.3 – 11.03 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	

e) 2HP Wall Mounted Inverter Split-type	Wall Mounted, Inverter, Split Type AC Rated Cooling Capacity: 5.0kW (5800 – 20500 BTU/Hr) (18000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 1.20 – 1.40 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 31 dB(A) COP (EER): 4.0 (13.0 – 10.5 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
f) 2HP Wall Mounted Split-type	Wall Mounted, Split Type AC Minimum Cooling Capacity: 18500 BTU/Hr Refrigerant: R – 410a Power Consumption: 1.60 – 1.70 kW Electrical Data: 230V, Single Phase, 60Hz COP (EER): 3.20 (10.8 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
g) 2HP Window Type Inverter RAC	Window Type, Inverter Room AC, with wireless remote control / soft panel Cooling Capacity: 7500 - 20000 kJ/hr (18000 BTU/hr minimum) Refrigerant: R – 410a or R – 32 Power Consumption: 1590 (605 – 1915) W Max Sound Pressure Level (Low): 53 dB(A) EER: 11.3 (10.7 – 12.4) kJ/h-watt Electrical Data: 220V, single phase, 60Hz Compressor Warranty: Five (5) years	
h) 1HP Window Type Inverter RAC	Window Type, Inverter Room AC, with wireless remote control / soft panel Cooling Capacity: 6500 - 12000 kJ/hr (9000 BTU/hr minimum) Refrigerant: R – 410a or R – 32 Power Consumption: 805 (500 – 1200) W Max Sound Pressure Level (Low): 49 dB(A) EER: 12.4 (12.0 – 13.2) kJ/h-watt Electrical Data: 220V, single phase, 60Hz Compressor Warranty: Five (5) years	
 2. Pipes and Fittings Refer to manufacturer's recommendations for pipes and fittings size requirement 3. Pipe Insulation 	Hard-drawn Copper Tube for all Split-type air-conditioning system	
Rubber Insulation to all suction and discharge lines	25mmØ Thick	
 4. Piping accessories and consumable materials a. Insulation Tape b. Contact cement c. Welding works 5. Drainage System PVC pipe and fittings 	White tape size 4" Rugby Oxy-acetylene and Silfus Rod 1" diameter (minimum), shall be provided with clean-out for maintenance purposes	

 6. Mounting Platform, Hangers and Supports a. Mounting Platform b. Hangers and Supports 	Angle bar, 2" x 2" x 1/8" thick Shall be installed 6feet apart (minimum)	
B. Electrical Works		
1. Conduits & Fittings		
a.) 1/2inØ, 3/4inØ	PVC Conduit for wiring connections from FCU to ACCU	
b.) 1/2inØ, 3/4inØ	Liquid Tight Flexible Conduit, for wiring connections from ACCU wiring port to ECB	
2. Boxes / Gutters with cover	Steel Sheet Gage No. 16	
3. Wires/ Cables	THUN/THWN stronds device DVC in sub-table	
a.) 2.0mm ² , 3.5mm ² , 5.5mm ² , 8.0mm ²	THHN/ THWN stranded wire PVC insulated, nylon jacketed, Moisture and Heat Resistant, 600V, 90°C max. operating temperature,	
b.) Royal Cord, 4-core, #14	Lead-free	
4. Circuit Breakers/ Panel		
a.) Enclosed Circuit Breaker	For 5TR/6HP: 50A, 2P or 3P, 230V, 60Hz, 20kAIC, Bolt-on, Industrial type, Surface Mounted, NEMA3R Enclosure	
	For 3TR/4HP: 40A, 2P, 230V, 60Hz, 20kAIC, Bolt-on, Industrial type, Surface Mounted, NEMA3R Enclosure	
	For 3HP, 2.5HP and 2HP: 30A, 2P, 230V, 60Hz, 20kAIC, Bolt-on, Industrial type, Surface Mounted, NEMA3R Enclosure	
b.) Circuit Breakers (refer to existing DP)	For 3TR/4HP: 40A, 2P, 230V, 60Hz, 10kAIC, Bolt-on type	
	For 3HP/2.5TR, 2.5HP and 2HP: 30A, 2P, 230V, 60Hz, 10kAIC, Bolt-on type	

GENERAL CONDITIONS

The work to be done consist of "Supply, Delivery and Installation of Forty - Six (46) Air-Conditioning Units for Luzon Central 1 & Central 2, Luzon North Divisions and Branches" complete in all details, of the Electrical and Mechanical Works, at the subject premises, and all work and materials incidental to the proper completion of the mechanical work. All works shall be in accordance with the governing Codes and Regulations and with the Specifications, except where the same shall conflict with such Codes, etc., which shall then govern. The requirements in regard to materials and workmanship specify the required standards for the furnishing of all labor, materials, and appliances necessary for the complete installation of the work specified herein and indicated on the drawings. These specifications are intended to provide a broad outline of the required services, but are not limited to include all details of design and construction.

In case of deviation of the given design specification and modifications and correction shall be at the look out of the contractor to make the necessary adjustment such that the desired cooling requirement can be delivered in order to attain the sufficient provision of air-conditioning system to cool the area and satisfy the operation.

48

A. MECHANICAL

- 1. All Indoor and Outdoor Units and its refrigerant and electrical lines shall be installed in accordance with the manufacturer's recommendations.
- 2. All refrigerant line installations shall be properly welded and secured against leaks and shall be also provided with insulators, appropriate rigid supports to secure the equipment against movement that may cause any from damages to its supporting components/ parts and equipment itself.
- 3. All necessary accessories shall be provided to system installations to ensure safe and proper operation of the equipment.
- 4. All suction and discharge lines shall be insulated with Rubber Insulation Size 25mm minimum thickness.
- 5. Provision of Rubber Insulation with polyethylene tape for all piping lines.
- 6. Connect Air-conditioning Unit drains to the nearest floor drain with 25mm dia. minimum size or install new floor drain line connections, if necessary.
- 7. Provision of Rubber Insulation pad to the mounting of the equipment/ unit to minimize and eliminate vibrations.
- 8. See to it that the piping layout is free from any rub-through or chaffing.

B. ELECTRICAL

- 1. All electrical materials shall be approved type and application.
- 2. All electrical materials shall be in accordance with the plan and specification and in compliance in accordance with the latest edition of the Philippine Electrical Code (PEC) and applicable Local Codes/ Regulations/ Laws.
- 3. All roughing-in layout shall be PVC Conduit.
- 4. Roughing-in layout above ceiling shall be concealed with PVC.
- 5. All electrical pipe-fittings and insulation shall be provided with appropriate lock nut and bushing and appropriate supports with standards intervals.
- 6. Feeder and sub-feeder wiring shall be provided with adequate wire marker. Panels shall be provided with directory.
- 7. Testing, commissioning and proper documentations shall be made prior to turn-over of the completed project.

SCOPE OF WORK

A. MECHANICAL

- 1. All works shall be properly coordinated with the EFMD or with SSS Representative/s.
- 2. Any works and materials specification changes shall be discussed prior to the approval of EFMD or SSS Representative/s.
- 3. Dismantling of all air-conditioning units to be replaced and hauling to the designated areas of authorized SSS Representatives.
- 4. Supply, delivery and installation of **Twelve (12)** 6HP/5TR Floor Mounted Split-type Inverter AC of the following locations:
 - Administrative Section of La Union Branch
 - Accounts Management Section of La Union Branch
 - MSS of La Union Branch (2 units)
 - e-Center of La Union Branch
 - MSS Seating Area of La Union Branch
 - e-Center of Dagupan Branch
 - Administrative Section of Dagupan Branch
 - MSS of Meycauayan Branch
 - MSS at Ground Floor of Malolos Branch (3 units)

48

- 5. Supply, delivery and installation of **Sixteen (16)** 4HP/3TR Floor Mounted Split-type Inverter AC of the following locations:
 - Tellering Section of La Union Branch
 - ABH Office of La Union Branch
 - La Union Processing Center of La Union Building (2 units)
 - e-Center of Second Floor of Malolos Branch
 - MSS Backroom at Second Floor of Malolos Branch
 - AMS at Second Floor of Malolos Branch
 - MSS of Meycauayan Branch (2 units)
 - Tellering Waiting Area of Baliuag Branch
 - MSS at Ground Floor of Candon Branch
 - AMS at Second Floor of Candon Branch
 - MSS at Ground Floor of Laoag Branch
 - AMS at Second Floor of Laoag Branch
 - MSS of Balanga Branch (2 units)
- 6. Supply, delivery and installation of **One (1)** 3HP Floor Mounted Split-type Inverter AC at the Medical Evaluation Center (MOD) at La Union Building
- 7. Supply, delivery and installation of **Seven** (7) 2.5HP Wall Mounted Split-type Inverter AC at the following locations:
 - Info Kiosk at Ground Floor of Tarlac Branch
 - Conference Room of Malolos Branch
 - Conference Room of Olongapo Branch
 - Branch Head Office of Olongapo Branch
 - Conference Room of San Jose del Monte Branch
 - Branch Head Office of San Jose del Monte Branch
 - Records Room of Tarlac Processing Center
- 8. Supply, delivery and installation of **Six (6)** 2HP Wall Mounted Split-type Inverter AC at the following locations:
 - Electrical Room at Ground Floor of Baliuag Branch
 - Electrical Room of Cabanatuan Branch
 - Data Cabinet Room at Ground Floor of Baliuag Branch
 - ID Capture Area at Ground Floor of Laoag Branch
 - Alaminos Branch
 - Mariveles (BEPZ) Branch
- 9. Supply, delivery and installation of **Two (2)** 2HP Wall Mounted Split-type AC at the following areas in San Jose NE Branch:
 - Conference Room
 - Office of the Branch Head
- 10. Supply, delivery and installation of **One (1)** 2HP Window-type Inverter Room AC at the Electrical Room in Tarlac Processing Center
- 11. Supply, delivery and installation of **One (1)** 1HP Window-type Inverter Room AC at the Electrical Room in Dau Branch Office
- 12. Supply and installation of brand new refrigerant pipes, rubber insulation, suitable valves and fittings, rigid supports and other standard accessories essential to the piping system.
- 13. The ACCU and FCU shall be properly installed on a steel pedestal/platform base complete with vibration isolating medium like neoprene rubber pad.
- 14. Supply and installation of brand new refrigerant pipes, rubber insulation, suitable valves and fittings, rigid supports and other standard accessories essential to the piping system.
- 15. Thoroughly flush and purge the system using refrigerant flushing agents appropriate for the desired application. Leak testing the refrigerant piping system as recommended by the manufacturer.
- 16. The refrigerant system must be applied with pressure (-) 30mm Hg before charging it with refrigerant per manufacturer's instruction.
- 17. Final charging of the refrigerant must be applied to the system up to 250psig at high side and 60psig at low side or as manufacturer's recommendation.

