

**ANNEX "A"**

**PROJECT: TWO (2) YEARS PREVENTIVE MAINTENANCE OF GENERATOR SETS (RE-ADVERTISEMENT)**

**QUERIES/CLARIFICATIONS RAISED DURING THE PRE-BID CONFERENCE:**

	<b>Query/Clarifications</b>	<b>TWG/BAC Reply</b>
1	Clarification re: SLCC Can we be allowed to join the bidding procedures if we have no completed contracts, we have on-going contracts only with private companies in the amount of 2 -3 million?	We will only allow those with single largest completed contract with the same or above ABC and at least 50% of the amount
2	Clarification regarding payment terms: Is it only after completing the whole project can the full payment be requested or every after project is done per branch?	After 10 branches completion, that's the time the payment can be requested
3	Can the performance bond be used as a proof that the contract/project is already completed?	The basis is the approved SLCC within the last five (5) years BAC II suggested to pre-screen the interested potential Bidders to save time and effort if they are qualified to join the bidding as per the requirements presented.
