1.	the f	For uniformity and evaluation purposes, a bidder shall adhere to the herein prescribed format of BOQ, specifically in the formula for computation, given quantity and inclusive pay items. Any deviation from the format shall be a ground for disgualification of bid.					
2.		Bidders are not allowed to include any pay items that were not indicated in the BOQ Form.					
3.	Mark-up or Indirect Cost as indicated in the BOQ shall include: Overhead Expenses such as office expenses, supervision, transportation allowances, and financing costs (premium on CARI, Bid Security, Performance Security, Surety for Advance Payment, Warranty Security, Construction Bond, etc.), Contingencies, Miscellaneous Expenses and Contractor's Profit Margin						
4.	Corresponding cost of material and labor must be provided for all items in the BOQ so as not to constitute an incomplete bid which is a ground for disqualification. In cases where material and labor costs are lumped, or no material or labor cost is required, indicate the same or indicate "0" or "N/A" if given free of charge to SSS. Don't leave the spaces for material and labor costs blank, except as indicated.				or no