48

- 18. Pipe runs shall be supported with rigid supports every two (2) meter interval (minimum) with appropriate brackets, rubber bushing and hangers, suitable for the installation and anchored with U-bolt fittings.
- 19. Replacement of exposed drain lines from the Fan Coil Units and shall be tapped to the existing drain lines. De-clogging shall be done to eliminate foreign objects in the existing drain lines. For brand new units, drain lines to be installed shall be embedded and shall be with independent discharge headers dedicated for air-con drain only. Brand new drain lines may be tapped to the nearest rain drainage system. All drain system shall be equipped with appropriate clean-out and fittings, rigidly anchored with independent hangers and supports.
- 20. Supply and installation of other essential, miscellaneous and incidental materials to complete the project.
- 21. All areas affected during implementation of the project by chipping, dismantling works and other related activities shall be restored to original aesthetic condition at the owner's satisfaction and to the sole account of the contractor.
- 22. Tools, testing equipment and instruction manuals and reference materials shall be provided prior to the proper Testing and Commissioning of the completed system. Test result shall be submitted to the Building Owner Representative.
- 23. The supplier shall be responsible for repairs, periodic maintenance including semi annually cleaning and servicing, check-up of the supplied A/C units for the entire duration of the warranty period.
- 24. Preparation and submission of Delivery Receipts, Sales Invoice, Original JO/ PO, Asbuilt plans (if necessary or required by the project in charge), Operation Manuals, Brochures, and the start-up test result and other documents required in the project.

B. ELECTRICAL

- 1. All works shall be properly coordinated with EFMD or SSS representative/s.
- 2. Supply and installation of the new feeder line from Air-Cooled Condensing Units (ACCU) to Air-con Power Panel for proposed units and from Enclosed Circuit Breakers (ECB) to ACCU for replacement units.
- 3. Supply and installation of wiring and roughing-ins for power circuits and corresponding field wiring and controls from indoor to outdoor units including its controller switch for all units.
- 4. Supply and installation of brand new ECB's and circuit breakers (CB) for the following:
 - ECB for twelve (12) 6HP/5TR units
 - Sixteen (16) ECB's and four (4) CB's for 4HP/3TR AC units
 - ECB and CB for one (1) 3HP AC unit
 - Seven (7) ECB's and two (2) CB's for 2.5HP AC units
 - Six (6) ECB's and five (5) CB's for 2HP AC units
 - ECB for two (2) 2HP AC units at SSS San Jose NE Branch
- 5. Use Liquid Tight Flexible conduit with appropriate wiring, fittings and supports from ECB towards the ACCU terminal/tapping lines.
- 6. Electrical panels/enclosures, conduits, boxes shall be designed according to its intended design/purpose and application with appropriate supports and fittings and shall be rigidly secured using appropriate materials. Panel directory shall be properly labeled.
- 7. All areas affected during implementation of the project by chipping, dismantling works and other related activities shall be restored to original condition at the owner's satisfaction and to the sole account of the contractor.
- 8. Perform megger testing of new and old lines to ensure safety against grounding or fault condition and submit test results. Implement rectification or troubleshooting if lines are found faulty.
- 9. All dismantled equipment, materials, refrigerant piping and conduit layout, wiring and other essential accessories shall be properly turn-over to the owner for proper safe keeping or disposition

48

VISIT TO SITE

The Contractor is required to conduct the site inspection in order for them/him to familiar with the existing local conditions and include all necessary incidental works and materials that will be needed on the completion of the project. The proposal shall include all necessary considerations that may affect in the execution of all works. Subsequent claim(s) on the ground of inadequate or insufficient information shall not be entertained.

- 1. All permits required for this work shall be obtained by and at the expense of the Contractor. The Contractor shall furnish the SSS the certificates of inspection and approval from the proper government authorities after the completion of the work. The Contractor shall prepare all as-built plans and all other paperwork required by the approving authorities.
- 2. After the completion of the project, the contractor shall issue a certification that all the installed electrical facilities are safe to operate. Said document must be duly signed by a registered electrical engineer as mandated by the office of the building official.

COORDINATION

The Contractor shall coordinate in every work with all other Contractors to whose apparatus he shall connect part of his work, and also provide in his work connections and facilities for the connection of their work. The Contractor is hereby called upon to prepare such drawings of details of his equipment, location of sleeves, inserts and supports as may be required for the assistance, and the coordination of his work with that of the existing installation. Upon demand, he shall furnish these drawings in adequate numbers for the information to all parties concerned, and shall coordinate the preparation of these drawings by consultation with other trades involved, before submitting them. The approval of such drawings will not relieve Contractor in any way from the responsibility of proper location and coordinating his work with the EMD representative.

MINOR MODIFICATIONS

The plans are diagrammatic and do not necessarily show all fittings, etc., necessary to fit the building conditions. The locations of equipment/apparatus and appliances shown on them are approximate. The Contractor shall be responsible for the proper location in order to made them fit with electrical details and instruction from the SSS at the site.

WORKMANSHIP

The work through shall be executed in the best and most thorough manner under the direction of and to the satisfaction of the Engineers, who will jointly interpret the meaning of the drawings and specifications and shall have the power to reject any work and materials in their judgments, are not in full accordance therewith.

The Contractor shall have on file, for ready access and reference, a set of drawings indicating all work as actually installed incorporating in same all changes and additions. Open the termination of the Contract, he shall prepare set of tracings indication therein the electrical work as actually and finally installed. These drawings shall be turned over to the SSS.

STANDARD OF MATERIALS

a) All materials shall be new and shall conform with the standards of Underwriter's Laboratories, Inc., ASA, IEEE, NEMA, IPCEA and ASTM in every case where such a standard has been established for the particular type of materials in question.

48

- b) All materials on all system shall comply with the specifications, unless specifically exempted and all materials where not specified shall be of the best of their respective kind.
- c) Samples of any materials shall be submitted for approval as required by the Owner's Representative.

PROTECTION

Contractor shall effectual protect his own work from damage during and, as may be necessary after the installation; and he shall likewise protect adjoining existing installation from damage resulting from installation of this new electrical work.

CLEANING UP

The Contractor shall remove all dirt, debris, rubbish and waste materials caused by him in the process of his work. He shall also remove all tools, temporary power installation, scaffolding and surplus materials after completion and acceptance of his work.

48

<u>LOT 3</u> : Supply, Delivery and Installation of Fifty-Two (52) Air-Conditioning Units for Mindanao Operations Group, Divisions and Branches

ITEM NO.	SPECIFICATION	STATEMENTOF COMPLIANCE
A. Mechanical Works and Eq	uipment	
All Mechanical Works shall be of the material specification and w	lone in accordance with the Standard Manufactur orkmanship execution.	rer's recommendation for
1. Mechanical Equipment		
a) 7.5TR Floor Mounted Split-type	Floor Mounted, Split Type AC Minimum Cooling Capacity: 90000 BTU/Hr Refrigerant: R – 410a Power Consumption: 7.50 – 8.00 kW Electrical Data: 230V, Three Phase, 60Hz Can accommodate 40 meters piping length Compressor Warranty: Five (5) years	
b) 5TR Floor Mounted Split-type	Floor Mounted, Split Type AC Minimum Cooling Capacity: 56000 BTU/Hr Refrigerant: R – 410a Power Consumption: 6.20 – 6.30 kW Electrical Data: 230V, Three Phase, 60Hz Max Sound Pressure Level (Low): 51 dB(A) COP (EER): 2.6 (10 kJ/W – hr) Allowable Piping Length: 50 meters Compressor Warranty: Five (5) years	
c) 3TR Floor Mounted Split-type	Floor Mounted, Split Type AC Minimum Cooling Capacity: 36000 BTU/Hr Refrigerant: R – 410a Power Consumption: 3.70 – 3.90 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 44 dB(A) COP (EER): 2.75 (10 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
d) 2HP Wall Mounted Split-type	Wall Mounted, Split Type AC Minimum Cooling Capacity: 18500 BTU/Hr Refrigerant: R – 410a Power Consumption: 1.60 – 1.70 kW Electrical Data: 230V, Single Phase, 60Hz COP (EER): 3.20 (10.8 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
e) 2HP Window Type RAC	Window Type Room Air Conditioner Minimum Cooling Capacity: 18500 kJ/Hr Refrigerant: R – 410a or R – 32 EER: 10.5 kJ/hr – watt Electrical Data: 220V, single phase, 60Hz Sound Pressure Level (Max): 55 dB(A) Compressor Warranty: Five (5) years	
2. Pipes and Fittings Refer to manufacturer's recommendations for pipes and fittings size requirement	Hard-drawn Copper Tube for all Split-type air-conditioning system	

