# SSS ADVISORY

## NAG-FILE NG CLAIM PERO HANGGANG NGAYON 'DI PA NATATANGAP ANG BENEFISYO? Maaaring may mali sa disbursement account mo.

Below are the most common reasons for rejected disbursement accounts in the Disbursement Account Enrollment Module (DAEM) or non-crediting of benefit payment to a member's enrolled account:

● Closed account	● Time deposit settlement account
● Dormant account	● Dollar/foreign currency account
● Frozen account	● Account name is different from member/ employer/ payee name in SSS records
● Joint account with another person	● Restricted accounts (e.g., special savings account, payroll account, PayMaya is not an approved account)
● No existing account	● Account is in a non-PESONet participating bank or institution
● Prepaid account/cash card account	● Typographical errors in encoding the account number/name

If you have enrolled an account included in the list above, you may change or update your disbursement account through the **Benefit Re-Disbursement Module** in your My SSS account in the SSS website.

Also, please note that benefit payments through M. Lhuillier that remain unclaimed after 30 days shall be refunded/reverted to SSS.

Ensure that your Disbursement Account is an active, single savings account in a PESONet participating bank, without any restrictions.

If you choose to receive payment through cash payout outlets (M. Lhuillier) or e-wallets (PayMaya), ensure that your mobile number registered with SSS is updated to receive the Claim Reference Number sent via text.
