

PROJECT: CARGO FORWARDING SERVICES**QUERIES/CLARIFICATIONS RAISED DURING THE PRE-BID CONFERENCE:**

	Query/Clarifications	TWG/BAC Reply
1	Clarification on the Single Largest Completed Contract (SLCC), are we allowed to submit two (2) contracts, one from the government agency and another from a private company.	Our requirement for the SLCC is only one contract equivalent to at least fifty percent (50%) of the ABC.
2	On the procedure/process of reverse/vice versa logistics, is the pickup nationwide?	Yes. Pick-up is nationwide. There will be a lead person from the branches who will contact you via phone call or email and other available means of communication.
3	Do you require freight forwarders to have branches nationwide?	No. But freight forwarders must meet the Service Level Requirements (SLR) as stated in the bidding documents.
4	May we know if all items (non-documents) need to be crated or what are the items need for crating?	Not all items should be crated. But all electronic items such as laptop/PC, cellphones, electric fan, digital recorder, etc. (non-documents) should be crated for protection.
5	How many days is the lead time upon pickup for Luzon, Visayas and Mindanao?	SSS Main Office to Branches and vice versa: a. Airfreight / Overland - Maximum delivery period of three (3) working days from pick-up of cargoes. b. Inter-island - Maximum delivery period of five (5) working days from pick-up of cargoes.
6	May we clarify on the process of "crating", should items like electric fans be put inside a crate?	Airfreight/overland and inter-island freight, electronic items need to be crated for protection. If the items are intended for inter-island and airfreight, it should be crated.

WRITTEN QUERIES:

1	In relation to the SLCC under project Cargo Forwarding Services ITB - SSS-Goods-2024-009, we would like to ask if the contract that we want to submit is a private contract but there is no specified amount and the basis is the official receipt which is equivalent to 50% of the ABC, is it acceptable?	No. Submitted list of contracts should contain basic information such as contract price, name of project, and duration.