48

3. Pipe Insulation		
Rubber Insulation to all	25mmØ Thick	
suction and discharge lines		
4. Piping accessories and		
consumable materials		
a. Insulation Tape	White tape size 4"	
b. Contact cement	Rugby	
c. Welding works	Oxy-acetylene and Silfus Rod	
5. Drainage System		
PVC pipe and fittings	1" diameter (minimum), shall be provided	
	with clean-out for maintenance purposes	
6. Mounting Platform,		
Hangers and Supports		
a. Mounting Platform	Angle bar, 2 " x 2 " x $1/8$ " thick	
b. Hangers and Supports	Shall be installed 6 feet apart (minimum)	
B. Electrical Works		
1. Conduits & Fittings		
a.) 1/2inØ, 3/4inØ	PVC Conduit for wiring connections from	
	FCU to ACCU	
b.) 1/2inØ, 3/4inØ	Liquid Tight Flexible Conduit, for wiring	
0.) 1/2110, 3/4110	connections from ACCU wiring port to ECB	
2. Boxes / Gutters with cover	Steel Sheet Gage No. 16	
3. Wires/ Cables	Steel Sheet Gage No. 10	
a. 2.0mm^2 , 3.5mm^2 ,	THUN/THWN stronded wire DVC insulated	
	THHN/ THWN stranded wire PVC insulated,	
5.5mm^2 , 8.0mm^2 ,	nylon jacketed, Moisture and Heat Resistant,	
14.0mm ²	600V, 90°C max. operating temperature,	
b. Royal Cord, 4-core, #14	Lead-free	
4. Circuit Breakers/ Panel		
a.) Enclosed Circuit Breaker	For 7.5TR: 60A, 3P, 230V, 60Hz, 20kAIC,	
	Bolt-on, Industrial type, Surface Mounted,	
	NEMA3R Enclosure	
	For 5TR: 50A, 3P, 230V, 60Hz, 20kAIC,	
	Bolt-on, Industrial type, Surface Mounted,	
	NEMA3R Enclosure	
	For 3TR: 40A, 2P, 230V, 60Hz, 20kAIC,	
	Bolt-on, Industrial type, Surface Mounted,	
	NEMA3R Enclosure	
	For 2HP: 30A, 2P, 230V, 60Hz, 20kAIC,	
	Bolt-on, Industrial type, Surface Mounted,	
	NEMA3R Enclosure	
b.) Circuit Breaker	For 5TR: 50A, 3P, 230V, 60Hz, 10kAIC,	
(refer to existing DP)		
(Terer to existing Dr)	Bolt-on type	
	Ear 2TD: 101×10	
	For 3TR: 40A, 2P, 230V, 60Hz, 10kAIC,	
	Bolt-on type	
	For 2HP: 30A, 2P, 230V, 60Hz, 10kAIC,	
	Bolt-on type	

GENERAL CONDITIONS

The work to be done consist of "Supply, Delivery & Installation of Fifty-Two (52) Air-Conditioning Units at Mindanao Operations Group, Divisions and Branches" complete in all details, of the Electrical and Mechanical Works, at the subject premises, and all work and materials incidental to the proper completion of the mechanical work. All works shall be in accordance with the governing Codes and Regulations and with the Specifications, except where the same shall conflict with such Codes, etc., which shall then govern. The requirements in regard to materials and workmanship specify the required standards for the furnishing of all labor, materials, and appliances necessary for the complete installation of the work specified herein and indicated on the drawings. These specifications are intended to provide a broad outline of the required services, but are not limited to include all details of design and construction.

In case of deviation of the given design specification and modifications and correction shall be at the look out of the contractor to make the necessary adjustment such that the desired cooling requirement can be delivered in order to attain the sufficient provision of air-conditioning system to cool the area and satisfy the operation.

A. MECHANICAL

- 1. All Indoor and Outdoor Units and its refrigerant and electrical lines shall be installed in accordance with the manufacturer's recommendations.
- 2. All refrigerant line installations shall be properly welded and secured against leaks and shall be also provided with insulators, appropriate rigid supports to secure the equipment against movement that may cause any from damages to its supporting components/ parts and equipment itself.
- 3. All necessary accessories shall be provided to system installations to ensure safe and proper operation of the equipment.
- 4. All suction and discharge lines shall be insulated with Rubber Insulation Size 25mm minimum thickness.
- 5. Provision of Rubber Insulation with polyethylene tape for all piping lines.
- 6. Connect Air-conditioning Unit drains to the nearest floor drain with 25mm dia. minimum size or install new floor drain line connections, if necessary.
- 7. Provision of Rubber Insulation pad to the mounting of the equipment/ unit to minimize and eliminate vibrations.
- 8. See to it that the piping layout is free from any rub-through or chaffing.

B. ELECTRICAL

- 1. All electrical materials shall be approved type and application.
- 2. All electrical materials shall be in accordance with the plan and specification and in compliance in accordance with the latest edition of the Philippine Electrical Code (PEC) and applicable Local Codes/ Regulations/ Laws.
- 3. All roughing-in layout shall be PVC Conduit.
- 4. Roughing-in layout above ceiling shall be concealed with PVC.
- 5. All electrical pipe-fittings and insulation shall be provided with appropriate lock nut and bushing and appropriate supports with standards intervals.
- 6. Feeder and sub-feeder wiring shall be provided with adequate wire marker. Panels shall be provided with directory.
- 7. Testing, commissioning and proper documentations shall be made prior to turn-over of the completed project.

SCOPE OF WORK

A. MECHANICAL

1. All works shall be properly coordinated with the EFMD or with SSS Representative/s.

48

- 2. Any works and materials specification changes shall be discussed prior to the approval of EFMD or SSS Representative/s.
- 3. Dismantling of all air-conditioning units to be replaced and hauling to the designated areas of authorized SSS Representatives.
- 4. Supply, delivery and installation of **Two (2)** 7.5TR Floor Mounted Split-type AC at the following areas in Ozamis Branch:
 - e Center
 - Tellering Section
- 5. Supply, delivery and installation of **Twelve (12)** 5TR Floor Mounted Split-type AC at the following locations:
 - PACD Area at Ground Floor of Iligan Branch
 - Tellering Section at Second Floor of Iligan Branch
 - AMS at Second Floor of Iligan Branch
 - Administrative Section at Second Floor of Iligan Branch
 - MSS at Ground Floor of Tandag Branch (3 units)
 - MSS at Ground Floor of Ipil Branch (2 units)
 - MSS at Ground Floor of Davao Branch (3 units)
- 6. Supply, delivery and installation of **Twenty Two (22)** 3TR Floor Mounted Split-type AC at the following locations:
 - Administrative Section at Second Floor of Tandag Branch
 - AMS at Second Floor of Tandag Branch
 - MSS at Ground Floor of Ipil Branch (2 units)
 - e-Center at Ground Floor of Davao Branch
 - MSS of Mati Branch (2 units)
 - Zamboanga Branch Office (**3 units**)
 - MSS Head of General Santos Branch
 - Tellering Section Head of General Santos Branch
 - Tellering Section of General Santos Branch
 - e-Center of General Santos Branch
 - AMS Lobby of General Santos Branch
 - MSS Counters of General Santos Branch
 - Main Lobby of Ozamis Branch
 - Tellering Section of Ozamis Branch
 - Medical Evaluation Center of Ozamis Branch
 - MSS of Ozamiz Branch
 - Oroquieta Branch
 - Camiguin Branch
- 7. Supply, delivery and installation of **Three (3)** 2HP Wall Mounted Split-type AC at the following locations:
 - Medical Evaluation Center (MOD) at Davao Building
 - Branch Head Office of Koronadal Branch
 - Administrative Section of Dipolog Branch
- 8. Supply, delivery and installation of **Thirteen (13)** 2HP Window-type Room AC at the following locations:
 - Office of the Vice President of Mindanao West Division (3 units)
 - Ipil Branch (**2 units**)
 - Zamboanga Processing Center (Extension Office of Davao PC) (3 units)
 - Zamboanga Branch (**5 units**)
- 9. The ACCU and FCU shall be properly installed on a steel pedestal/platform base complete with vibration isolating medium like neoprene rubber pad.
- 10. Supply and installation of brand new refrigerant pipes, rubber insulation, suitable valves and fittings, rigid supports and other standard accessories essential to the piping system.
- 11. Thoroughly flush and purge the system using refrigerant flushing agents appropriate for the desired application. Leak testing the refrigerant piping system as recommended by the manufacturer.
- 12. The refrigerant system must be applied with pressure (-) 30mm Hg before charging it with refrigerant per manufacturer's instruction.

48

- 13. Final charging of the refrigerant must be applied to the system up to 250psig at high side and 60psig at low side or as manufacturer's recommendation.
- 14. Pipe runs shall be supported with rigid supports every two (2) meter interval (minimum) with appropriate brackets, rubber bushing and hangers, suitable for the installation and anchored with U-bolt fittings.
- 15. Replacement of exposed drain lines from the Fan Coil Units and shall be tapped to the existing drain lines. De-clogging shall be done to eliminate foreign objects in the existing drain lines. For brand new units, drain lines to be installed shall be embedded and shall be with independent discharge headers dedicated for air-con drain only. Brand new drain lines may be tapped to the nearest rain drainage system. All drain system shall be equipped with appropriate clean-out and fittings, rigidly anchored with independent hangers and supports.
- 16. Supply and installation of other essential, miscellaneous and incidental materials to complete the project.
- 17. All areas affected during implementation of the project by chipping, dismantling works and other related activities shall be restored to original aesthetic condition at the owner's satisfaction and to the sole account of the contractor.
- 18. Tools, testing equipment and instruction manuals and reference materials shall be provided prior to the proper Testing and Commissioning of the completed system. Test result shall be submitted to the Building Owner Representative.
- 19. The supplier shall be responsible for repairs, periodic maintenance including semi annually cleaning and servicing, check-up of the supplied A/C units for the entire duration of the warranty period.
- 20. Preparation and submission of Delivery Receipts, Sales Invoice, Original JO/ PO, Asbuilt plans (if necessary or required by the project in charge), Operation Manuals, Brochures, and the start-up test result and other documents required in the project.

B. ELECTRICAL

- 1. All works shall be properly coordinated with EFMD or SSS representative/s.
- 2. Supply and installation of the new feeder line from Air-Cooled Condensing Units (ACCU) to Air-con Power Panel for proposed units and from Enclosed Circuit Breakers (ECB) to ACCU for replacement units.
- 3. Supply and installation of wiring and roughing-ins for power circuits and corresponding field wiring and controls from indoor to outdoor units including its controller switch for all units.
- 4. Supply and installation of brand new ECB's and circuit breakers (CB) for the following:
 - ECB for two (2) 7.5TR AC units
 - Twelve (12) ECB's and two (2) CB's for 5TR AC units
 - Twenty Two (22) ECB's and four (4) CB's for 3TR AC units
 - Three (3) ECB and two (2) CB's for 2HP AC units
- 5. Use Liquid Tight Flexible conduit with appropriate wiring, fittings and supports from ECB towards the ACCU terminal/tapping lines.
- 6. Electrical panels/enclosures, conduits, boxes shall be designed according to its intended design/purpose and application with appropriate supports and fittings and shall be rigidly secured using appropriate materials. Panel directory shall be properly labeled.
- 7. All areas affected during implementation of the project by chipping, dismantling works and other related activities shall be restored to original condition at the owner's satisfaction and to the sole account of the contractor.
- 8. Perform megger testing of new and old lines to ensure safety against grounding or fault condition and submit test results. Implement rectification or troubleshooting if lines are found faulty.
- 9. All dismantled equipment, materials, refrigerant piping and conduit layout, wiring and other essential accessories shall be properly turn-over to the owner for proper safe keeping or disposition

48

VISIT TO SITE

The Contractor is required to conduct the site inspection in order for them/him to familiar with the existing local conditions and include all necessary incidental works and materials that will be needed on the completion of the project. The proposal shall include all necessary considerations that may affect in the execution of all works. Subsequent claim(s) on the ground of inadequate or insufficient information shall not be entertained.

