

**PROJECT:    OUTSOURCING OF THREE (3) YEAR CONTRACT FOR TRANSPORTATION AND BUILDING AND FACILITIES MAINTENANCE SERVICES FOR LUZON OPERATIONS GROUP (NEGOTIATED PROCUREMENT AFTER TWO FAILED BIDDINGS)**

**QUERIES/CLARIFICATIONS RAISED DURING THE PRESENTATION/ NEGOTIATION OF TECHNICAL AND FINANCIAL REQUIREMENTS:**

	<b>Query/Clarifications</b>	<b>TWG/BAC Reply</b>
1	<p>Clarification on the Terms of Reference:</p> <p>Is it the same from the last bidding? Incorporating the items in the previously issued Bid Bulletin?</p>	<p>There are some changes from the previous PBD concerning the period allotted for relievers:</p> <p>Luzon North and Luzon Bicol will be given 72 hours considering the remoteness while Luzon Central and Luzon South will be given 24 hours only</p>
2	<p>Clarification regarding the rate of the Technician:</p> <p>We noticed there are no changes although we are giving higher rate for technicians and its manifested deployment resistance</p>	<p>As you will notice, ABC is now higher, only 20% is allowed as per R.A. 9184. It is true we did not change the rate, but we included additional overtime in case of cost adjustment due to two failure of biddings.</p>
3	<p>Clarification regarding the documentary requirement:</p> <p>Is it still the same requirements?</p>	<p>Yes, it remains as is.</p>
4	<p>How about the Philhealth contribution?</p>	<p>SSS will use the current rate required by Philhealth, so we did not change it.</p>
