

PROJECT: REHABILITATION OF PARKING CANOPY, FENCE AND GATE FOR SSS MAKATI BUILDING

QUERIES/CLARIFICATIONS RAISED DURING THE PRE-BID CONFERENCE:

	Query/Clarifications	TWG/BAC Reply
1	Are you going to allow the construction of barracks on site? How about the working hours schedule?	The Property Manager will assign a designated area for the barracks. During weekdays, the schedule will be after office hours which is 5:00PM onwards. And during Saturday and Sunday, whole day work schedule.
2	Do we need to secure permits from APMC or MACEA?	No need since the work is inside SSS
3	Do you allow stamped signatures?	No.
4	Do you require site inspection?	It is not a requirement, but just in case you are obliged, please coordinate with the person-in-charge
5	Would you consider similar project which is repair but no roofing or canopy construction only repair of school building and gate?	It is acceptable.