- 1. All permits required for this work shall be obtained by and at the expense of the Contractor. The Contractor shall furnish the SSS the certificates of inspection and approval from the proper government authorities after the completion of the work. The Contractor shall prepare all as-built plans and all other paperwork required by the approving authorities.
- 2. After the completion of the project, the contractor shall issue a certification that all the installed electrical facilities are safe to operate. Said document must be duly signed by a registered electrical engineer as mandated by the office of the building official.

COORDINATION

The Contractor shall coordinate in every work with all other Contractors to whose apparatus he shall connect part of his work, and also provide in his work connections and facilities for the connection of their work. The Contractor is hereby called upon to prepare such drawings of details of his equipment, location of sleeves, inserts and supports as may be required for the assistance, and the coordination of his work with that of the existing installation. Upon demand, he shall furnish these drawings in adequate numbers for the information to all parties concerned, and shall coordinate the preparation of these drawings by consultation with other trades involved, before submitting them. The approval of such drawings will not relieve Contractor in any way from the responsibility of proper location and coordinating his work with the EMD representative.

MINOR MODIFICATIONS

The plans are diagrammatic and do not necessarily show all fittings, etc., necessary to fit the building conditions. The locations of equipment/apparatus and appliances shown on them are approximate. The Contractor shall be responsible for the proper location in order to make them fit with electrical details and instruction from the SSS at the site.

WORKMANSHIP

The work through shall be executed in the best and most thorough manner under the direction of and to the satisfaction of the Engineers, who will jointly interpret the meaning of the drawings and specifications and shall have the power to reject any work and materials in their judgments, are not in full accordance therewith.

The Contractor shall have on file, for ready access and reference, a set of drawings indicating all work as actually installed incorporating in same all changes and additions. Open the termination of the Contract, he shall prepare set of tracings indication therein the electrical work as actually and finally installed. These drawings shall be turned over to the SSS.

STANDARD OF MATERIALS

a) All materials shall be new and shall conform with the standards of Underwriter's Laboratories, Inc., ASA, IEEE, NEMA, IPCEA and ASTM in every case where such a standard has been established for the particular type of materials in question.

48

- b) All materials on all system shall comply with the specifications, unless specifically exempted and all materials where not specified shall be of the best of their respective kind.
- c) Samples of any materials shall be submitted for approval as required by the Owner's Representative.

PROTECTION

Contractor shall effectual protect his own work from damage during and, as may be necessary after the installation; and he shall likewise protect adjoining existing installation from damage resulting from installation of this new electrical work.

CLEANING UP

The Contractor shall remove all dirt, debris, rubbish and waste materials caused by him in the process of his work. He shall also remove all tools, temporary power installation, scaffolding and surplus materials after completion and acceptance of his work.

48

<u>LOT 4</u> : Supply, Delivery & Installation of Thirty - Two (32) Air-Conditioning Units for Visayas Operations Group, Divisions and Branches

TEM NO.	SPECIFICATION	STATEMENTOF COMPLIANCE	
A. Mechanical Works and Equipment			
All Mechanical Works shall be done in accordance with the Standard Manufacturer's recommendation for the material specification and workmanship execution.			
1. Mechanical Equipment	1	Γ	
a) 5TR/6HP Floor Mounted Inverter Split-type (can offer unit with capacity of 5TR or 6HP)	Floor Mounted, Inverter, Split Type AC Rated Cooling Capacity: 14.0kW (21200 – 52900 BTU/Hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 5.6 - 5.8 kW Electrical Data: 230V, 1 or 3 Phase, 60Hz Max Sound Pressure Level (Low): 48 dB(A) COP (EER): 2.4 (15.4 – 11.3 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years		
b) 3TR/4HP Floor Mounted Inverter Split-type (can offer unit with capacity of 3TR or 4HP)	Floor Mounted, Inverter, Split Type AC Rated Cooling Capacity: 10.0kW (17100 – 38200 BTU/Hr) (36000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 3.4 - 3.5 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 46 dB(A) COP (EER): 2.7 (19.3 – 1103 kJ/W – hr) Can accommodate 50 meters piping length Compressor Warranty: Five (5) years		
c) 3TR Floor Mounted Split-type	Floor Mounted, Split Type AC Minimum Cooling Capacity: 36000 BTU/Hr Refrigerant: R – 410a Power Consumption: 3.70 – 3.90 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 44 dB(A) COP (EER): 2.75 (10 kJ/W – hr) Can accommodate 50 meters piping length Compressor Warranty: Five (5) years		
d) 3TR Ceiling Mounted Split-type	Ceiling Mounted, Split Type AC Minimum Cooling Capacity: 35000 BTU/Hr Refrigerant: R – 410a Power Consumption: 3.70 – 3.90 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 43 dB(A) COP (EER): 2.7 (10 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years		
e) 2HP Wall Mounted Split- type	Wall Mounted, Split Type AC Minimum Cooling Capacity: 18500 BTU/Hr Refrigerant: R – 410a Power Consumption: 1.60 – 1.70 kW Electrical Data: 230V, Single Phase, 60Hz COP (EER): 3.20 (10.8 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years		

48

		rı
f) 2HP Wall Mounted Inverter Split-type	Wall Mounted, Inverter, Split Type AC Rated Cooling Capacity: 5.0kW (5800 – 20500 BTU/Hr) (18000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 1.20 – 1.40 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 31 dB(A) COP (EER): 4.0 (13.0 – 10.5 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
g) 2HP Window-type RAC	Window Type Room Air Conditioner Minimum Cooling Capacity: 18500 kJ/Hr Refrigerant: R – 410a or R – 32 EER: 10.5 kJ/hr – watt Electrical Data: 220V, single phase, 60Hz Sound Pressure Level (Max): 55 dB(A) Compressor Warranty: Five (5) years	
2. Pipes and Fittings		
Refer to manufacturer's recommendations for pipes and fittings size requirement	Hard-drawn Copper Tube for all Split-type air-conditioning system	
3. Pipe Insulation		
Rubber Insulation to all	25mmØ Thick	
suction and discharge lines		
4. Piping accessories and		
consumable materials		
a. Insulation Tape	White tape size 4"	
b. Contact cement	Rugby	
c. Welding works	Oxy-acetylene and Silfus Rod	
5. Drainage System		
PVC pipe and fittings	1" diameter (minimum), shall be provided with clean-out for maintenance purposes	
6. Mounting Platform,		
Hangers and Supports		
a. Mounting Platform	Angle bar, 2" x 2" x 1/8" thick	
b. Hangers and Supports	Shall be installed 6feet apart (minimum)	
B. Electrical Works	T	Γ
1. Conduits & Fittings		
a. 1/2inØ, 3/4inØ	PVC Conduit for wiring connections from FCU to ACCU	
b. 1/2inØ, 3/4inØ	Liquid Tight Flexible Conduit, for wiring connections from ACCU wiring port to ECB	
2. Boxes / Gutters with cover	Steel Sheet Gage No. 16	
3. Wires/ Cables	<u> </u>	
a. 2.0mm ² , 3.5mm ² , 5.5mm ² , 8.0mm ² , b. Royal Cord, 4-core, #14	THHN/ THWN stranded wire PVC insulated, nylon jacketed, Moisture and Heat Resistant, 600V, 90°C max. operating temperature,	
• • • • • • •	Lead-free	

4. Circuit Breakers/ Panel	For 6HP/5TR: 50A, 2P or 3P, 230V, 60Hz,	
a.) Enclosed Circuit Breaker	20kAIC, Bolt-on, Industrial type, Surface	
	Mounted, NEMA3R Enclosure	
	For 3TR and 3TR/4HP: 40A, 2P, 230V,	
	60Hz, 20kAIC, Bolt-on, Industrial type,	
	Surface Mounted, NEMA3R Enclosure	
	For 2HP: 30A, 2P, 230V, 60Hz, 20kAIC,	
	Bolt-on, Industrial type, Surface Mounted,	
	NEMA3R Enclosure	
b.) Circuit Breakers	For 6HP/5TR: 50A, 2P or 3P, 230V, 60Hz,	
(refer to existing DP)	20kAIC, Bolt-on type	
	For 3TR and 3TR/4HP: 40A, 2P, 230V,	
	60Hz, 10kAIC, Bolt-on type	
	toriz, row ne, bon on type	
	Eor 200, 20A, 2D, 220V, 600 , $10kAIC$	
	For 2HP: 30A, 2P, 230V, 60Hz, 10kAIC,	
	Bolt-on type	

GENERAL CONDITIONS

The work to be done consist of "Supply, Delivery & Installation of Thirty - Two (32) Air-Conditioning Units at Visayas Operations Group, Divisions and Branches" complete in all details, of the Electrical and Mechanical Works, at the subject premises, and all work and materials incidental to the proper completion of the mechanical work. All works shall be in accordance with the governing Codes and Regulations and with the Specifications, except where the same shall conflict with such Codes, etc., which shall then govern. The requirements in regard to materials and workmanship specify the required standards for the furnishing of all labor, materials, and appliances necessary for the complete installation of the work specified herein and indicated on the drawings. These specifications are intended to provide a broad outline of the required services, but are not limited to include all details of design and construction.

In case of deviation of the given design specification and modifications and correction shall be at the look out of the contractor to make the necessary adjustment such that the desired cooling requirement can be delivered in order to attain the sufficient provision of air-conditioning system to cool the area and satisfy the operation.

A. MECHANICAL

- 1. All Indoor and Outdoor Units and its refrigerant and electrical lines shall be installed in accordance with the manufacturer's recommendations.
- 2. All refrigerant line installations shall be properly welded and secured against leaks and shall be also provided with insulators, appropriate rigid supports to secure the equipment against movement that may cause any from damages to its supporting components/ parts and equipment itself.
- 3. All necessary accessories shall be provided to system installations to ensure safe and proper operation of the equipment.
- 4. All suction and discharge lines shall be insulated with Rubber Insulation Size 25mm minimum thickness.
- 5. Provision of Rubber Insulation with polyethylene tape for all piping lines.
- 6. Connect Air-conditioning Unit drains to the nearest floor drain with 25mm dia. minimum size or install new floor drain line connections, if necessary.
- 7. Provision of Rubber Insulation pad to the mounting of the equipment/ unit to minimize and eliminate vibrations.
- 8. See to it that the piping layout is free from any rub-through or chaffing.

4&

B. ELECTRICAL

- 1. All electrical materials shall be approved type and application.
- 2. All electrical materials shall be in accordance with the plan and specification and in compliance in accordance with the latest edition of the Philippine Electrical Code (PEC) and applicable Local Codes/ Regulations/ Laws.
- 3. All roughing-in layout shall be PVC Conduit.
- 4. Roughing-in layout above ceiling shall be concealed with PVC.
- 5. All electrical pipe-fittings and insulation shall be provided with appropriate lock nut and bushing and appropriate supports with standards intervals.
- 6. Feeder and sub-feeder wiring shall be provided with adequate wire marker. Panels shall be provided with directory.
- 7. Testing, commissioning and proper documentations shall be made prior to turn-over of the completed project.

SCOPE OF WORK

A. MECHANICAL

- 1. All works shall be properly coordinated with the EFMD or with SSS Representative/s.
- 2. Any works and materials specification changes shall be discussed prior to the approval of EFMD or SSS Representative/s.
- 3. Dismantling of all air-conditioning units to be replaced and hauling to the designated areas of authorized SSS Representatives.
- 4. Supply, delivery and installation of **One (1)** 6HP/5TR Floor Mounted Split-type Inverter AC at Tellering Section in Roxas Branch.
- 5. Supply, delivery and installation of **Eight (8)** 4HP/3TR Floor Mounted Split-type Inverter AC at the following locations:
 - Mandaue Branch
 - e-Center of Antique Branch
 - MSS of Antique Branch
 - MSS of Iloilo-Molo Branch (2 units)
 - Conference Room of Maasin Branch
 - MSS of Maasin Branch
 - e-Center of Maasin Branch
- 6. Supply, delivery and installation of **Eighteen (18)** 3TR Floor Mounted Split-type AC at the following locations:
 - MSS of Kabankalan Branch (**4 units**)
 - Visayas West 1 Legal Department in Bacolod Building (2 units)
 - Tellering Section at Ground Floor of Bacolod Branch
 - MSS at Ground Floor of Bacolod Branch (5 units)
 - Bacolod Medical Evaluation Center (MOD) at Ground Floor of Bacolod Branch
 - Second Floor of Bacolod Branch (**5 units**)
- 7. Supply, delivery and installation of **One** (1) 3TR Ceiling Mounted Split-type AC at Administrative Area in Kabankalan Branch.
- 8. Supply, delivery and installation of **Two (2)** 2HP Wall Mounted Split-type AC at the following locations:
 - Hearing Room at 3rd Floor (Visayas West 1 Legal Department) of Bacolod Building
 - Branch Head Office of Kabankalan Branch
- 9. Supply, delivery of **One (1)** 2HP Wall Mounted Split-type Inverter AC at PE Center in Maasin Branch. and installation
- 10. Supply, delivery and installation of **One** (1) 2HP Window-type Room AC at La Carlota Service Office of Bago Branch.
- 11. The ACCU and FCU shall be properly installed on a steel pedestal/platform base complete with vibration isolating medium like neoprene rubber pad.

48

- 12. Supply and installation of brand new refrigerant pipes, rubber insulation, suitable valves and fittings, rigid supports and other standard accessories essential to the piping system.
- 13. Thoroughly flush and purge the system using refrigerant flushing agents appropriate for the desired application. Leak testing the refrigerant piping system as recommended by the manufacturer.
- 14. The refrigerant system must be applied with pressure (-) 30mm Hg before charging it with refrigerant per manufacturer's instruction.
- 15. Final charging of the refrigerant must be applied to the system up to 250psig at high side and 60psig at low side or as manufacturer's recommendation.
- 16. Pipe runs shall be supported with rigid supports every two (2) meter interval (minimum) with appropriate brackets, rubber bushing and hangers, suitable for the installation and anchored with U-bolt fittings.
- 17. Replacement of exposed drain lines from the Fan Coil Units and shall be tapped to the existing drain lines. De-clogging shall be done to eliminate foreign objects in the existing drain lines. For brand new units, drain lines to be installed shall be embedded and shall be with independent discharge headers dedicated for air-con drain only. Brand new drain lines may be tapped to the nearest rain drainage system. All drain system shall be equipped with appropriate clean-out and fittings, rigidly anchored with independent hangers and supports.
- 18. Supply and installation of other essential, miscellaneous and incidental materials to complete the project.
- 19. All areas affected during implementation of the project by chipping, dismantling works and other related activities shall be restored to original aesthetic condition at the owner's satisfaction and to the sole account of the contractor.
- 20. Tools, testing equipment and instruction manuals and reference materials shall be provided prior to the proper Testing and Commissioning of the completed system. Test result shall be submitted to the Building Owner Representative.
- 21. The supplier shall be responsible for repairs, periodic maintenance including semi annually cleaning and servicing, check-up of the supplied A/C units for the entire duration of the warranty period.
- 22. Preparation and submission of Delivery Receipts, Sales Invoice, Original JO/ PO, Asbuilt plans (if necessary or required by the project in charge), Operation Manuals, Brochures, and the start-up test result and other documents required in the project.

B. ELECTRICAL

- 1. All works shall be properly coordinated with EFMD or SSS representative/s.
- 2. Supply and installation of the new feeder line from Air-Cooled Condensing Units (ACCU) to Air-con Power Panel for proposed units and from Enclosed Circuit Breakers (ECB) to ACCU for replacement units.
- 3. Supply and installation of wiring and roughing-ins for power circuits and corresponding field wiring and controls from indoor to outdoor units including its controller switch for all units.
- 4. Supply and installation of brand new ECB's and circuit breakers (CB) for the following:
 - ECB and CB for one (1) 6HP/5TR AC unit
 - Twenty Seven (27) ECB's and four (4) CB's for 4HP/3TR AC units
 - Three (3) ECB's and one (1) CB for 2HP AC units
- 5. Use Liquid Tight Flexible conduit with appropriate wiring, fittings and supports from ECB towards the ACCU terminal/tapping lines.
- 6. Electrical panels/enclosures, conduits, boxes shall be designed according to its intended design/purpose and application with appropriate supports and fittings and shall be rigidly secured using appropriate materials. Panel directory shall be properly labeled.
- 7. All areas affected during implementation of the project by chipping, dismantling works and other related activities shall be restored to original condition at the owner's satisfaction and to the sole account of the contractor.

48

- 8. Perform megger testing of new and old lines to ensure safety against grounding or fault condition and submit test results. Implement rectification or troubleshooting if lines are found faulty.
- 9. All dismantled equipment, materials, refrigerant piping and conduit layout, wiring and other essential accessories shall be properly turn-over to the owner for proper safe keeping or disposition

VISIT TO SITE

The Contractor is required to conduct the site inspection in order for them/him to familiar with the existing local conditions and include all necessary incidental works and materials that will be needed on the completion of the project. The proposal shall include all necessary considerations that may affect in the execution of all works. Subsequent claim(s) on the ground of inadequate or insufficient information shall not be entertained.

- 1. All permits required for this work shall be obtained by and at the expense of the Contractor. The Contractor shall furnish the SSS the certificates of inspection and approval from the proper government authorities after the completion of the work. The Contractor shall prepare all as-built plans and all other paperwork required by the approving authorities.
- 2. After the completion of the project, the contractor shall issue a certification that all the installed electrical facilities are safe to operate. Said document must be duly signed by a registered electrical engineer as mandated by the office of the building official.

COORDINATION

The Contractor shall coordinate in every work with all other Contractors to whose apparatus he shall connect part of his work, and also provide in his work connections and facilities for the connection of their work. The Contractor is hereby called upon to prepare such drawings of details of his equipment, location of sleeves, inserts and supports as may be required for the assistance, and the coordination of his work with that of the existing installation. Upon demand, he shall furnish these drawings in adequate numbers for the information to all parties concerned, and shall coordinate the preparation of these drawings by consultation with other trades involved, before submitting them. The approval of such drawings will not relieve Contractor in any way from the responsibility of proper location and coordinating his work with the EMD representative.

MINOR MODIFICATIONS

The plans are diagrammatic and do not necessarily show all fittings, etc., necessary to fit the building conditions. The locations of equipment/apparatus and appliances shown on them are approximate. The Contractor shall be responsible for the proper location in order to made them fit with electrical details and instruction from the SSS at the site.

WORKMANSHIP

The work through shall be executed in the best and most thorough manner under the direction of and to the satisfaction of the Engineers, who will jointly interpret the meaning of the drawings and specifications and shall have the power to reject any work and materials in their judgments, are not in full accordance therewith.

The Contractor shall have on file, for ready access and reference, a set of drawings indicating all work as actually installed incorporating in same all changes and additions. Open the termination of the Contract, he shall prepare set of tracings indication therein the electrical work as actually and finally installed. These drawings shall be turned over to the SSS.

48

STANDARD OF MATERIALS

- a) All materials shall be new and shall conform with the standards of Underwriter's Laboratories, Inc., ASA, IEEE, NEMA, IPCEA and ASTM in every case where such a standard has been established for the particular type of materials in question.
- b) All materials on all system shall comply with the specifications, unless specifically exempted and all materials where not specified shall be of the best of their respective kind.
- c) Samples of any materials shall be submitted for approval as required by the Owner's Representative.

PROTECTION

Contractor shall effectual protect his own work from damage during and, as may be necessary after the installation; and he shall likewise protect adjoining existing installation from damage resulting from installation of this new electrical work.

CLEANING UP

The Contractor shall remove all dirt, debris, rubbish and waste materials caused by him in the process of his work. He shall also remove all tools, temporary power installation, scaffolding and surplus materials after completion and acceptance of his work.

48

LOT 5 : Supply, Delivery & Installation of Forty - Three (43) Air-Conditioning Units for NCR Operations Group, Divisions, Branches and Main Office Building

ITEM NO.	SPECIFICATION	STATEMENT OF COMPLIANCE
A. Mechanical Works and Equ	lipment	
All Mechanical Works shall be done in accordance with the Standard Manufacturer's recommendation for the material specification and workmanship execution.		
1. Mechanical Equipment		
a) 5TR/6HP Floor Mounted Inverter Split- type (can offer unit with capacity of 5TR or 6HP)	Floor Mounted, Inverter, Split Type AC Rated Cooling Capacity: 14.0kW (21200 – 52900 BTU/Hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 5.6 - 5.8 kW Electrical Data: 230V, 1 or 3 Phase, 60Hz Max Sound Pressure Level (Low): 48 dB(A) COP (EER): 2.4 (15.4 – 11.3 kJ/W – hr) Can accommodate 50 meters piping length Compressor Warranty: Five (5) years	
 b) 3TR/4HP Floor Mounted Inverter Split- type (can offer unit with capacity of 3TR or 4HP) 	Floor Mounted, Inverter, Split Type AC Rated Cooling Capacity: 10.0kW (17100 – 38200 BTU/Hr) (36000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 3.4 - 3.5 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 46 dB(A) COP (EER): 2.7 (19.3 – 1103 kJ/W – hr) Allowable Piping Length: 50 meters Compressor Warranty: Five (5) years	
c) 2.5HP Wall Mounted Inverter Split-type	Wall Mounted, Inverter, Split Type AC Rated Cooling Capacity: 6.0kW (6500 – 23900 BTU/Hr) (22000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 1.5 - 1.6 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 32 dB(A) COP (EER): 3.8 (19.3 – 11.03 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
d) 2HP Wall Mounted Inverter Split-type	Wall Mounted, Inverter, Split Type AC Rated Cooling Capacity: 5.0kW (5800 – 20500 BTU/Hr) (18000 BTU/hr minimum) Refrigerant: R – 32 or R – 410a Power Consumption: 1.20 – 1.40 kW Electrical Data: 230V, Single Phase, 60Hz Max Sound Pressure Level (Low): 31 dB(A) COP (EER): 4.0 (13.0 – 10.5 kJ/W – hr) Can accommodate 30 meters piping length Compressor Warranty: Five (5) years	
2. Pipes and Fittings Refer to manufacturer's recommendations for pipes and fittings size requirement	Hard-drawn Copper Tube for all Split-type air-conditioning system	

3. Pipe Insulation Rubber Insulation to all suction and discharge lines	25mmØ Thick	
4. Piping accessories and consumable materials a. Insulation Tape b. Contact cement c. Welding works	White tape size 4" Rugby Oxy-acetylene and Silfus Rod	
5. Drainage System PVC pipe and fittings	1" diameter (minimum), shall be provided with clean-out for maintenance purposes	
 6. Mounting Platform, Hangers and Supports a. Mounting Platform b. Hangers and Supports 	Angle bar, 2" x 2" x 1/8" thick Shall be installed 6feet apart (minimum)	
B. Electrical Works		
1. Conduits & Fittings		
a.) 1/2inØ, 3/4inØ	PVC Conduit for wiring connections from FCU to ACCU	
b.) 1/2inØ, 3/4inØ	Liquid Tight Flexible Conduit, for wiring connections from ACCU wiring port to ECB	
2. Boxes / Gutters with cover	Steel Sheet Gage No. 16	
3. Wires/ Cables		
 a.) 2.0mm², 3.5mm², 5.5mm², 8.0mm² b.) Royal Cord, 4-core, #14 	THHN/ THWN stranded wire PVC insulated, nylon jacketed, Moisture and Heat Resistant, 600V, 90°C max. operating temperature, Lead-free	
4. Circuit Breakers/ Panel		
a.) Enclosed Circuit Breaker	For 5TR/6HP: 50A, 2P or 3P, 230V, 60Hz, 20kAIC, Bolt-on, Industrial type, Surface Mounted, NEMA3R Enclosure	
	For 3TR/4HP: 40A, 2P, 230V, 60Hz, 20kAIC, Bolt-on, Industrial type, Surface Mounted, NEMA3R Enclosure	
	For 2.5HP and 2HP: 30A, 2P, 230V, 60Hz, 20kAIC, Bolt-on, Industrial type, Surface Mounted, NEMA3R Enclosure	
b.) Circuit Breakers (refer to existing DP)	For 5TR/6HP: 50A, 2P or 3P, 230V, 60Hz, 10kAIC, Bolt-on type	
	For 3TR/4HP: 40A, 2P, 230V, 60Hz, 10kAIC, Bolt-on type	

GENERAL CONDITIONS

The work to be done consist of "Supply, Delivery & Installation of Forty - Three (43) Air-Conditioning Units for NCR Operations Group, Divisions, Branches and Main Office Building" complete in all details, of the Electrical and Mechanical Works, at the subject premises, and all work and materials incidental to the proper completion of the mechanical work. All works shall be in accordance with the governing Codes and Regulations and with the Specifications, except where the same shall conflict with such Codes, etc., which shall then govern. The requirements in regard to materials and workmanship specify the required standards for the furnishing of all labor, materials, and appliances necessary for the complete installation of the work specified herein and indicated on the drawings. These specifications are intended to provide a broad outline of the required services, but are not limited to include all details of design and construction.

In case of deviation of the given design specification and modifications and correction shall be at the look out of the contractor to make the necessary adjustment such that the desired cooling requirement can be delivered in order to attain the sufficient provision of air-conditioning system to cool the area and satisfy the operation.

A. MECHANICAL

- 1. All Indoor and Outdoor Units and its refrigerant and electrical lines shall be installed in accordance with the manufacturer's recommendations.
- 2. All refrigerant line installations shall be properly welded and secured against leaks and shall be also provided with insulators, appropriate rigid supports to secure the equipment against movement that may cause any from damages to its supporting components/ parts and equipment itself.
- 3. All necessary accessories shall be provided to system installations to ensure safe and proper operation of the equipment.
- 4. All suction and discharge lines shall be insulated with Rubber Insulation Size 25mm minimum thickness.
- 5. Provision of Rubber Insulation with polyethylene tape for all piping lines.
- 6. Connect Air-conditioning Unit drains to the nearest floor drain with 25mm dia. minimum size or install new floor drain line connections, if necessary.
- 7. Provision of Rubber Insulation pad to the mounting of the equipment/ unit to minimize and eliminate vibrations.
- 8. See to it that the piping layout is free from any rub-through or chaffing.

B. ELECTRICAL

- 1. All electrical materials shall be approved type and application.
- 2. All electrical materials shall be in accordance with the plan and specification and in compliance in accordance with the latest edition of the Philippine Electrical Code (PEC) and applicable Local Codes/ Regulations/ Laws.
- 3. All roughing-in layout shall be PVC Conduit.
- 4. Roughing-in layout above ceiling shall be concealed with PVC.
- 5. All electrical pipe-fittings and insulation shall be provided with appropriate lock nut and bushing and appropriate supports with standards intervals.
- 6. Feeder and sub-feeder wiring shall be provided with adequate wire marker. Panels shall be provided with directory.
- 7. Testing, commissioning and proper documentations shall be made prior to turn-over of the completed project.

SCOPE OF WORK

A. MECHANICAL

1. All works shall be properly coordinated with the EFMD or with SSS Representative/s.

48

- 2. Any works and materials specification changes shall be discussed prior to the approval of EFMD or SSS Representative/s.
- 3. Dismantling of all air-conditioning units to be replaced and hauling to the designated areas of authorized SSS Representatives.
- 4. Supply, delivery and installation of **Nine (9)** 6HP/5TR Floor Mounted Split-type Inverter AC at the following locations:
 - Main Lobby of Main Office Building (**2 units**)
 - RM Hall Foyer of Main Office Building (**2 units**)
 - e-Center of Batasan Hills Branch
 - MSS of Las Piñas Branch (3 units)
 - MSS at Ground Floor of Pasay-Taft Branch
- 5. Supply, delivery and installation of **Twenty One (21)** 4HP/3TR Floor Mounted Splittype Inverter AC at the following locations:
 - Seating Area, Tellering Section of Legarda Branch
 - MSS Backroom of San Mateo Branch
 - MSS Counters of Parañaque Branch
 - MSS and SSIT Area of Parañaque Branch
 - Administrative Section of Pasig-Rosario Branch
 - Info Kiosk and PACD Area of Pasig-Rosario Branch
 - AMS and Administrative Section of Batasan Hills Branch
 - MSS of Batasan Hills Branch
 - Seating Area, Tellering Section of Batasan Hills Branch
 - MSS of Makati-JP Rizal Branch
 - Seating Area, Tellering Section of Makati-JP Rizal Branch
 - AMS of Marikina-Malanday Branch
 - MSS Counters of Marikina-Malanday Branch
 - MSS of Tanay Branch (3 units)
 - AMS of Tanay Branch
 - MSS of Paso de Blas Branch
 - Administrative Section of Paso de Blas Branch
 - POEA Branch (2 units)
- 6. Supply, delivery and installation of **Three (3)** 2.5HP Wall Mounted Split-type Inverter AC at the following locations:
 - Branch Head Office of Pasig Rosario Branch
 - Conference Room of Pasig Rosario Branch
 - Branch Head Office of Parañaque Branch
- 7. Supply, delivery and installation of **Ten** (10) 2HP Wall Mounted Split-type Inverter AC at the following locations:
 - Branch Head Office of Taguig-Gate 3 Branch
 - Conference Room of Taguig-Gate 3 Branch
 - Branch Head Office of Parañaque-Tambo Branch
 - e-Center of Manila Branch
 - MSS of Manila Branch
 - Branch Head Office of Legarda Branch
 - MSS of Cainta Branch (2 units)
 - Administrative Section of Cainta Branch
 - Montalban Service Office of San Mateo Branch
- 8. Supply and installation of brand new refrigerant pipes, rubber insulation, suitable valves and fittings, rigid supports and other standard accessories essential to the piping system.
- 9. The ACCU and FCU shall be properly installed on a steel pedestal/platform base complete with vibration isolating medium like neoprene rubber pad.
- 10. Supply and installation of brand new refrigerant pipes, rubber insulation, suitable valves and fittings, rigid supports and other standard accessories essential to the piping system.
- 11. Thoroughly flush and purge the system using refrigerant flushing agents appropriate for the desired application. Leak testing the refrigerant piping system as recommended by the manufacturer.

48

- 12. The refrigerant system must be applied with pressure (-) 30mm Hg before charging it with refrigerant per manufacturer's instruction.
- 13. Final charging of the refrigerant must be applied to the system up to 250psig at high side and 60psig at low side or as manufacturer's recommendation.
- 14. Pipe runs shall be supported with rigid supports every two (2) meter interval (minimum) with appropriate brackets, rubber bushing and hangers, suitable for the installation and anchored with U-bolt fittings.
- 15. Replacement of exposed drain lines from the Fan Coil Units and shall be tapped to the existing drain lines. De-clogging shall be done to eliminate foreign objects in the existing drain lines. For brand new units, drain lines to be installed shall be embedded and shall be with independent discharge headers dedicated for air-con drain only. Brand new drain lines may be tapped to the nearest rain drainage system. All drain system shall be equipped with appropriate clean-out and fittings, rigidly anchored with independent hangers and supports.
- 16. Supply and installation of other essential, miscellaneous and incidental materials to complete the project.
- 17. All areas affected during implementation of the project by chipping, dismantling works and other related activities shall be restored to original aesthetic condition at the owner's satisfaction and to the sole account of the contractor.
- 18. Tools, testing equipment and instruction manuals and reference materials shall be provided prior to the proper Testing and Commissioning of the completed system. Test result shall be submitted to the Building Owner Representative.
- 19. The supplier shall be responsible for repairs, periodic maintenance including semi annually cleaning and servicing, check-up of the supplied A/C units for the entire duration of the warranty period.
- 20. Preparation and submission of Delivery Receipts, Sales Invoice, Original JO/ PO, Asbuilt plans (if necessary or required by the project in charge), Operation Manuals, Brochures, and the start-up test result and other documents required in the project.

B. ELECTRICAL

- 1. All works shall be properly coordinated with EFMD or SSS Representatives.
- 2. Supply and installation of the new feeder line from Air-Cooled Condensing Units (ACCU) to Air-con Power Panel for proposed units and from Enclosed Circuit Breakers (ECB) to ACCU for replacement units.
- 3. Supply and installation of wiring and roughing-ins for power circuits and corresponding field wiring and controls from indoor to outdoor units including its controller switch for all units.
- 4. Supply and installation of brand new ECB's and circuit breakers (CB) for the following:
 - Nine (9) ECB's and three (3) CB's for 6HP/5TR AC units
 - Twenty One (21) ECB's and three (3) CB's for 4HP/3TR AC units
 - ECB for three (3) 2.5HP AC units
 - ECB for ten (10) 2HP AC units
- 5. Use Liquid Tight Flexible conduit with appropriate wiring, fittings and supports from ECB towards the ACCU terminal/tapping lines.
- 6. Electrical panels/enclosures, conduits, boxes shall be designed according to its intended design/purpose and application with appropriate supports and fittings and shall be rigidly secured using appropriate materials. Panel directory shall be properly labeled.
- 7. All areas affected during implementation of the project by chipping, dismantling works and other related activities shall be restored to original condition at the owner's satisfaction and to the sole account of the contractor.
- 8. Perform megger testing of new and old lines to ensure safety against grounding or fault condition and submit test results. Implement rectification or troubleshooting if lines are found faulty.

48

9. All dismantled equipment, materials, refrigerant piping and conduit layout, wiring and other essential accessories shall be properly turn-over to the owner for proper safe keeping or disposition

VISIT TO SITE

The Contractor is required to conduct the site inspection in order for them/him to familiar with the existing local conditions and include all necessary incidental works and materials that will be needed on the completion of the project. The proposal shall include all necessary considerations that may affect in the execution of all works. Subsequent claim(s) on the ground of inadequate or insufficient information shall not be entertained.

- 1. All permits required for this work shall be obtained by and at the expense of the Contractor. The Contractor shall furnish the SSS the certificates of inspection and approval from the proper government authorities after the completion of the work. The Contractor shall prepare all as-built plans and all other paperwork required by the approving authorities
- 2. After the completion of the project, the contractor shall issue a certification that all the installed electrical facilities are safe to operate. Said document must be duly signed by a registered electrical engineer as mandated by the office of the building official.

COORDINATION

The Contractor shall coordinate in every work with all other Contractors to whose apparatus he shall connect part of his work, and also provide in his work connections and facilities for the connection of their work. The Contractor is hereby called upon to prepare such drawings of details of his equipment, location of sleeves, inserts and supports as may be required for the assistance, and the coordination of his work with that of the existing installation. Upon demand, he shall furnish these drawings in adequate numbers for the information to all parties concerned, and shall coordinate the preparation of these drawings by consultation with other trades involved, before submitting them. The approval of such drawings will not relieve Contractor in any way from the responsibility of proper location and coordinating his work with the EMD representative.

MINOR MODIFICATIONS

The plans are diagrammatic and do not necessarily show all fittings, etc., necessary to fit the building conditions. The locations of equipment/apparatus and appliances shown on them are approximate. The Contractor shall be responsible for the proper location in order to made them fit with electrical details and instruction from the SSS at the site.

WORKMANSHIP

The work through shall be executed in the best and most thorough manner under the direction of and to the satisfaction of the Engineers, who will jointly interpret the meaning of the drawings and specifications and shall have the power to reject any work and materials in their judgments, are not in full accordance therewith.

The Contractor shall have on file, for ready access and reference, a set of drawings indicating all work as actually installed incorporating in same all changes and additions. Open the termination of the Contract, he shall prepare set of tracings indication therein the electrical work as actually and finally installed. These drawings shall be turned over to the SSS.

48

STANDARD OF MATERIALS

- a) All materials shall be new and shall conform with the standards of Underwriter's Laboratories, Inc., ASA, IEEE, NEMA, IPCEA and ASTM in every case where such a standard has been established for the particular type of materials in question.
- b) All materials on all system shall comply with the specifications, unless specifically exempted and all materials where not specified shall be of the best of their respective kind.
- c) Samples of any materials shall be submitted for approval as required by the Owner's Representative.

PROTECTION

Contractor shall effectual protect his own work from damage during and, as may be necessary after the installation; and he shall likewise protect adjoining existing installation from damage resulting from installation of this new electrical work.

CLEANING UP

The Contractor shall remove all dirt, debris, rubbish and waste materials caused by him in the process of his work. He shall also remove all tools, temporary power installation, scaffolding and surplus materials after completion and acceptance of his work.

48

Section VIII. Bidding Forms

Bid Form

LOT 1 : Supply, Delivery and Installation of Twenty - Nine (29) Air-Conditioning Units for Luzon South 1 & South 2, Luzon Bicol Divisions and Branches

Date: ______ Invitation to Bid¹ N^o: _____

To: [name and address of Procuring Entity]

Gentlemen and/or Ladies:

Having examined the Bidding Documents including Bid Bulletin Numbers [insert numbers], the receipt of which is hereby duly acknowledged, we, the undersigned, offer to [supply/deliver/perform] [description of the Goods] in conformity with the said Bidding Documents for the sum of [total Bid amount in words and figures] or such other sums as may be ascertained in accordance with the Schedule of Prices attached herewith and made part of this Bid.

We undertake, if our Bid is accepted, to deliver the goods in accordance with the delivery schedule specified in the Schedule of Requirements.

If our Bid is accepted, we undertake to provide a performance security in the form, amounts, and within the times specified in the Bidding Documents.

We agree to abide by this Bid for the Bid Validity Period specified in <u>BDS</u> provision for **ITB** Clause 17.1 and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

Commissions or gratuities, if any, paid or to be paid by us to agents relating to this Bid, and to contract execution if we are awarded the contract, are listed below:²

Name and address of agent	Amount and Currency	Purpose of Commission or gratuity
(if none, state "None	")	

Until a formal Contract is prepared and executed, this Bid, together with your written acceptance thereof and your Notice of Award, shall be binding upon us.

We understand that you are not bound to accept the Lowest Calculated Bid or any Bid you may receive.

We certify/confirm that we comply with the eligibility requirements as per **ITB** Clause 5 of the Bidding Documents.

48

¹ If ADB, JICA and WB funded projects, use IFB.

² Applicable only if the Funding Source is the ADB, JICA or WB.

We likewise certify/confirm that the undersigned, [for sole proprietorships, insert: as the owner and sole proprietor or authorized representative of <u>Name of Bidder</u>, has the full power and authority to participate, submit the bid, and to sign and execute the ensuing contract, on the latter's behalf for the <u>Name of Project</u> of the <u>Name of the Procuring Entity</u>] [for partnerships, corporations, cooperatives, or joint ventures, insert: is granted full power and authority by the <u>Name of Bidder</u>, to participate, submit the bid, and to sign and execute the ensuing contract on the latter's behalf for <u>Name of Project</u> of the <u>Name of the Procuring Entity</u>].

We acknowledge that failure to sign each and every page of this Bid Form, including the attached Schedule of Prices, shall be a ground for the rejection of our bid.

Dated this ______ day of ______ 20____.

[signature]

[in the capacity of]

Duly authorized to sign Bid for and on behalf of _____

48

Bid Form

LOT 2 : Supply, Delivery and Installation of Forty - Six (46) Air-Conditioning Units for Luzon Central 1 & Central 2, Luzon North 1 Divisions and Branches

Date: Invitation to Bid³ N^o:

To: [name and address of Procuring Entity]

Gentlemen and/or Ladies:

Having examined the Bidding Documents including Bid Bulletin Numbers [insert numbers], the receipt of which is hereby duly acknowledged, we, the undersigned, offer to [supply/deliver/perform] [description of the Goods] in conformity with the said Bidding Documents for the sum of [total Bid amount in words and figures] or such other sums as may be ascertained in accordance with the Schedule of Prices attached herewith and made part of this Bid.

We undertake, if our Bid is accepted, to deliver the goods in accordance with the delivery schedule specified in the Schedule of Requirements.

If our Bid is accepted, we undertake to provide a performance security in the form, amounts, and within the times specified in the Bidding Documents.

We agree to abide by this Bid for the Bid Validity Period specified in **BDS** provision for **ITB** Clause 17.1 and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

Commissions or gratuities, if any, paid or to be paid by us to agents relating to this Bid, and to contract execution if we are awarded the contract, are listed below:⁴

Name and address of agent	Amount and Currency	Purpose of Commission or gratuity
(if none, state "None	?")	

Until a formal Contract is prepared and executed, this Bid, together with your written acceptance thereof and your Notice of Award, shall be binding upon us.

We understand that you are not bound to accept the Lowest Calculated Bid or any Bid you may receive.

We certify/confirm that we comply with the eligibility requirements as per ITB Clause 5 of the Bidding Documents.

4&

³ If ADB, JICA and WB funded projects, use IFB.

⁴ Applicable only if the Funding Source is the ADB, JICA or WB.

We likewise certify/confirm that the undersigned, [for sole proprietorships, insert: as the owner and sole proprietor or authorized representative of <u>Name of Bidder</u>, has the full power and authority to participate, submit the bid, and to sign and execute the ensuing contract, on the latter's behalf for the <u>Name of Project</u> of the <u>Name of the Procuring Entity</u>] [for partnerships, corporations, cooperatives, or joint ventures, insert: is granted full power and authority by the <u>Name of Bidder</u>, to participate, submit the bid, and to sign and execute the ensuing contract on the latter's behalf for <u>Name of Project</u> of the <u>Name of the Procuring Entity</u>].

We acknowledge that failure to sign each and every page of this Bid Form, including the attached Schedule of Prices, shall be a ground for the rejection of our bid.

NOTE:

- For uniformity and evaluation purposes, a bidder shall adhere to the herein prescribed format of BOQ, specifically in the formula for computation, given quantity and inclusive pay items. Any deviation from the format shall be a ground for disqualification of bid.
- 2. Each bidder shall be provided with hard copy of the BOQ Form (attached in the PBD) and an electronic copy (CD) for faster and easier encoding. The hard copy shall serve as the bidder's reference as to completeness of work items, quantity, formula, format, etc. in the BOQ Form considering that the electronic copy is prone to alterations during encoding. Any discrepancy on the contents (specially on the quantity and inclusive pay items) between the hard copy and electronic copy, the contents of the hard copy shall prevail.
- Bidders are not allowed to include any pay items that were not indicated in the hard copy of BOQ. In instances where necessary
 work items are inadvertently left out in BOQ Form, a bidder should make a written query to the Bids and Awards Committee so that
 the same shall be addressed in the Bid Bulletin which will be issued to all participating bidders.
- Bidders shall include in the detailed estimate the breakdown of materials & labor for quantities specified in LOT (unit of measure) in BOQ
- 5. Mark-up / Indirect Cost as indicated in the Summary of Estimates shall include the following:

Overhead Expenses such as office expenses, supervision, transportation allowances, and financing costs (premium on CARI, Bid Security, Performance Security, Surety for Advance payment, Warranty Bond)

Contingencies, Miscellaneous Expenses and Contractor's Profit Margin

NOTE:

- For uniformity and evaluation purposes, a bidder shall adhere to the herein prescribed format of BOQ, specifically in the formula for computation, given quantity and inclusive pay items. Any deviation from the format shall be a ground for disqualification of bid.
- 2. Each bidder shall be provided with hard copy of the BOQ Form (attached in the PBD) and an electronic copy (CD) for faster and easier encoding. The hard copy shall serve as the bidder's reference as to completeness of work items, quantity, formula, format, etc. in the BOQ Form considering that the electronic copy is prone to alterations during encoding. Any discrepancy on the contents (specially on the quantity and inclusive pay items) between the hard copy and electronic copy, the contents of the hard copy shall prevail.
- Bidders are not allowed to include any pay items that were not indicated in the hard copy of BOQ. In instances where necessary
 work items are inadvertently left out in BOQ Form, a bidder should make a written query to the Bids and Awards Committee so that
 the same shall be addressed in the Bid Bulletin which will be issued to all participating bidders.
- Bidders shall include in the detailed estimate the breakdown of materials & labor for quantities specified in LOT (unit of measure) in BOQ
- 5. Mark-up / Indirect Cost as indicated in the Summary of Estimates shall include the following:

Overhead Expenses such as office expenses, supervision, transportation allowances, and financing costs (premium on CARI, Bid Security, Performance Security, Surety for Advance payment, Warranty Bond)

Contingencies, Miscellaneous Expenses and Contractor's Profit Margin

REPUBLIC OF THE PHILIPPINES) CITY/MUNICIPALITY OF _____) S.S.

AFFIDAVIT

I, [Name of Affiant], of legal age, [Civil Status], [Nationality], and residing at [Address of Affiant], after having been duly sworn in accordance with law, do hereby depose and state that:

1. Select one, delete the other:

If a sole proprietorship: I am the sole proprietor or authorized representative of *[Name of Bidder]* with office address at *[address of Bidder]*;

If a partnership, corporation, cooperative, or joint venture: I am the duly authorized and designated representative of *[Name of Bidder]* with office address at *[address of Bidder]*;

2. Select one, delete the other:

If a sole proprietorship: As the owner and sole proprietor, or authorized representative of *[Name of Bidder]*, I have full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for *[Name of the Project]* of the *[Name of the Procuring Entity]*, as shown in the attached duly notarized Special Power of Attorney;

If a partnership, corporation, cooperative, or joint venture: I am granted full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for [Name of the Project] of the [Name of the Procuring Entity], as shown in the attached [state title of attached document showing proof of authorization (e.g., duly notarized Secretary's Certificate, Board/Partnership Resolution, or Special Power of Attorney, whichever is applicable;)];

- 3. *[Name of Bidder]* is not "blacklisted" or barred from bidding by the Government of the Philippines or any of its agencies, offices, corporations, or Local Government Units, foreign government/foreign or international financing institution whose blacklisting rules have been recognized by the Government Procurement Policy Board;
- 4. Each of the documents submitted in satisfaction of the bidding requirements is an authentic copy of the original, complete, and all statements and information provided therein are true and correct;
- 5. *[Name of Bidder]* is authorizing the Head of the Procuring Entity or its duly authorized representative(s) to verify all the documents submitted;

6. Select one, delete the rest:

If a sole proprietorship: The owner or sole proprietor is not related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

48

If a partnership or cooperative: None of the officers and members of *[Name of Bidder]* is related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

If a corporation or joint venture: None of the officers, directors, and controlling stockholders of *[Name of Bidder]* is related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

- 7. [Name of Bidder] complies with existing labor laws and standards; and
- 8. [Name of Bidder] is aware of and has undertaken the following responsibilities as a Bidder:
 - a) Carefully examine all of the Bidding Documents;
 - b) Acknowledge all conditions, local or otherwise, affecting the implementation of the Contract;
 - c) Made an estimate of the facilities available and needed for the contract to be bid, if any; and
 - d) Inquire or secure Supplemental/Bid Bulletin(s) issued for the [Name of the Project].
- 9. *[Name of Bidder]* did not give or pay directly or indirectly, any commission, amount, fee, or any form of consideration, pecuniary or otherwise, to any person or official, personnel or representative of the government in relation to any procurement project or activity.

IN WITNESS WHEREOF, I have hereunto set my hand this ____ day of ____, 20___ at ____, Philippines.

BID SECURING DECLARATION Invitation to Bid: [Insert Reference number]

To: [Insert name and address of the Procuring Entity]

I/We¹¹, the undersigned, declare that:

- 1. I/We understand that, according to your conditions, bids must be supported by a Bid Security, which may be in the form of a Bid-Securing Declaration.
- 2. I/We accept that: (a) I/we will be automatically disqualified from bidding for any contract with any procuring entity for a period of two (2) years upon receipt of your Blacklisting order; and, (b) I/we will pay the applicable fine provided under Section 6 of the Guidelines on the Use of Bid Securing Declaration, within fifteen (15) days from receipt of the written demand by the procuring entity for the commission of acts resulting to the enforcement of the bid securing declaration under Sections 23.1(b), 34.2, 40.1 and 69.1, except 69.1(f), of the IRR of RA 9184; without prejudice to other legal action the government may undertake.
- 3. I/We understand that this Bid Securing Declaration shall cease to be valid on the following circumstances:
 - (a) Upon expiration of the bid validity period, or any extension thereof pursuant to your request;
 - (b) I am/we are declared ineligible or post-disqualified upon receipt of your notice to such effect, and (i) I/we failed to timely file a request for reconsideration or (ii) I/we filed a waiver to avail of said right;
 - (c) I am/we are declared the bidder with the Lowest Calculated Responsive Bid, and I/we have furnished the performance security and signed the Contract.

IN WITNESS WHEREOF, I/We have hereunto set my/our hand/s this _____ day of [month] [year] at [place of execution].

THIS AGREEMENT made the _____ day of _____ 20____ between [name of PROCURING ENTITY] of the Philippines (hereinafter called "the Entity") of the one part and [name of Supplier] of [city and country of Supplier] (hereinafter called "the Supplier") of the other part:

WHEREAS the Entity invited Bids for certain goods and ancillary services, viz., [brief description of goods and services] and has accepted a Bid by the Supplier for the supply of those goods and services in the sum of [contract price in words and figures] (hereinafter called "the Contract Price").

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

1. In this Agreement words and expressions shall have the same meanings as are respectively assigned to them in the Conditions of Contract referred to.

2. The following documents shall be deemed to form and be read and construed as part of this Agreement, viz.:

- (a) the Supplier's Bid, including the Technical and Financial Proposals, and all other documents/statements submitted (*e.g.* bidder's response to clarifications on the bid), including corrections to the bid resulting from the Procuring Entity's bid evaluation;
- (b) the Schedule of Requirements;
- (c) the Technical Specifications;
- (d) the General Conditions of Contract;
- (e) the Special Conditions of Contract;
- (f) the Performance Security; and
- (g) the Entity's Notice of Award.

3. In consideration of the payments to be made by the Entity to the Supplier as hereinafter mentioned, the Supplier hereby covenants with the Entity to provide the goods and services and to remedy defects therein in conformity in all respects with the provisions of the Contract

4. The Entity hereby covenants to pay the Supplier in consideration of the provision of the goods and services and the remedying of defects therein, the Contract Price or such other sum as may become payable under the provisions of the contract at the time and in the manner prescribed by the contract.

IN WITNESS whereof the parties hereto have caused this Agreement to be executed in accordance with the laws of the Republic of the Philippines on the day and year first above written.

 Signed, sealed, delivered by ______ the _____ (for the Entity)

 Signed, sealed, delivered by ______ the _____ (for the Supplier).
